ANNA HELD AT B. F. KEITH'S THEATRE, BOSTON

Anna Held, the most famous star in the musical comedy world, will make her vaudeville debut at B. F. Keith's Theatre the week of March 16th. Miss Held is in many respects the most remarkable attraction ever engaged in vaudeville. As the star of "Papa's Wife," "The Little Duchess," and "The Parisienne Model," Miss Held was for years the best advertised and most popular star on the musical comedy stage. It was only by rare good luck that Mr. Keith was able to enter into arrangements with Miss Held's manager, Florenz Ziegfeld, Jr., for a brief tour in vaudeville. At B. F. Keith's Theatre Miss Held will sing a repertoire of original songs written for her, in her own inimitable style while her sartorial display, as usual, will be superlatively gorgeous. Miss Anna Held's engagement at B. F. Keith's Theatre is positively limited to one week only, and those who

WOMAN'S HAIR REACHES TO KNEES

A Year Ago Was Threatened With Baldness. Tells How She Made Her Hair Grow

Mrs. Esther Emery, now visiting friends in the city, is the fortunate possessor of marvellously beautiful hair, which, when loosened from its coils, falls to her knees. Moreover it is of soft, silky and fluffy texture and in color a glorious glossy gold. Yet just one year ago she was threatened with baldness. Urged to tell how she had obtained this wonderful growth in so short a time, she said: "Had anyone told me such marvellous results could be accomplished so quickly, I positively would not have believed it. Twelve months ago my hair, which then reached barely to my shoulders, was falling out at an alarming rate and growing very thin, actually exposing the bald scalp in several spots. It was dull and lifeless in color, turning grey in patches, and very dry and brittle. My head was covered with dandruff and itched like mad all the time. I tried fully a dozen different hair tonics, but they were all the same and never did me a bit of good. One day I chanced to read in my home paper of a simple home prescription to make the hair grow that was recommended by a well known physician. It said that by taking ordinary Lavona de Composee and mixing with Bay Rum and Menthol Crystals and applying to the scalp each night with the finger tips that new hair would grow very rapidly. I decided to try it and I had my druggist mix 2 oz. of the Lavona de Composee with 6 oz. of Bay Rum and 1/4 drachm of Menthol Crystals, and started to use it. My hair stopped falling, the itching ceased and the dandruff disappeared. Then tiny little hairs appeared all over my scalp. These grew and grew as though nothing would ever stop them. They are growing yet, and while, of course, I have used the treatment steadily and expect to continue it at least until my hair reaches the floor, I might have stopped and been perfectly satisfied at the end of three months. I think that any woman can get long, thick, beautiful hair by using this prescription as I have recommended it to several friends and all are delighted with the result. The prescription is very inexpensive and any druggist can fill it."

wish to see her during this engagement will do well to order their seats in advance, as the indications already are that Miss Held will play to record-breaking houses. The surrounding bill abounds in comedy numbers, including Charles and Fanny Van in "From Stage Carpenter To Actor," The Wilson Brothers, German comedians and yoddlers; Francis McGee & Co. "The Cop," supported by a large and thoroughly competent company of players; Anita Diaz's Monkeys in wonderful Siamese tricks; the DeVoe Trio of aerialists; Ward and Cullen, in a polite pianosongologue; Marconi Brothers; the Italian street musicians; and "Valveno" and Lamore; "Bumping the bumps."

Practical Fashion Hints
By Alice Gibson

Among the new blouses one sees quite a number of colored ones. Delicate yellows, greens and rose colors in the cotton voles, in the crepes and colored linen blouses, are being shown in the shops.

No. 7636 is an excellent design for voile or thin linen. There is a yoke extending across the shoulders into which the body of the blouse is gathered; the sleeve is slightly full, top and bottom, and may be long or three-quarters as preferred.

A very pretty blouse could be developed in pink voile after this design, with a row of white bone buttons down the front. The small, round collar and the narrow turned back cuffs, would be dainty in white batiste. A practical way of fastening on these bone buttons is to run a narrow piece of linen tape down the front of the blouse, bringing it through the buttons at regular distances on the right side. This blouse may be made in size 36, with 3 1/2 yards of 36 inch material. The pattern is cut in 5 sizes; 34 to 42.

This Is a Perfect Pattern.

Be sure to state right size, measuring over the fullest part of the bust for dimensions.

It may be obtained by filling out the coupon and enclosing 15 cents in stamps or coin to the Pattern Department of this paper.

to first principles in presenting an all-star bill of eight headline acts, the management figuring that eight acts of quality are better than twelve acts of mediocrity. Feature comedy photo plays will be presented during intermission and elaborate scheduled program. In the largest letters on the electric sign, will be found the name of Clara Rochester, the beautiful double-voiced singer, whose phenomenal high and low notes were the sensation of Lew Fields' recent production of "All Aboard." Miss Rochester has already established an enviable reputation for her judicious selection of numbers and the elaborate simplicity of her wardrobe. Next in importance will be Ba. A. Rolfe's masterful song and dance ensemble, "Arcadie." LuLu McConnell and Grant Simpson will regale with their breezy methods in the sprightly comedietta, "The Right Girl." Charles and Fanny Van have brought the old act "From Stage Carpenter to Actor," strictly down to date; Ward and Curran will prove themselves the same big favorites; Ninerva Courtney and Harry Irwin and Company will appear in "A Prairie Romance," the Giovanni Troupe are said to be Italian editions of the famous Hungarian Brothers, and the DeVoe Trio will prove sensations on the frying rings.

'Nerviline' Cures Cramps End Misery Instantly

NO REMEDY SO SPEEDY OR EFFICIENT.

A real cramp cure? Yes, a real one—in a twinkling the cramp is a dead one, and the last squirm is over, once you get a snid dose of Nerviline on the inside.

"This isn't mere talk—it's a solid, truthful fact. No other remedy—not a single one—will cure cramps so quickly and harmlessly as Nerviline. It hits the spot in a jiffy and saves a heap of misery.

"Last Saturday night my stomach felt like an infernal machine," writes T. P. Granger from Hartford. "I was awakened from a sound sleep and found myself suffering the worst kind of torture. I was so doubled up I could hardly cross my room. I had used Nerviline before for the same thing and took a real good dose. Once I felt the warm, soothing sensation of Nerviline in my stomach I knew I was all right. It finished the cramps—just one single dose."

Sickness at night is rendered a nightmare of the past if Nerviline is handy. It may be earache, toothache or cramps. Nerviline in every case will cure at once and save calling the doctor. Nerviline is a family physician in itself. The large 50c. family size bottle, of course, is most economical. Small trial size costs a quarter. All dealers sell Nerviline.
