All-Star Teams In 3-All Baseball Game At S'side Yesterday

The All Stars from Charlottetown played a nine-inning 3-all tie with the Summerside All Stars on the latter's home diamond last night in the second exhibition game between these two teams this year. Pony Daley went the route for the homesters as did Charlie Ryan for the visitors.

The Summerside nine drew first blood scoring a single counter in the second inning, Gaudet getting a life when MacKenzie, covering first dropped Ryan's throw. Benny Grady drove him home with a single between first and second. The visitors knotted it up in the fifth, McKinnon first man up getting a safety, going to second without a play being made on him and romping home just before Hennessey was called out at second trying to stretch his hit to a double.

Charlottetown went out in front in their half of the seventh. Matheson walked and Goodwin singled, Matheson reaching third. The next three batters struck out, but a wild pitch by Daley and a passed ball by Schurman allowed Matheson and Goodwin to score.

Summerside tied it up again in their half, Carson getting a single and Gaudet sending him all the way around with a hard hit triple to right, Gaudet coming home when Matheson dropped Ward's relay—in from deep right field.

In the fourth inning Whitlock slammed one over the centrefielder's head but was out sliding into the home plate.

Highest congratulations are in order to young Cec Dowling of the Belevedere Golf Club on his winning of the New Brunswick-P.E.I. amateur golf title yesterday afternoon and with it the Open title over a field of 139 golfers. The young shot maker was full credit for his victory. His drives were long booming, ones; his approaches were near perfect and while his putter yesterday lacked some of the magic it had contained on the previous day it was still good enough for him to come in with a sparkling 74, two over the par 72 course.

✣ ✣ ✣ ✣

The big crowd that was following the Dowling three-some around the course could almost sense the double triumph that was in the making. As the leader kept shooting near par golf it was evident that his six stroke amateur lead would not be seriously threatened and from time to time messages came forward as to how the pros were faring.

✣ ✣ ✣ ✣

When the amateurs were on the last lap of their eighteen it became a question, not as to whether Dowling would win the amateur but would he be able to keep his one stroke lead over the pro leader intact. As the 18th was reached it was sensed that Dowling was coming through with another record-equalling performance and when he sank his par four on the last hole he immediately was showered with the deserving congratulations.

✣ ✣ ✣ ✣

The three day tournament, featuring as it did a record entry list for a Maritime golf tournament was highly successful from start to finish with some really brilliant golf being displayed and Dowling equalling the course record of 69 in the course of his twin triumph. Everything connected with the handling of a tournament of this kind was run off in a smooth, efficient manner and all connected with its staging are deserving of commendation for the success of their efforts.

✣ ✣ ✣ ✣

Rovers and Millionaires will have another go at playing their postponed City Baseball league game at the Memorial Field diamond tonight. Tuesday's postponement marked the fifth time this season that the Millionaires have run into weather trouble and they are keeping their fingers crossed in regard to tonight's game hoping that the weatherman will cooperate in aiding them in getting some much needed competition.

✣ ✣ ✣ ✣

Last night's junior game between the Recce and K. of C. teams was also postponed due to unavoidable circumstances and it is likely that the two teams will now wind up the first section of their league on Friday night, setting the stage for the opening of the second on next Monday evening.

✣ ✣ ✣ ✣

Tennis players who have been getting in practice games at every opportunity the past few weeks will swing into scheduled competition beginning July 17th when the Charlottetown Club will get their annual club tournament underway. The date is much earlier than the ones formerly used but has been set so as to give players needed tournament experience and better fit them for the Island Open tournament which is expected to be staged here the first week of August.

✣ ✣ ✣ ✣

This open tournament was revived here last year after an absence of several years and although the attendance by New Brunswick and Nova Scotia stars was not an outstanding one club officials felt that a real good start had been made. This season with much more interest being evidenced by the members and with all six courts in tip top shape an effort will be made to have the tournament brought up to the standards of former ones and with the tentative dates set being before the New Brunswick and Nova Scotia tournament club officials are confident of getting a big representation from each of the sister Provinces.

✣ ✣ ✣ ✣

Interest is increasing in leaps and bounds in the boxing school for amateur boxers being conducted by Gus Longaphie at the Armouries the past month or so. The youngsters, some of which are already showing great promise train under the supervision of Longaphie three nights a week and in the instructor's own words "If they stick to strict training in the matter of a few more months the City will have plenty of capable amateur mitt-slingers around."

