IT IS TRUE that many people can drink tea and coffee without ill effects. But there are thousands of other people who cannot. Without realizing it, you may be one of these. The caffeine found in both tea and coffee may be working night and day to rob you of sleep, upset your digestion, or undermine your nerves. If you suspect that tea and coffee disagree with you, switch to Postum for 30 days. It is simply whole wheat and bran, roasted and slightly sweetened. It is a delicious drink—and contains nothing that can possibly harm you. It is very easy to prepare... and costs less than one-half cent a cup.
