FLOUR: I have received 1,000 bushels and have another on the way of Manitoba No. 1 wheat and with one of the best roller processes in existence I am turning out a grade of flour equal if not superior to the very best grade of flour imported.

Geo. W. Robinson, Summerside, 30434711.

REV. A. E. BURKE, of Alberton has arrived home from Kingston (Ont.), where he attended a meeting of the grand council of the C. M. B. A.

E. B. BARNETT, representing the American Tobacco Company of Montreal, is erecting a sweet caporal electrical sign on W.A. Ching's store, Summerside. This is the first electrical sign that has ever been erected in this town.

Mr. Barnett intends to erect another in Dr. McDonald's drug store.

THE meeting of Sherbrooke School, No. 60 was well attended. The supplement voted was \$25, less than last year; and \$40 was voted for running expenses.

John Harris was elected trustee in place of Geo. D. Brown, whose term has expired. The other trustees are Veniah Milligan and Thos. Laughlin.

THE programme of the remainder of the Farmers' Institute lectures is as follows: Alberton, July 4th, 2.30 and 7.30 p.m.; Palmer Road, July 5th, 2.30 p.m.; Tignish, July 6th, 7.30 p.m.; Fredericton, July 6th, 2.30 p.m.; Summerfield, July 6th, 7.30 p.m., Mayfield, July 7th, 2.30 p.m.; New Glasgow, July 7th, 7.30 p.m.

ON the 19th ult., a special service in memory of Rev. James Murray was held in the Montrose Presbyterian Church.

Mr. Murray was for some time pastor of Montrose, Tignish and Elmisdale. The service was largely attended.

Revs. W. A. Mackay, William Macdonald, and A. D. Macdonald took part in the services.

THE Farmers' Institute meeting held yesterday afternoon at Tignish, was not very well attended, as the farmers have not yet finished putting in their turnips.

At the evening session Mr. Drummond discussed the value of a rotation of crops, in increasing the fertility of the soil.

He goes today to Lower Freetown and Wilnot, tomorrow to Kensington, and Saturday to Otton and long River.

MONDAY the mail train which is attached to the train between Summerside and Tignish was damaged while being shunted and could not be sent to Tignish that night with the foreign mail.

In order to avoid delay Postmaster Wheat sent two clerks to Summerside and on arrival of the Empress they went with the mail to Tignish to assort the letters there that night, so that it could be delivered by first train next morning.

KENSINGTON WATER WORKS.—At a meeting of the rate payers to consider the proposition of a suitable water supply for fire protection as well as domestic use, it was unanimously decided to adopt the plan of W. A. Maclean Water Work Engineer and instruct their Firewardens to immediately prospect and obtain a suitable supply, and proceed to draw up an act of incorporation for the purpose of installing the system.

THE farmers of Fredericton Institute have decided to hold the meeting advertised to be held at Summerfield and Fredericton, at Bradshaw.

These meetings will be held on Friday, July 6th at 2.30 and 7.30 p.m., and will be addressed by Duncan Anderson of Ontario, and Artemus Moffatt. As these meetings have proved exceedingly interesting and instructive to the farmers, so far, wherever they have been held, it is to be hoped that a large representation of the farmers in this vicinity will be present.

A PERSISTENT BACKACHE. Can have but one cause—diseased kidney, which must be strengthened before backache can be cured.

Why not use Dr. Hamilton's Pills? They cure the kidney quick, make them strong and able to resist disease-breeding poisons from the blood.