• • •

So fast have some of the boys advanced that a team to be selected by Gus will meet a team of amateurs from Moncton on or about the 20th of this month. A ring will be erected at the Armouries today and boxing fans who like seeing the amateurs in action should make it a point to be on hand when the date of the tournament rolls around. Around fifteen youngsters are at present taking advantage of the class.

Major Gormley Wins Match

By H. L. Jones

BISLEY CAMP, England, July 7 — (CP) — A trio of Canadian marksmen scored a perfect 35 today at 500 and 200 yards on Bisley's crowded ranges in tune-up practices for Saturday's opening major event of the empire meeting of the National Rifle Association.

Sgt. Martin Ostergaard, Calgary carpenter, registered perfect scores at both ranges. Capt. R. W. Hapton, a tall, quiet-spoken Ottawan, scored a possible at 200 yards as did Capt. C. W. Spencer, also of Ottawa, at 500 yards. Neither Ostergaard nor Hapton is a member of the official Canadian Army team.

In earlier sweepstakes practices, Maj. A. F. Gormley of Charlottetown won a match and a prize of £2 ($8) with a 34 at 600 yards.

Matches today were given over mainly to school an British services competition.

Second sackers next issue!

Had a brief talk with Dillon McNally, who is home visiting his parents. Dillon, as sports followers know, tries out in the Ranger pre-season hockey school next fall. "Teeter" Kennedy was talking with MacNally and advised him to stay in condition during the off season so as to be right in the pink when his try-out comes up. Dillon is enthusiastic about the way coaches go about their work in Central Canada. No doubt a big improvement will be noticed here after the school for coaches is held in Charlottetown next fall.

Sports College Playbetter No. 3, "How To Play Better Baseball" says: "Always take a high fly above your head, or at head level. Then, if you fumble it you still have a chance to make another grab for it." The only local outfielder whom we can recall offhand as playing a high fly that way is Carson, left fielder of the R.C.A.F. and of the All-Stars. MacMurdo, who rarely drops one, catches 'em low, as does Henry Gallant, Brawley and other good ball hawks. We don't seem to remember how Russ Phaneuf catches them, but he certainly snags 'em some way or other. He caught the "1947 Island Championship" fly, didn't he? "Phaneuf said", we were going to add, but you can get hanged for committing puns like that in Russia.

Softball has been a dead issue for a considerable time in local circles, but there are rumblings of a comeback among the senior girls. They expect to line up a team in the near future, with Freddie Foy, airforce catcher and keystone sacker, as coach. The team will be built around the nucleus of the old Ranger team and will include, among others, Barbara Currie, hard-hitting first baseman of Hank Landry's defunct Ranger aggregation. Barbara had the distinction of being the only girl to win an "A" for athletics in Summerside High School this year, getting the award for her skill and achievements in badminton. She was the only rose among a thorny group of masculinity that won honors for their participation in hockey and football.

Curling enthusiasts will have a brand new home for their sport in Summerside next year. The new structure is going up rapidly and it is understood there will be facilities for artificial ice.

Decide Dates For Annual Tennis Tourney

At a meeting of the Charlottetown Tennis Club executive last night it was decided to hold the annual Club Tournament beginning Saturday, July 17th.

At the same meeting authority in the way of an invitation was extended to the executive of the Prince Edward Island Tennis Association to stage the annual Island Open Tournament on the Charlottetown Club courts which is expected to be held the first week of August prior to the Nova Scotia and New Brunswick matches.

It was decided to hold the Club tournament earlier than in previous years primarily to give club members tournament experience and competitive play prior to the Island Open matches which will likely begin at the close of the Club tournament.

Herbert Hughes was appointed chairman of the Tournament committee and he announced that entries will be accepted immediately for men's singles, ladies singles, men's and ladies doubles. Closing entry date is Friday, July 16th and first round matches will be published Saturday morning, July 17th.

Climaxes Three Day N.B.-P.E.I. Tournament With Twin Victory

Cool, methodical Cec Dowling, stroking the tough Belvedere Golf Course like a veteran and chalking-up two rounds of 37 yesterday climaxed three great days of golf when he captured the New Brunswick-P.E.I. golf title from a field of 139 Maritime golfing stars, spread-eagling the field as his 54-hole total of 220 was fourteen strokes better than the runner-ups score. But that wasn't all for the young shot-maker who graduated from the junior ranks this season. As a climax to his sensational work, he topped Zas Zabowski, Halifax professional for the Open crown also to make it a double triumph, a triumph that has been seldom achieved in the annals of New Brunswick-P.E.I. golf association play.

