

Week's News Budget for Our Saturday Subscribers

Monday

—MAKING SATISFACTORY PROGRESS—Many friends throughout the Province will be delighted to hear that Rev. Mr. Phillips of Alberton is making satisfactory progress in the Prince County Hospital.

—DOING NICELY—The little son, Carl, of Mr. and Mrs. F. E. Bowness of Montrose, who was brought to the Prince County Hospital on Tuesday for an operation, is now doing nicely. Mrs. Bowness who has been staying in Summerside returned home on Saturday.—S.

—STATIONED AT HALIFAX—Mr. Percy Pope, Assistant Receiver-General, is at the present time temporarily stationed at Halifax where he will remain for six weeks, replacing Mr. Johnston, Assistant Receiver-General there who has gone on sick leave to the West Indies.

—CONGRATULATIONS—Mr. Thomas Jackson, son of Lieut. Com. T. H. Scot Jackson and Mrs. Jackson of Summerside, who entered Mount Allison University after the Christmas recess, as a first year student, is to be congratulated on leading his class at the Easter semi-final exams.—S.

FUNERAL YESTERDAY—The funeral of Mr. J. A. McDonald, Provincial Dairy Superintendent, was held yesterday, and was very largely attended. The service at St. Dunstan's Basilica, and at the grave was conducted by Rev. Father Sullivan. The pall bearers were Messrs. R. E. Spillier, Fraser Morrow, Peter C. Traill, Vincent McQuaid, J. J. Trainor, and John McDonald.

PASSED AWAY YESTERDAY—Many friends throughout the province will regret to learn of the death of Miss Mary McDonald, Cardigan, daughter of Hon. John A. McDonald, M. P., and Mrs. McDonald, who passed away yesterday morning at the City Hospital after a brief illness. The deceased, who was only 15 years of age, was a lovable young lady and was a brilliant student at Prince of Wales College. The Guardian tenders sincerest sympathy to the parents and family in their sad bereavement.

The death occurred at noon on Saturday at his home in Summerside of Mr. Ludlow Sharp, son of Mrs. Sharp and the late John A. Sharp, at the age of 50 years. His death was the direct result of a most regrettable accident. On July 9th while driving his team he fell from the wagon in attempting to ward off a dog that was barking furiously at the horse and was dragged some considerable way on his head before help was obtained. In spite of the best medical skill Mr. Sharp never recovered from the terrible effects of the accident and widespread regret is felt in the loss of one of Summerside's best citizens in this sad way. There are left to mourn besides his mother, three sisters and three brothers, namely Mrs. James McKinnon and Dr. Claude Sharp, Edmondson; Mrs. Dr. McNeill, Winnipeg; Dr. Richard Sharp, Providence, R. I.; Dr. Albert Sharp, Beauceville, and Mrs. Sharp at home, to whom the Guardian extends sincere sympathy. The funeral takes place this Monday, afternoon at 2 p. m., from the home to the People's Cemetery, Rev. Mr. Jeans officiating. S.

AT GYRO—At the weekly dinner of the Gyro Club held at the Parker House last evening at which Dr. Trevor Waye presided, the attendance counted ninety-eight per cent of the membership present. President Bill Gillis announced that Mr. Walter McNutt has been made an honorary member of the club with full privileges. The speaker of the evening was Gyro Reg Bell, who gave a very interesting reading as regards to circumstantial evidence in law. Gyro George McLellan favored the members with a song, which was encored. This member FWPY was followed by a much appreciated French Canadian reading by Gyro Harry Jamieson.

To Hon. John A. McDonald and Mrs. McDonald will go the sympathy of many friends throughout the province at the sudden and early passing of their daughter Mary Bourke McDonald who passed away in Charlottetown Hospital Sunday evening. A diligent student at Prince of Wales College, entering that institution from Notre Dame Academy where she won the Governor-General's Medal and a scholarship Miss McDonald won through her lovable and attractive personality many friends to whom news of her death will bring sincere regret.

Enjoying excellent health until Thursday last when she became slightly ill Miss McDonald's condition grew rapidly worse until Saturday morning when on the advice of her physician she was removed to the hospital where she passed away next evening, despite tenderest care and best medical skill.

