

TALCUM DAYS

Warm weather brings need of a pure talcum powder, a powder that won't streak or dissolve in perspiration, that prevents chafing, that is perfect for all toilet purposes. We recommend one of the following.

- Nyala Red Rose, Minty Rose, Violet or Lilac, Rigada Lilac or Mary Garden, Jergina Rose or Violet, Sashy Lotus or Luxury, Juba Trailing Arbutus, Colgate nine kinds, Phoenix Snow Boquet, Nyala Mayflower, Royal Rose, Djer Kiss, Nyala Nyaletic, Euthymol.

All these talcs are reliable and list includes a large variety of delicate odors.

COAL, THINK IT OVER!

The schooner E. Marie Brown is now due from New York with a cargo of 625 tons anthracite coal in stove and chestnut sizes. She will be followed by the Nineta M. Porcella, with 825 tons, and we have closed another schooner of 1,000 tons to load latter part of this month.

This coal is all of highest American grade, and will be sold at lowest possible prices while discharging. Parties requiring anthracite coal cannot do better than book their orders and take delivery now, as prices will advance later on.

We have also a stock of good soft coal on hand, and to arrive, suitable for domestic and steam purposes. There is a cold winter ahead, so in order to be prepared for it, we would suggest putting in your coal early, as owing to present conditions one cannot tell about the coal supply later on. Book your orders with

THE ARGUMENT of the man who has dollars behind him is apt to be very convincing.

WE'LL never believe that summer is half over until we see bathing suits marked down to half price in the store-windows. THE CANADIANS have been ordered to the Somme. The result will probably be to give the Kaiser another attack of in-Somme-itis. IF there are any pessimistic about the war they should look at a postage stamp. The King is on the side that is not looked.

MY FIRST CIGAR.

A quiet eye beneath the stars, with brother Steve and two cigars. Behind the shed we slowly creep; the folks asleep I strike a light with shaking hand, in such a fright, I scarce can stand. Like veterans grim, we puff the smoke; my eyes grow dim, I almost choke. Another, and another pull. How bitter sweet! My mouth is full of the biting weed. My stomach turns—oh, my, how sick My throat too burns. I help me, quick! I roll, I squirm, just like a worm on fishing hook, I cry for Steve—my cry's in vain; I see him heave with awful strain. When hope is fled there breaks a light, behind that shed upon our plight and dad is here; as forth we crawl, he grabs my ear, let curtain fall. An interview next morn we had. Our words were few; but then our dad behind that shed—I see it yet, and till I'm dead our first cigar I'll clear I'll not forget.

How Fat Folks May Become Thin

Perhaps you are suddenly becoming stout, or it may be that you have been putting on weight for years. In either case the cause is the same—lack of oxygen-carrying power of the blood. This trouble occurs in adults of both sexes and all ages, but it may be overcome very easily and without any of the privations that most people imagine necessary to reduce their weight. Simply go to your druggist and get some of our orlene capsules. Take one after each meal and one before going to bed. Weight yourself so as to know just how fast you are losing weight. Wonderful results have been accomplished by this inexpensive recipe, but be sure to get the genuine oil or orlene in capsule form. It is sold only in original sealed packages. Any large druggist can supply you, or a large size box will be sent on receipt of \$1.00. Address D. J. Little Drug Co., Box 1240 Montreal, Can.

SOMETIMES hope springs so high that it bumps its head against the ceiling and so suffers a temporary eclipse.

SUMMONSES have been issued for overdue fox taxes. Surely this does not mean that the fox business does not pay.

SPEEDING ON THE BRIDGE. The Hillsboro bridge is not a place for guys their speedy nags to race—There'd be some row if auto-crates, The same busted peoples stay.

AUTO bandits made a haul of \$37,000 in Detroit the other day and escaped in the car. Another testimonial to the convenience and fine speed qualities of the modern method of locomotion.

PARADOXICAL. If about debt you think a bit, This paradox you'll find, The faster you run into it, The more you get behind.

ON ACCOUNT OF THE WAR. John Brown cannot pay me the money he owes. "On account of the war." The cook wants ten dollars a week, or she goes. "On account of the war." The baker reduces the weight of the bread. The butcher sends steak that could muster as lead. The tailor's wool suits are of shoddy instead. "On account of the war."

The timer can't patch up my roof where it leaks. "On account of the war." The car that I bought will not come for six weeks. "On account of the war." The cost of my shoes mounts each time that I buy. The price on drugs are prodigiously high. But when I demure I received the reply. "On account of the war."

And what can I do when they airly say. "On account of the war." What else can I do but obligingly pay. "On account of the war." Yet often I wonder what some folks will do When all the world with its warfare is through. And they can no longer pass by in review. "On account of the war." —New York Sun.
