

A GERMAN GUNBOAT'S DARING ACT

Sinks an Insurgent Vessel in Haytian Waters.

ALLEGED TO BE PIRATE

Had Forcibly Plundered a German Steamer—Act May be Misconstrued in America.

HAYTIAN GUNBOAT SUNK.

LONDON, Sept. 8.—(Special)—The gunboat Crete a Pierrot, in the service of the Firminist party has been sunk at the entrance to Gonavez harbor by the German gunboat Panther, because she took munitions of war from a German vessel.

REGARDED AS A PIRATE.

There is much speculation over what effect this will have on international events, but it is said Hayti regards the steamer sunk as a pirate.

ACTION PROBABLY JUSTIFIABLE.

The action of the Panther could probably be justified to the world but for American sensitiveness over what looks like a disregard of the Monroe Doctrine so recently strongly asserted by President Roosevelt.

CRICKET TENNIS AND RECEPTION

Pass Away a Pleasant Day for the Officers.

THE BALL IN THE EVENING

A Great Success—Ch'Town Victorious in Tennis—Defeated in Cricket—Ships Sail Today.

Yesterday was a gala day at Victoria Park and during the afternoon hundreds of ladies and gentlemen spent the beautiful afternoon watching the tennis and listening to the band of the Ariadne which is undoubtedly the finest that has ever visited Charlottetown. During the afternoon five o'clock tea was served at the tennis grounds and everything passed off pleasantly. The tennis and cricket matches were well contested throughout. In the latter the spoils fell to the visitors and the former the Charlottetonians won.

In the Mens Doubles Tennis Tournament held at Victoria Park yesterday afternoon eight gentlemen from the local tennis club beat eight of the officers from the ships by the close margin of four games out of a total of 176. In the 3rd round Messrs. Ings and Stewart were beaten in a very close set by Dr. Mormement and Mr. Kennedy.

In the 4th Round Messrs Williams and Sullivan met Dr. Mormement and Mr. Kennedy. A great deal of interest was taken in this set at these were the strongest pairs. Williams and Sullivan won out 7-4. A summary follows:— 1st Round—Williams and Sullivan vs. Gilbert and Hopwood, 8-3 Ings and Stewart vs. Nicholson and Campeon, 8-3 Bartlett and Warburton vs. Jeans and Morant, 4-7 Weeks and Hyndman vs. Mormement and Kennedy, 4-7 2nd Round—Williams and Sullivan vs. Nicholson and Campeon, 11-0 Ings and Stewart vs. Gilbert and Hopwood, 4-7 Warburton and Bartlett vs. Mormement and Kennedy, 4-7 Weeks and Hyndman vs. Jeans and Morant, 6-3 3rd Round—Williams and Sullivan vs. Jeans and Morant, 8-3 Ings and Stewart vs. Mormement and Kennedy, 5-6 Warburton and Bartlett vs. Gilbert and Hopwood, 2-9 Hyndman and Weeks vs. Nicholson and Campeon, 5-6 4th Round—Williams and Sullivan vs. Mormement and Kennedy, 4-7 Ings and Stewart vs. Nicholson and Campeon, 6-5 Hyndman and Weeks, vs. Gilbert and Hopwood, 2-0 Warburton and Bartlett vs. Jeans and Morant, 6-5

The cricket match commenced at eleven in the forenoon and good playing was shown on both sides but the visitors proved too formidable for our local men. The excellent playing of Dr. Mormement was the best seen at Victoria Park for a long time. The following is the score, VISITORS.

THE KAISER VISITS HIS POLISH SUBJECTS A STEAMER

He Tells Them They Need Not Fear Any Interference With Their Religion on Their Racial Peculiarities.

POSEN, Sept. 5.—A statue of the Emperor Frederick was unveiled yesterday in the presence of the Emperor William, the Empress Victoria, the Crown Prince Frederick William, Field Marshal Count von Bulow, the cabinet ministers and many other notabilities. The Imperial party subsequently proceeded to the Provincial Diet House, where they received an address from the provincial authorities. The president of the Diet presented the Emperor with a loving cup. His Majesty replied to the address with a speech of some length. There were similar functions at the Provincial Assembly House, where the Polish members were conspicuous by their absence.

Posen, Sept. 4.—Replying to the address of the Provincial Diet in Posen, yesterday, at the unveiling to the monument to the Emperor Frederick, the Emperor William enjoined the Germans to lay aside their inherited tendency to engage in party strife, and to work together for the good of the country.

Referring to the Poles, His Majesty said: "I deeply regret that a section of my subjects of non-German origin appears to have difficulty in falling in with our conditions of life. The reason for this may possibly be found in two misapprehensions. Firstly, the fear of interference with their religion is kept alive among them. His who asserts that difficulties are placed in the way of my subjects of the Roman faith in regard to the exercise of their religion, or that they will be forced to depart from it, is guilty of telling a downright lie. My whole reign and my words and actions prove how highly I value religion, and such a person insults by a calumny of this nature the successor of the great king who said: 'Every one is entitled to obtain blessedness in his own fashion.'"