At the time of her death both parents were absent from the province, in Montreal where they were attending the closing exercises of the Royal Victoria Hospital from which their daughter Barbara was one of the graduates.

Besides her sorrowing parents there are left to mourn, the following brothers and sisters: Barbara in Montreal, Anna, Margaret, John (of the Bank of Montreal staff), Gertrude and David in Charlottetown, and Charles, a student in Dalhousie University, Halifax.

WEATHER FORECAST FOR APRIL 5—1 to 3 rising temperature, 4 to 8 windy cloudy, 9 to 13 cool spell, 14 to 18, foggy, misty, 19 to 22 changeable period, 23 to 26 unsettled cloudy 27 to 30 cool and damp.

SADLY BEREAVED—Many friends here will sympathize with Miss Mona Wilson, in the death of her mother, which sad event occurred in Toronto on Tuesday. Miss Wilson was with her mother during the last days of her illness.

THE FUNERAL OF THE late Elizabeth McMahon was held from the home of her sister Mrs. James E. Bradley Sydney Street, on March 23rd at 3:15 and was largely attended. The service at St. Dunstan's Basilica and at the grave was conducted by Reverend Monsignor Maurice McDonald. The pall bearers were Messrs. Sixtus McLellan, William Moran, Thomas Smith, Thomas Sweeney, John Callaghan, and James H. Monaghan.

INSPECTS PROSPECTIVE LANDING SITES—With a view of locating a proper site for an airport Mr. Irvine of the Canadian Airways, accompanied by Col. D. A. McKinnon inspected a number of fields in the vicinity of the city yesterday. It is the intention to apply for an official inspection of prospective fields, as a site must be passed on by authorities at Ottawa before it can become an official airport. In the meantime Mr. Aubrey Mutt has generously allowed the Airways to land planes on his field at Southport in order to test it. Mr. Irvine arrived in the city at noon and returned to Moncton shortly after five o'clock.

GOOD ROADS REPRESENTATIVE here. Mr. S. L. Squire, Chairman of the Executive of the Canadian Good Roads Association and former Deputy Minister of Highways for Ontario is in the city at the present time in connection with an interprovincial conference to be held in Toronto during the latter part of May with the object of better co-operation between railroads, steamship lines and public highways. It is expected that from this province the representatives will be Hon. J. P. McInyre and Mr. H. H. Shaw. The convention of the Good Roads Association for 1930 will be held at Quebec, the birthplace of the movement. Mr. Squire was present at the annual convention of the Association held here last September.

The main object of the association is uniformity of highways and danger signs in the interest of safety. Mr. Squire was present at the meeting of the Legislature last evening.

—FUNERAL OF MR LUDLOW Sharp—The funeral of Mr. Ludlow Sharp took place from the residence of his mother, Mrs. John A. Sharp, on Spring Street, Summerside on Monday afternoon. The impressive service was conducted by Rev. C. J. St. Clair Jeans, assisted by the choir of the Presbyterian Church and was very largely attended by friends from all parts of the Province. The floral tributes were very beautiful. The honored remains were laid to rest in the family plot at the People's Cemetery. The pall bearers were Messrs. Shelton Sharp, Herbert S. Sharp, Percy Tanton, Ray Tanton, Jarvis Tanton and George Harris.—S.

REGRETTABLE ACCIDENT—A young man, Mr. Nelson Squires, of St. Peter's Bay, was brought to the Prince Edward Island Hospital yesterday with the bones of both legs broken above the ankles. Mr. Squires had been sawing wood when he was caught in a pulley of the mill. Last evening he was reported resting comfortably.

FIRE AT ST CATHERINE'S—On Saturday afternoon the new and completely furnished residence of Mr. J. T. Inman, St. Catherine's, was completely destroyed by fire. The blaze, which was of unknown origin, was discovered about 2 p. m., and had made such headway that to save the building was impossible. Owing to a sale in an adjacent district fire was not available. The loss is estimated at between \$5,000 and \$6,000, only a very small part of which was covered by insurance. The only articles saved were an organ and a few chairs.

LAI D TO REST—All that was mortal of the late Mrs. Sophia E. Robertson was laid to rest yesterday morning in the Roman Catholic Cemetery. The remains were borne by the pall bearers from her late residence to St. Dunstan's Basilica, where a Requiem High Mass was celebrated by Rev. P. McMahon, D. D. The pall bearers were Messrs. Frank McDonald, Gordon Worth, C. J. Galagher, S. F. Doyle, C. J. Moran and Chas. J. Mitchell. Preceding the hearse was a car carrying a profusion of floral tributes. Service at the grave was conducted by Rev. C. McCarthy.

—FAMILY SADLY BEREAVED—The sympathy of the community at Lot 16 is extended to Mr. and Mrs. Frederick McKinnon and family in the death on Sunday of their son, Albert Burleigh, at the early age of 13 years. The deceased had been operated upon in the Prince County Hospital on February 11th, but never fully recovered and gradually failed until the end. He was an exceptionally bright young lad and a general favourite with his school chums and bore his illness with great patience. There are left to mourn, besides his sorrowing parents, seven brothers and one sister, all at home, ranging in age from sixteen years to eight months, respectively, as follows:—Lilah, Percy, Herman, Stanley, Ennis, Lloyd, Lawrence and Wallace. The funeral took place on Tuesday afternoon from the home to the United Church and Cemetery at Lot 16, Rev. Mr. Aitken officiating and was very largely attended. The pallbearers were Messrs. Bayfield Baglole, Sidney Baglole, Charles Campbell and Urban Campbell. S.

HOTEL MAY BE COMPLETED IN JULY—Returning from New York via Montreal last week, Mr. S. A. McDonald, President of the Associated Boards of Trade interviewed in the latter city the manager of the Hotel Department of the Canadian National Railways regarding the Canadian National Hotel here. Mr. McDonald was told that the hotel would probably be opened in July, although there is danger of some delay in connection with the letting of the sub-contracts. The work and plans are being completed with all possible expedition. According to the plans there are to be 110 rooms instead of the 66 originally intended. The main corridor on the lower floor leading to the lounging room will open onto Kent Street. The dining room will be situated to the left rear overlooking the square with a long veranda to the side. To the right will be the Kitchens. Auxiliary kitchens on one of the upper floors will be used on special occasions that the regular routine may not be interrupted. The building of the hotel in this province is attracting much attention in other parts of the Dominion, and is giving the Island much desirable publicity.

—DOING NICELY—Mrs. George P. Grady's many friends in Summerside will be pleased to hear that she is doing nicely after undergoing a slight operation in the Prince County Hospital on Tuesday morning. S.

A BIG LITTER OF FOXES—Mr. W. W. Mutch, Earnsccliffe, has recently opened a fox den and found nine silver fox pups. The mother of these pups is two years old and raised seven splendid pups last year. This makes sixteen pups she has raised in two years which is a good record.

FUNERAL SERVICES—The funeral of the late Elizabeth McMahon was held from the home of her sister, Mrs. James E. Bradley, Sydney Street, on March 23rd at 3:15 and was largely attended. The service at St. Dunstan's Basilica and at the grave was conducted by Reverend Monsignor Maurice McDonald. The pall bearers were Messrs. Sixtus McLellan, William Moran, Thomas Smith, Thomas Sweeney, John Callaghan, and James H. Monaghan.

NEW HEAD OF FIRM —At a meeting of the directors of Prowse Brothers Limited Tuesday, two changes were made necessitated by the death of the president, the late lamented Senator Prowse. Mr. T. W. L. Prowse, the former vice-president, and manager was elected president and manager and Miss Belle Parkman of the office staff secretary treasurer. Miss Parkman has been with the firm for the past ten years and her faithful and efficient services have thus been recognized by promoting her to this position. The president, Mr. Prowse, has been a member of the firm since 1914 and under his efficient and able direction we have no doubt that this well known establishment will continue to go from success to success. Mr. Prowse is to be heartily congratulated on assuming the head of this important mercantile concern.

Friday
Mr. Timothy Young of Glen Forest, who recently went through a serious operation in the P. E. Island Hospital has lately returned to his home. His many friends will be gratified to hear that his progress towards a return to good health is quite encouraging.

Mrs. Campbell, (nee Edith MacNeill) of Ulg and her aunt Mrs. Mary MacLeod also of Ulg, were lately visiting Mrs. Campbell's parents Mr. and Mrs. Murdoch MacNeill of Little Sands. Mrs. Campbell has returned to her home in Ulg but Mrs. MacLeod remains with Mr. and Mrs. MacNeill for a somewhat prolonged sojourn. Mrs. MacLeod was born in the year 1837, the year in which Queen Victoria ascended the throne and considering her great age is surprisingly active and alert, and she has been an observant witness of the great changes that have taken place in her long life.

A few short months ago Murodoch MacPhee of Glen Forest was a very embodiment of health, strong, vigorous, ruddy cheeked and bright-eyed, the tide of life surged through his veins in full flood and now he lies in the cold embrace of death. His death took place in New Hampshire, whether he had gone last fall and was due to typhoid fever. His mother, brother, and sister accompanied the remains to the Island and he was buried in Wood Island Cemetery, last Sunday. Mr. MacPhee was in the prime of life, was of a cheerful, affable and kind disposition, and consequently very well liked by all who knew him. His death will be greatly lamented. To his mother, brothers and sisters the heartfelt sympathy of this community will be extended in their sore bereavement.

The recital given last night by Miss Margaret Sterns, soprano, and Mr. Walter MacNutt, pianist, was greatly enjoyed by a very appreciative audience.

Miss Sterns has a voice of rare sweetness, well placed and controlled, which she used with charming effect in every number of her excellently balanced program.

The Brahms songs were particularly well rendered and also the old English and Irish airs in their modern arrangements. The modern songs by Cyril Scott, Egar and Cadman, were very beautifully interpreted, displaying Miss Sterns' perfect diction and lovely tone.

Mr. MacNutt's playing deserves unreserved praise. He was heard to best advantage in his modern music, especially "The Gulliwog's Cack Walk" which he played with great brilliancy. His interpretation of "Elfin Tans" composed by Mr. Fred Morris, gave as his opinion that as Canada became richer in tradition, the ex-

were quite delightful. Mr. MacNutt's accompaniments were artistically played.

—FOUND NOT GUILTY—Davis MacNeill, Summerside, charged with perjury, was found not guilty by Judge Inman in Summerside Court yesterday. His Honor said that there was a great deal of conflicting evidence and he would give the prisoner the benefit of the doubt.

After a lingering illness extending over a period of more than two years, Miss Katie MacKensie, of Little Sands passed away on the 31st of March. Not only was her illness of long duration but latterly she unfortunately suffered considerable pain and distress. She was a lady of advanced years and now her spirit has departed to that happier land in which she had always placed her hope.

"Resolved that this meeting of citizens called for the purpose of considering the advisability of adopting daylight saving for the city of Charlottetown strongly approve of the idea and recommend its adoption. And further resolved that a committee of three be appointed from the meeting to wait on the city council requesting them to pass a city-by-law adopting daylight saving for this city by advancing the time one hour and that said by-law becoming operative each year from May 1 to Sept. 30, both dates inclusive."

—MEMORIAL APPRECIATED—At the regular services, March 30th, in the North Bedouque and Free-town United Church services, reference was made to the action of the session in providing memorials of a more permanent and useful character than the usual wreath of flowers for their departed brother, T. J. Humphrey. These memorials had been secured and were present; a pair of offering plates in the North Bedouque Church, and a Table for Communion purposes in Free-town. The plates are made of velvet-finish aluminum, non-tarnishing, with a removable silk plush pad in the bottom. The table is of oak, in a dark stain. These will be regular reminders of one who took a deep interest in the church and the cause for which it stands.

INSTITUTE WORK—The Cornwall-York Point Women's Institute met with Mrs. Annie MacDonnell, Cornwall, March 10th. Meeting opened by singing Old Kentucky Home and reading the Creed. Fifteen members answered the roll call with suggestions for improving our Institute. It was passed that the bookcase for York Point School be paid for, this Institute having already provided the school with the School Library. Also passed that new blinds be bought for Cornwall School. Reports given by sick, resolution, and school committees. The sum \$97 was reported as proceeds of box social and concert held in Cornwall Hall, March 4th. Plans for improvements on Hall discussed and committees appointed to get estimate of building a kitchen on hall and report at next meeting which will be held at Mrs. Aubrey MacPhail's, York Point. Roll call to be answered with home cleaning hints.

The senior pupils of Queen Square School were addressed yesterday afternoon by Rev. Father McKensie of St. Dunstan's University. Father McKensie, who took as his subject Canadian Literature, explained how Canada, with its steady expansion and its growth of tradition is gradually developing a literature that is commanding the attention of the world. He discussed the work of outstanding Canadian poets—Roberts, Lampman, Drummond, Carman, Plekhal and others and read several poems to indicate the high level to which many of our Canadian poets have attained.

Referring to the prose literature of Canada, the speaker said that work of great merit is being produced. Since the days of Halliburton many Canadian writers have won international distinction, and today Canada is giving to the world prose writing of a high literary value. He referred briefly to the work of Parker, Montgomery, de la Roche and others, and to illustrate humor in literature, read a brief sketch by Stephen Leacock, to the great delight of his listeners.

Father McKensie concluded his instructive address by paying a tribute to our Island authors, many of whom have won great distinction by their writings. He exhorted the boys to cultivate an acquaintance with Canadian authors of merit as their works contain much both in poetry and prose, that is beautiful, inspiring and instructive. And he gave as his opinion that as Canada became richer in tradition, the ex-

cellence of its literature would increase.

At the conclusion of the address a vote of thanks, moved by Eric Robin and seconded by Alan Clarkin.

ISLANDER IN CHARGE —The Brookfield Creameries, Ltd., took control of the dairy business of Bidden's Ltd., in Amherst, Wednesday morning, and in future the local concern will be known as the Amherst Creamery, Ltd. R. B. McLennan, of Truro, president of the Brookfield Creameries, arrived in town today and acquainted himself with the employees and equipment of the Amherst plant. During the week he expects his son, Charles McLennan, to accept the temporary management of the Amherst industry. The permanent position will be taken by Lee Gamble, of Summerside, who now has charge of a creamery in Prince Edward Island. Mr. Gamble will take over control this month.—St. John Telegraph Journal.

(Special to the Guardian)
SUMMERSIDE, April 3.—The regular monthly meeting of the Summerside Board of Trade was held this evening with a fair attendance. Routine business was transacted. Consequently to a discussion at last month's meeting it was decided to revert to original plan and to hold quarterly general meetings of the board in January, April, July and October, with monthly meetings of the Council. The desire was expressed to make these quarterly meetings of sufficient interest to attract a larger part of the membership.

The question of providing an airport in Summerside was discussed and a resolution passed approving the proposal to obtaining a suitable landing field so that the air mail service to Summerside may be continued, and offering the support of the Board to the project.—S.

SUMMERSIDE, April 3.—Mr. Edward Jelly, one of Summerside's best known citizens died suddenly tonight at his residence on Convent St., at the age of 67 years. At about 9 o'clock he was suddenly stricken with paralysis and passed away almost immediately. The deceased had resided at Summerside for many years and was an expert accountant having been bookkeeper for several of the leading firms in the west of the Province and for some years past occupied that position with Mr. R. T. Morrison, Water Street, Summerside. He leaves to mourn a widow, formerly Mrs. MacLeod of Park Corner, but no family; also three brothers and three sisters namely: Herbert, of O'Leary, George, of St. Eleanors; Tyles, in Ontario; Mrs. McWilliams of Orlinton, Mass. Mrs. Swaby Jelly, Mrs. Chester Wynde, of Kiebee, Manitoba, Mr. C. B. Jelly principal of the Summerside High School is a nephew of the deceased.

The funeral takes place on Saturday at 2 p. m., from the home to the Central Christian Church and thence to the People's Cemetery, Rev. A. E. Smith, officiating.—S.

Originating in apparently either Hooper's Barber Shop or Livingstone's Candy Store, sweeping through the upper stories of the clothing establishment of D. A. Bruce and the building occupied by Sam Lee's Laundry a fire, which was discovered about 10:30 last evening, did considerable damage, as a direct result of the flames which gutted the buildings, and as a result of enormous quantities of water which was poured on the fire in four streams for two hours and one half.

When the fire was discovered it had made considerable headway and was spreading rapidly, especially through the centre and rear of the buildings involved.

The attention of the firemen working from Queen Street, was first directed to Hooper's Barber Shop and Livingstone's Candy Store. While the fire was being extinguished in the lower floor of these establishments it made considerable headway into the second story of the clothing store of D. A. Bruce, and into the second and third stories of the building occupied by Sam Lee's Laundry. The flames in the latter two buildings were fought from both front and rear and were extinguished only after a most stubborn fight.

The clothing on the lower floor of D. A. Bruce's was removed to the City Cafe across the street and was practically all saved. However, the goods on the second story were a total loss from fire and water. The total value of the goods in the building was in the vicinity of \$12,000, part of which was covered by insurance.

The interior of Hooper's Barber Shop was badly damaged by the flames, a looking glass, three chairs and the tonsorial paraphernalia being almost a total loss.

The stock in Livingstone's Candy Store, valued at \$3,000 also sustained

Eczema on Hands. Unable to Work. Healed by Cuticura.

"Eczema broke out on my face and was in the form of a rash. I used to scratch it and the irritation was sometimes unbearable. The eczema spread to my hands and I was unable to do my regular work or put my hands in water for over a month. They were so sore that I wore rubber gloves when I did any work."

"I read an advertisement for Cuticura Soap and Ointment so purchased some. After the first application I got relief and in two months I was completely healed." (Signed) Mrs. William Coward, R. R. 1, Ligar, Que.

considerable damage from fire, while that of the Brady Shoe Store, adjoining D. A. Bruce's was considerably damaged by water. The latter establishment, however, was not touched by the flames.

All the laundry in E. A. Lee's establishment was removed safely.

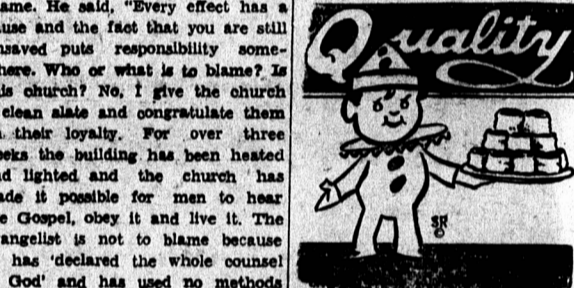

Police Officer Trainor, who supervised the removal of the clothing, deserves great credit for the systematic way in which the work of salvage was conducted.

It is understood that the Bruce Building occupied by the establishments of Livingstone and Hooper and Sam Lee was to be removed this summer. The total damage done to the building at the time of writing is impossible to ascertain, as is also that to the other building belonging to Mr. George Hughes.

Last night's meeting in the Central Christian Church closed the series conducted by Dr. and Mrs. R. F. Whiston and a large audience marked "finis" to one of the most constructive meetings ever held by the Church. Dr. Whiston is a live wire modern speaker but conservative in his statements and intensely scriptural. He states that it is no sin to make the great truths of the Bible interesting, so he dresses them up with a modern appeal. In his last sermon he placed responsibility for the fact that many had heard the Gospel and had rejected it, stating that in the final analysis it was the individual himself who was to blame. He said, "Every effect has a cause and the fact that you are still unsaved puts responsibility somewhere. Who or what is to blame? Is this Church? No, I give the church a clean slate and congratulate them on their loyalty. For over three weeks the building has been heated and lighted and the church has made it possible for men to hear the Gospel, obey it and live it. The evangelist is not to blame because he has declared the whole counsel of God and has used no methods and preached no Gospel that would not bear the light of the Acts of the Apostles. Our heavenly Father is not to blame because he gave all He had. The individual is to blame. God cannot save the man who won't. The saved are the whosoever will and the unsaved are the whosoever won't."

Dr. and Mrs. Whiston will remain on the Island for the year, serving the Christian Churches in the Province as Evangelists-Secy. On Sunday the 6th, he speaks at Montague, the 13th, at Cross Roads and begins a meeting with the Summerside Church on the 20th. He will make his home and headquarters at Charlottetown. At the close of the service last night five candidates were baptized and one took membership making in all thirty eight who were added to the membership of the Church since the meetings began.
