

Dressmaker's Duties

Such as to Cause Backache

Toronto Dressmaker Has Found a Positive Cure and Gladly Tells About it.

Those who follow the arduous occupation of dressmaking or sewing have troubles of their own.

Running sewing machines all day long, bending over work that requires the greatest of care, these are the things that have made many a woman exclaim, "every time I take a stitch with my needle it seems as though I am piercing my own back."

But those who suffer from backache, headache, pain in the side or any derangement of the kidneys will be glad to know that there is a remedy that never fails even in the worst cases.

It is Doan's Kidney Pills.

Mrs. P. Coyer, the well-known dressmaker, 224 Bathurst St., Toronto, Ont., gives the following statement of her experience with it:

"For some time I suffered a good deal from weak back, a tired feeling, and pains and aches in various parts of my body. Since I have used Doan's Kidney Pills the pains have left me, my back has got stronger and the kidney troubles have been corrected."

"That tired, dull, drowsy feeling that used to come on me has now gone, and I am happy to say I have not felt so well in years as at present."

Doan's Kidney Pills cure backache, lame weak back, Bright's disease, diabetes, dropsy, mist before the eyes, loss of memory, rheumatism, gravel and urinary troubles of young or old. The Doan Kidney Pills Co., Toronto, Ont.

This is the earliest date of entry on record, the nearest to it being April 12, 1889.

The case of Anderson and Burrows vs. Mr. R. C. McLeod and Mr. James A. Sharp which has occupied the attention of the Court of Chancery since last Friday morning was concluded yesterday and court adjourned until this morning at 10 o'clock when judgment will be given. This case has engaged more than ordinary interest.

Yesterday morning Mr. R. C. McLeod, President of the Board of Trade, received from Sir L. H. Davies a telegram asking if the harbor was sufficiently clear of ice to allow the St. Lawrence to begin operations. Mr. McLeod replied that the Northumberland had arrived and that the harbor was about clear of ice. The St. Lawrence may therefore be expected to begin this much needed work within a few days.

Johnny—What is a bore, papa? Papa—A bore is a person who tells you so much about himself that you get no chance to tell him anything about yourself.

"Would you be surprised if I said I loved you?" he asked softly. "Rather say amused," she replied.

IT IS MISTAKE

When the ground was cursed

for sinful Adam's sake, well knowing all the ill to which human kind would be subject, God made it to bear herbs of all-healing. Among these herbs none was more widely distributed, or more potent for good than the Clover. The scientists of olden found out the wonderful effect on the nervous system exercised by clover root, making it one of the chief ingredients in their most successful receipts for blood elixirs, sleeping draughts, and for the curing of diseases of the skin. Women in that olden time had clear, bright eyes and fine complexions, which lasted until late in life. Why? Because they did not dose themselves continually with medicines, nor use mineral poisons on their faces to try to cover up the effects of bad, impure blood. They had work to do, and must keep themselves well, and did so with these teas made from the herbs of the field. A German scientist, one of the leading physicians of the time, has revived the use of Clover in medicine. This is known as Karl's Clover Root Tea, and is a veritable elixir of life,

gently stimulating the stomach and bowels, causing them to secrete naturally the various juices needed for the processes of digestion and assimilation of food, and by keeping the bowels open and regular, relieved the body of all waste, poisonous matter, which, if allowed to remain, taints the blood, frequently causing rheumatism. In other words, Karl's Clover Root Tea restores health by making pure blood, without which no one can have either strength or beauty. An absolute cure for sick-headache, backache and sleeplessness. Your money refunded if it fails to cure.

S. C. Wellek Co., 55 Colburn St., Toronto, Ont. "Gentlemen: I am so well pleased with Karl's Clover Root Tea, and the good results derived from it, that I hardly know how to express myself. For years I have had indigestion and eruptions of the skin, and found no relief until I began using Karl's Clover Root Tea. "EDGAR P. WELLS, "Omaha, Neb." Sold at 25c. and 50c. throughout the United States and Canada, in England at .s. 6d. and 2s. 3d.

FROM BY THE SEA.

A Prince Edward Island Marvel.

Mr. M. B. Connick, of Middleton, P. E. I., Tells a Remarkable Story—Cured of Bright's Disease by Dodd's Kidney Pills.

MIDDLETON, P. E. I., Apr. 11.—Probably the best known man in Prince Edward Island is Mr. M. B. Connick, of Middleton, Lot 26, Prince County, P. E. I. Mr. Connick is a blacksmith and has worked at his trade all over the island. For a quarter of a century he carried on his business at North Carleton. He now lives at Middleton.

For sixteen years Mr. Connick suffered with Kidney Complaint, which finally developed into Bright's Disease. For six years Mr. Connick had to hire a man to do his work. He employed five different doctors. Finally, the last doctor he went to told him he had Bright's Disease, and that he was incurable, and it was no use to him spending money.

Dodd's Kidney Pills have cured hundreds of cases of Bright's Disease and Mr. Connick heard of them. He determined to test them in his own case.

After the first box Mr. Connick went back to work. After ten boxes he was as well as he ever was in his life, and could shoe a horse just as well as he ever could.

In a letter written recently to enquirer who asked whether Mr. Connick attributed his cure solely to Dodd's Kidney Pills, Mr. Connick said:

"I would not have been alive and strong to-day if it were not for Dodd's Kidney Pills. All the county knows my case and there have been hundreds come to ask me about it. I tell them the whole thing just as it was, and give the sole credit of my cure to Dodd's Kidney Pills."

Mr. Connick says Dodd's Kidney Pills are greatly in favor in Prince Edward Island, as indeed they are throughout the length and breadth of Canada and the English-speaking world.