Acting as if there were ice water in his veins, Dowling started off his clinching rounds by matching par for the first three holes; he took one over on the fourth but after again equalling par on the fifth was back on even footing with a birdie on the sixth. On the seventh and eighth he ran into difficulties as he went two strokes over but gambling with a wood shot on the ninth when laying in the rough, he shot the hole in par to card a 37 for the first nine.

SHOWS TOP FORM

On the incoming nine he was master of every situation. On the 12th he took one over when his long putt rimmed the cup; he stroked the next three in par and was back on even terms with par when he sank a birdie on the tough seventeenth and wound up his display by hitting par on the eighteenth. Dowling might have been one under for the nine holes but on the sixteenth his shot again rimmed the cup robbing him of another birdie.

Steadiness was the big factor in Dowling's twin victory. Several times he found himself in trouble as he went into the rough or a sand trap but always he came out with sparkling shots that usually saw him winding up with par for the hole he was shooting. But while Dowling's performance was the highlight of the tournament as far as actual scoring was concerned, yesterday he had to take second place to L.E. Beatty of the Woodstock Club. Beatty, who had finished eighth in the first two days and missed the championship flight really came into his own yesterday as he blazed over the eighteen holes with a 73, one above par to grab the runner-up spot from G.J. Campbell of the Algonquin Club. Campbell who soared to an 80 yesterday dropped back to seventh place with "Pud" Beer moving up to third, Eddie Crowell, former Nova Scotia champion and who also shot some great golf yesterday was fourth with Pete Kelly fifth and Art McKenzie, another Charlottetown Club member moving into sixth place.

A cold cross-wind made conditions anything but ideal yesterday with but half a dozen amateurs able to get in under the 80's but nevertheless some brilliant shot making was witnessed by the large crowd that followed the golfers around.

The following telegram was received yesterday by Mr. Jack Hellofs of the Belvedere Club and speaks for itself.

"Charlottetown has done it again. Congratulations once more establishing a Maritime record for entries in a provincial tournament. On behalf of Royal Canadian Golf Association I ask you to express to your officers and members our appreciation of the good work your club is doing in fostering Maritime golf.

(Sgd.) Frank N. Robertson, Pres. Royal Can. Golf Assoc.

ZABOWSKI LEADS PROS

Zas Zabowski, adding a 76 to his previous two day total of 147 captured the professional title with 222, two more than Dowling's total but thirteen strokes in advance of Charlottetown's Jimmy Walker whose 80 yesterday enabled him to beat out Archie Skinner of the Algonquin Club for the runner-up spot, Skinner's total was 236.

As was expected Bill Thompson of Saint John's Riverside Club captured the junior crown and with it a trip to the Dominion Championships at Hamilton, Ont. this month. The young shotsmith's rounds of 80-82-85 for a total of 247 was 18 strokes better than F. Dempsey's of the Moncton Club.

"Skip" Sear led the three Charlottetown juniors as he captured third place in the standing with 269.

Charlottetown won its second title when Jack Hellofs, Club president shot an 81 yesterday to win the senior competition, open to golfers 50 years or over. Hellofs, who entered the final day tailing the leader, J. Hartt of the Aroostock Valley Club by eight points captured the title when the visiting golfer zoomed to a 91 over Belvedere's wind-swept course.

Local golfers gained their third victory of the tournament when Belvedere's No. 1 team composed of Maurice Dowling, Cec. Dowling, Art McKenzie and Bill Beer captured the team prize with a gross of 944 for the three day's play with the local No. 3 team made up of Frank McInnis, Doug Pierce, "Skip" Sear and Irv Praught having the lowest net in the team competition.

PRIZES PRESENTED

Following the sinking of the last putt the presentation of trophies and prizes took place in the Club House. The function was presided over by Mr. Campbell, President of the N.B.-P.E.I. Golf Association who introduced His Honor Lieutenant Governor Bernard. Governor Bernard in a few brief remarks complimented the officers of the Belvedere Club on the success they had attained in staging such a successful tournament stating that the record entry list received and the brand of golf played spoke well for the Club and the success of the game.

Following is a list of the winners and trophies:
