BOAT RACES HELD AT ALBERTON

A large crowd gathered on the beautiful Mill River shore Saturday afternoon to witness the first Fishermen's Boat Race ever held there, which was sponsored by the Alberton and West Prince Boards of Trade. The classes consisted of six-cylinder and eight-cylinder engine boats and a free-for-all race which caused lots of excitement, especially the free-for-all. The races started from Pat's shore to Maurice's beach and back, and it took real precaution from the man at the controls to avoid bumps as each owner was trying his best to gain a few feet ahead of the other in order to get the last ounce of his engine speed. However, Maurice Perry's boat glided in ahead of the others, only by a few feet. It is definitely planned to make this race an annual event in the future. Prizes will be presented at a meeting of the Alberton and West Prince Boards of Trade to be held in O'Leary Hall, Monday evening Sept. 26. An invitation is being extended Governor Bernard and Premier Jones to be present and present the prizes. The six-cylinder race was won by Sam Frazer (first), Ivan Smith was (second). The eight-cylinder race was won by Maurice Perry (second), Mont Hutt (third) and Wilbur Frazer. Free-for-all race was won by Maurice Perry (first), Bryden Smith (second), Mont Hutt, (third), Sam Frazer (fourth). The judges were:
