The death took place at Summersview, Alberta, December 14th, 1905 of Mabel Gamble, beloved daughter of Thomas and Jennie Gamble, in the 18th year of her age. Something more than a year ago she was stricken with consumption and in hopes of regaining her health in a drier and sunnier climate, accompanied by her mother, she left her home in Tryon, P. E. Island for Alberta, but in vain—the disease proved fatal and on the 14th of December her spirit went home to God, Mabel's death came as a sad blow to her host of friends in Tryon where she was a great favorite, especially in the public and Sunday schools. Special mention should be made of the kindness of Rev. James Wright, formerly of a Victoria, P. E. Island, who did everything in his power for the comfort of the sufferer, and for the bereaved mother. "Inasmuch as ye did it unto me..."

Nor for a long time have the services of a professional evangelist been employed in Truro. Now however at the invitation of the Methodist, Presbyterian and Baptist churches, evangelist McKay, who visited Charlottetown some years ago, will begin services next Monday, to be continued at least three weeks—a week in each of the three churches. Music will be an important feature of the services.

W. J. MARTIN, T. McNeill and W. J. Higgins have been appointed as the committee to name fourteen hockeyists from whom the team to contest with the "Abbies" of Charlottetown will be taken. Three more competent men could hardly be chosen and no doubt they will pick the best. The rink committee meets today to finalize matters.—The city teams from which the seven to play Charlottetown will be selected will be chosen as soon as possible, and the practices will commence early next week. It is the intention of the selecting committee to practice them several times each week.—St. John's N.H. News.

Not show CHEAPLY but how SATISFACTORILY can I be fitted with glasses? THAT'S THE QUESTION which every THOUGHTFUL person SHOULD ask. Cheap or ill-fitting glasses CAUSE more strain than they RELIEVE. It takes TIME TO CAREFULLY and ACCURATELY fit glasses. This is VALUABLE and cannot rightly be given for nothing. The EXACTING tests which we make take TIME, for which we ask FAIR remuneration. We give you the BEST POSSIBLE service and are CONSTANTLY on the alert to FURTHER improve our facilities. We therefore do NOT test eyes FREE and we feel that no RESPONSIBLE customer expects us to do so.
