APRIL 1st, CASH BUYING

THE DAWN OF A NEW DAY IN OUR BUSINESS

The Cash System which we introduced on April 1st, enables us to offer you immense values in our different departments.

Our customers and the public in general, have been big enough to see that our somewhat severe terms are no reflection whatever on the financial standing of any customer.

If you knew there was a \$5.00 bill between the pages of a book, you would look mighty careful, even if there wasn't a picture on the page. Lack of space prevents us from illustrating every article, but a careful inspection will disclose many opportunities for profitable purchases.

Our early buying enables us to offer you excellent values in our Millinery, Dry Goods, Boot and Shoe and Grocery Department.

We have just received two cars of Woven Wire from the N. B. Fence Co. which we are selling at the old price, and as there has been an advance of 15c per chain, with the probability of \$2.25 for next year, we would advise early purchases for your future requirements.

WE HAVE ALSO RECEIVED:- 500 DBS. ROBIN HOOD FLOUR. 300 BAGS STANDARD MIDDINGS. 300 BAGS GERMAN MIDDINGS. 300 BAGS OIL CAKE. 300 BAGS BRAN.

We wish to call the attention of all dairymen to "Germ Middlings," which has a better analysis than Oil Cake and is an ideal feed for your dairy cattle. Give it a trial and be convinced.

Special prices quoted on quantities of Feed and Flour. Freight paid on woven wire to all stations. Highest prices paid for washed or unwashed wool. Ask or write for prices.
