First period. After five minutes of play Lloyd McWilliams scored the opening tally unassisted. James Crossman with an end to end rush pens the score by sagging the time for the Blood Hounds and the remainder of the period ends with some combination play and nice stick handling. Stops on net, Douglas Crossman 8, Isley Cooks 6.

Second period opens with some nice stick handling and play warming up. After six minutes of play Win Crossman scores for the Bloodhounds from a pass from Harry Gardner, star right winger for the Grey Hounds scored from a mix up in front of the Blood Hounds net making the score again tie. The period ends with some heavy checking by both teams. Shots on net Douglas Crossman 6, Cooks 9.

Third period. After two minutes of play Kenneth McNeill sets two

minutes rest for tripping Lester Patterson, Lloyd McWilliams scores from a pass from Harry Gardner, again putting the Grey Hounds in the lead. After ten minutes of play Kenneth McNeill again evens the score by sagging the time for the Blood Hounds, which ended the game.

To Amend Board Of Trade Act

OTTAWA, Ont., Feb. 13.—Third reading was given in the House of Commons today to a measure amending the Boards of Trade Act. The effect of the amendment would preclude the use of the term "Board of Trade" in any district where a regularly incorporated Board of Trade already existed, without the existing body having an opportunity to show cause why the new body should not be incorporated.

CHURCH SERVICE

THE BAPTIST CHURCH

The Rev. A. C. Vincent delivered an eloquent and earnest sermon yesterday morning on "Soul winning, our task." The duty of the Church of God throughout the world, toward the spread of the gospel was stressed and the individual responsibility of all Christians was vividly set forth. The subject of the evening sermon "Why lifted up?" a study of the mission of the Christ. Mr. V. Dingwell, baritone, at the morning service sang very expressively "This is my task." The anthems for today were "Sun of my soul" (Tanner), "Turn Thy face from my sins" (Sullivan), "List, the cheubic host," (Gaul). From 6:45 to 7 o'clock in the evening Mrs. Full gave a short but impressive organ recital, Andante (Silas), Raindrop prelude (Chopin), Melodie (Gulmunt) were among the numbers.

The Sunday School showed the usual encouraging attendance—and by its constant increase is making an urgent demand for larger and better accommodation.

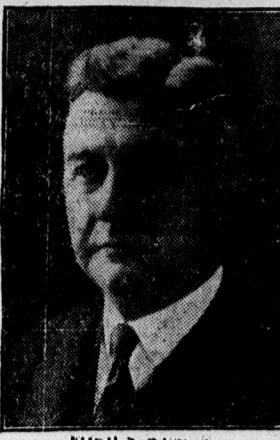

The flowers of the day were the gift of the Boyer family, in memory of their parents.

TRINITY UNITED CHURCH

It is announced that the car of fruit and vegetables assembled by our church has been received in Saskatchewan with great appreciation. This is the fifth car from the United Churches of this Province to go forward. It is also announced that the special contribution of \$950 to aid in carrying on the Church at Constance, Sask., has also been over-subscribed and paid. It must be a source of gratification to our Ministers that they have been called to lead a congregation that actually hastens to the fulfillment of every worthy appeal.

To love mercy is one of the distinguishing marks of a Christian as recorded by the Prophet Micah and the fact that this virtue has a strong place in the hearts of many of our Lady workers was shown in the report of the Dorcas Society, which sets forth that 485 visits were made last year in "Assisting the needy, visiting the sick and the shut-ins." Surely it is such work that will bind us more closely as a Brotherhood and will merit the commendation of our Master "Inasmuch as ye have done it unto one of these my brethren, ye have done it unto me."

One Sunday in every year is set apart to emphasize the "Boys Work" and for several years past the morning service has been carried on by members from the Trail Rangers and Turis groups. Rev. C. N. Brown was on the platform with the boys, but the latter carried out the full programme and did so in an excellent manner. The two addresses being particularly fine.

Rev. M. K. Charman, Minister of the United Church at Mount Stewart, was the preacher at the evening service and delivered a thoughtful sermon on the subject of "Human Brotherhood." The choir rendered the anthem, "Even me" with Mr. Ben Acorn as soloist and at the offertory, Mr. A. R. Mosher was listened to with pleasure in a well rendered solo.

Rev. Mr. Ramsay was the preacher at Central Christian Church at night, as Rev. Mr. Outhouse is confined to his home by a very bad cold.

The attendance at Sunday School was 498, which is slightly lower than the figure for last Sunday, but which gives an average of 460 for the seven Sundays of this year.

Over 400 people attended the regular Y. M. C. A. after church song service at St. James Church last night.

Rev. G. C. Webster, pastor of Zion Church was the special speaker of the evening. He took as his subject, "Youths Heritage." In his opening remarks, the speaker dealt with many of the young leaders in Bible history, naming Joseph, David, Joshua and ending up with Jesus and the wonderful example he set for all time, especially the youth of today.

