FOR DANDRUFF; FALLING HAIR OR ITCHY SCALP—25 CENT "DANDERINE"

Save your hair! Danderine destroys dandruff and stops falling hair at once—Grows hair, we prove it.

If you care for heavy hair, that glistens with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous you must use Danderine, because nothing else accomplishes so much for the hair.

Just one application of Knowlton's Danderine will double the beauty of your hair, besides it immediately dissolves every particle of dandruff; you cannot have nice, heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots famish, loosen and die; then the hair falls out fast.

If your hair has been neglected and is thin, faded, dry, scraggy or too oily, don't hesitate, but get a 25 cent bottle of Knowlton's Danderine at any drug store or toilet counter; apply a little as directed and ten minutes after you will say this was the best investment you ever made.

We sincerely believe, regardless of everything else advertised that if you desire soft, lustrous, beautiful hair and lots of it—no dandruff—no itching scalp and no more falling hair—you must use Knowlton's Danderine. If eventually—why not now? A 25 cent bottle will truly amaze you.

"CASCARETS" FOR A SICK, SOUR STOMACH

Sluggish bowel cause gases, sourness and food fermentation.

That awful sourness, belching of acid and foul gases; that pain in the pit of the stomach, the heartburn, nervousness, nausea, bloating after eating, feeling of fullness, dizziness and sick headache, means a disordered stomach, which cannot be regulated until you remove the cause. It isn't your stomach's fault. Your stomach is as good as any.

Try Cascarets, they immediately cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry off the constipated waste matter and poison from the intestines and bowels. Then your stomach trouble is ended. A Cascaret tonight will straighten you out by morning—a 10 cent box from any drug store will keep your stomach sweet; liver and bowels regular for months. Don't forget the children—their little insides need a good, gentle, cleansing, too.