THE DANCE GIVEN LAST EVENING AT GOVERNMENT HOUSE BY HIS HONOR THE LIEUTENANT GOVERNOR AND MRS. MCINTYRE IN HONOR OF ADMIRAL DOUGLASS AND THE OFFICERS OF THE WARSHIPS IN PORT, WAS ONE OF THE MOST BRILLIANT AND ENJOYABLE SOCIAL EVENTS THAT HAVE YET TAKEN PLACE IN THIS CITY. THE ROOMS, THE SCENE OF SO MUCH FESTIVITY IN THE PAST, WERE BRILLIANTLY LIGHTED AND HANDSOMELY DECORATED FOR THE OCCASION. THE BEAUTY OF CHARLOTTETOWN WAS OUT IN FULL FORCE, THE RICH COSTUMES OF THE LADIES BLENDED WITH HANDSOME UNIFORMS OF THE NAVAL OFFICERS AS THEY MOVED IN THE MERRY WHIRL, PRESENTING A SERIES OF MOVING PICTURES OF RARE ATTRACTION. ALL THE APPOINTMENTS OF FUNCTION WERE OF THE BEST. THAT THE MUSIC FURNISHED BY THE BAND OF THE FLAGSHIP WAS EXCELLENT GOES WITHOUT SAYING. DANCING WAS KEPT UP WITH GREAT ZEST AND SPIRIT TILL THE MIDNIGHT HOUR WHEN THE GUESTS RELUCTANTLY SEPARATED, ALL MAKING THEIR ADIEU TO THEIR HOST AND HOSTESS WITH MOST HEARTY EXPRESSIONS OF THANKS FOR A MOST ENJOYABLE EVENING.

The ships will sail at High Tide this afternoon, about three o'clock, for Halifax. During their short stay in Charlottetown all have enjoyed themselves to the full and will carry away the pleasantest recollections of our City. The opinion that the citizens hold of the "ars" too is the highest and it may safely be said that a better behaved and manlier crowd of sailors has never come to Charlottetown.

The second misapprehension consists in the fact that the fear is kept alive that their racial peculiarities and traditions are to be extirpated. That is not so. The kingdom of Prussia is composed of many races who are proud of their former history and their individuality. This, however, does not prevent them from being first of good Prussians. It should be the same here. Traditions and recollections may live in peace, but they belong to history, to the past. This day I recognize only Prussians here, and I owe it to the labors of my forefathers to see that this province shall remain irrevocably bound to the Prussian monarchy and that it shall forever be good Prussian and good German soil.

"Temp'ry this this goblet filled with the juice of grapes which ripened on the banks of the beautiful Rhine to the welfare of this province of Poland and its capital on the Warta."

The Emperor's speech to-day was designed to conciliate the Poles, in so far as this could be done by phraseology that did not imply weakness, and yet reaffirmed the continuance of the present policy, including making German the only language of the schools and the administration. Polish newspapers have received the Emperor's speech in silence. Inquiries made among the Poles and Germans of this city indicate that both elements consider the race quarrel in the province as likely to continue, and that it will result in hard feelings and hard usage on both sides, trade and social boycotts, secret societies and the employment of spies.

In view of the unanimous call of the Board of the Board of the Central Methodist church Montreal to Rev. J. W. McConnell to become their pastor which the

REV. J. J. TEASDALE.

reverend gentleman has accepted to take effect in June next the board of Grace church met last night and decided unanimously to extend an invitation to Rev. J. J. Teasdale, Fredericton, formerly pastor of the First Methodist church of this City to become their pastor.

It will be remembered that Rev. Mr. Teasdale succeeded Rev. G. M. Campbell and occupied the pulpit of the First Methodist church for one year. He was then compelled to resign on account of ill health. During his stay in our City, he won golden opinions from all who had the pleasure of hearing or meeting him.

The regular monthly meeting of the School Board was held at eight o'clock last evening—all the members present. The principal reported the enrollment of pupils in the city schools to be 1203. The compulsory clause in the Education Act was discussed but nothing definite was arrived at. Two communications were read—one signed by 21 citizens and rate-payers—the other signed by parents of pupils who attended Mr. Duncan's department last year—asking the Board for an investigation into the charges preferred against Mr. Duncan. After fully considering the matter it was ordered that the communication lie on the table. The consideration of the system of conducting the Savings Bank in Prince Street School, was laid over till next meeting. The question of grading pupils who do not take up the full course prescribed by the Board of Education, was discussed and a decision arrived at as to promotions.

WHY DIM AGAIN

Sir.—If the directors of the Charlottetown Light and Power Company would not take it as an impertinence, I should like to ask why we are again required to go back to the dim dinners of their usual dim light, after the really good light we were treated to on Saturday night last. Yours, CONSUMER OF LIGHT.