Misused or misguided energies, Mr. Webster spoke of youths' energies and of the necessity that they be guided rightly. Especially in sport, youths' energies are one of their main assets. Youths' freedom from sin was another point stressed by Mr. Webster and his plea to his audience was not to get immersed in sin, sin he said would take away their freedom and would soon have them bound hand and foot, land them in jails and many would suffer the penalty of death for their misdeeds.

Youth needed its guide and a warning was issued not to wait until it was too late before accepting the guidance of Jesus, who can keep everyone free from sin.

In closing, Mr. Webster read a clipping from his home paper, telling of an 18 year old boy, who had committed murder and was condemned to death. The story told how he had broken home and church ties and drifted off with bad comrades. The speaker's plea was that the youth before him tonight would hold fast and not be unfair to themselves or unfair to God.

St. James choir led in the singing and provided two lovely solos, one by Miss Marjorie Wood, "In the Garden," and the other by Charles McKenzie, "Abide with us." Rev. R. M. Legate, pastor of St. James Church, led in prayer.

The Chairman, Mr. Winston Main, thanked Mr. Webster and all those who so kindly helped in the service.

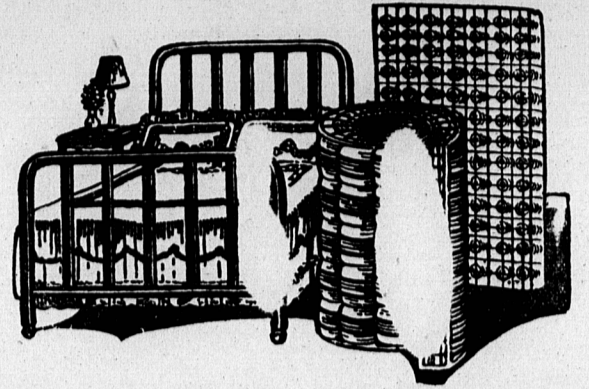

Mrs. Keith Rogers accompanied all the numbers on the organ and Mrs. J. A. Lawson, choir leader, arranged the musical program. Rev. Mr. Webster pronounced the closing prayer.

Next week's meeting will be held in the Central Christian Church.

France & Italy Resume Parleys on Disarmament

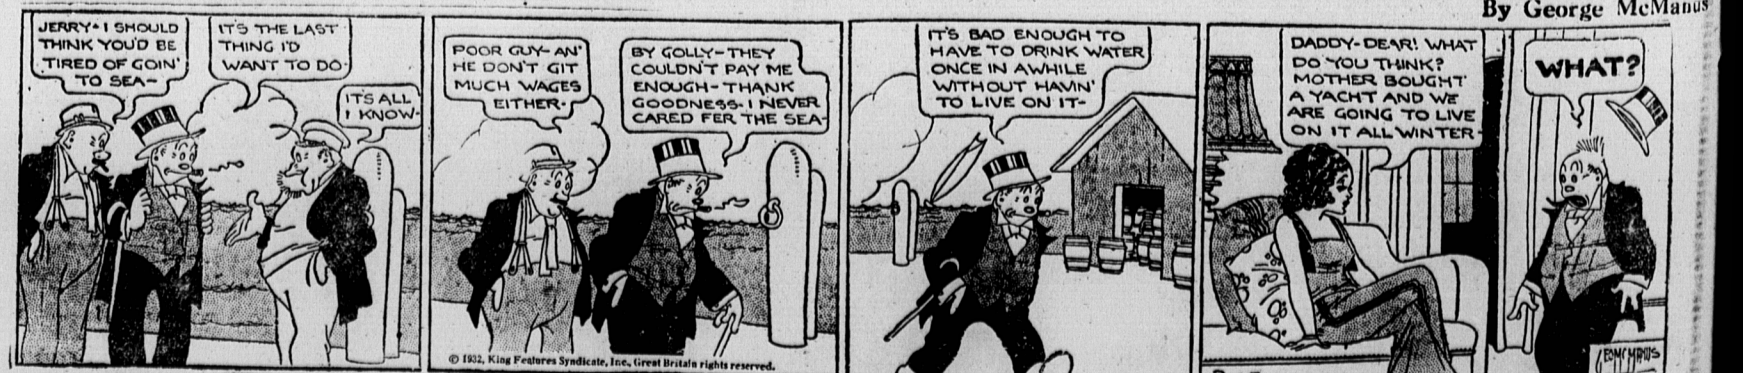

(By Louis P. Lochner, Associated Press Staff Correspondent) GENEVA, Switzerland, Feb. 13.—(A.P.)—The World Disarmament Conference bore its first fruit yesterday with the resumption of direct negotiations between the French and Italian delegations to settle their naval differences.

It was fairly generally believed that conferences now being held would lead to an extension of the London Naval Treaty of 1930 and provide a basis for further disarmament of all powers on the seas. French Minister of War Andre Tardieu and Foreign Minister Dino Grandi of Italy have already met to discuss the subject and their conversations are being followed up by the French and Italian naval experts, Rene Massigli and Agostino Rosso.
