Teachers and scholars of all denominations are cordially invited to these services.—(Patriot please copy.)

BRIDAL SHOWER.—Miss Pearl Mitchell, City, a popular young bride-to-be was rendered a miscellaneous shower and dance by her friends at the Orpheus Hall Wednesday evening. About a hundred were present. Miss Mitchell was "showered" with numerous handsome and valuable gifts which were brought into the hall in a beautifully decorated wagon drawn by little Dorothy Holman. This was done just after the "heat" was let out of the bag, the said arrival bearing an envelope containing the wedding announcement, the date being October 8. The blushing groom-to-be was also remembered being presented with a handsome mahogany table. After the "shower" dancing was proceeded with and a most enjoyable evening was spent.

VALUABLE DOG, KILLED.—Professor S. N. Earle of this city has lost a faithful friend. His beautiful hunting dog, an English setter is no more. While Mr. Earle and a friend were on a shooting trip in the country the Professor's dog rushed out of the woods at top speed after some game, crossing a road where an automobile was passing. The animal was going so swiftly that he could not stop himself and ran directly in front of the auto which went over him. The animal only lived a few minutes. Prof. Earle highly prized the dog which was an exceptionally intelligent animal. The two were inseparable and the Professor feels very sorry over his loss.

INFORMATION WANTED.—Would any of the officers or men of the Battalion C. R. H. A. Company, who knew No. 133188 Private Robert Lavery who was killed August 8th, 1918, at Hangard Wood, please write to Thos. R. Lavery, 50 Boulevard, Hartford Conn., U. S. A., where it will be thankfully received.

THOSE DOG-FISH.—In reference to the statement in yesterday's issue regarding the dog-fish found near the Hillsborough Bridge, Mr. William Hillsborn, of this city, informs the Guardian that about twenty five years ago, there was a great upheaval of these fish on the shores inside the harbor. Along the shore from Brighton to Mr. Cundall's he states that they could be picked up in cart-loads, having been washed up by the tide after a storm. In recent years however very few of them have been seen here.

FIRE AT BRADALBANE.—A bad fire occurred at Bradalbane on Thursday night, September 25th when all the outbuildings belonging to Mr. Fred Bennett of that place were destroyed. The loss consists of two barns burned down, wood house, ice house, car house and canneries, including all Mr. Bennett's supply of hay, three sleighs, a large quantity of lumber and a lot of canned goods, a quantity of dry fish, steam boiler and engine and other machinery. The origin of the fire is not definitely known but it is thought that a spark from the flued caused it. The fire was discovered at 1 o'clock on Thursday night. The loss is partly covered by insurance held with W. K. Rogers, Ltd.

VALUABLE DOG, KILLED.—Professor S. N. Earle of this city has lost a faithful friend. His beautiful hunting dog, an English setter is no more. IN MEMORIAM CHARLES M. LEARD.

One of the landmarks of Tryon was removed on May 13th, 1919, in the passing from this life to the better life beyond of Charles Morley Leard. He was the sole survivor of the family of eight sons and five daughters of the late John Leard (Creek) Tryon. He was born August 18th, 1833, and passed the whole of his life on the farm where he was born except for three years spent in Bedoue. In early life he married Miss Millicent Howatt who with one daughter Mrs. H. A. McPhee predeceased him. Four daughters and one son are left to cherish the memory of a kind and loving father.—Mrs. Bruce Dawson Uigg; Mrs. MacDonald Boutler, Cra-paud; Misses Annie ad Winnie and Wm. Bowley at home. The last twelve years of his life were darkened by blindness and other physical infirmities but were brightened by the devotion of his family. He retained his faculties and interest in current events to the end and a large circle of relatives and friends miss the company of noble Charlie.

A large number of friends from Summerside and Bedoue as well as those living near attended the funeral services, which were conducted by Rev. F. A. Fitzpatrick, assisted by Rev. F. A. Halsey. A solo "In the Christian home in Glory" was sweetly rendered by Mrs. Wallace Jenkins. The pall bearers were Messrs. John Howatt, Webster Boutler, Brenton Lea, Wilfred Inman, Rowland Leard and Fred Leard. The remains were laid to rest in the family plot in Tryon Cemetery.

New Division of Salvation Army In Maritimes

ST. JOHN, Oct. 1.—A new division of the Salvation Army in the maritime provinces is now being organized. Previously two divisions only existed, the Halifax division which contained most of Nova Scotia and the St. John division which included New Brunswick, Prince Edward Island, Bermuda and the remainder of Nova Scotia. The new division will have Sydney for its headquarters and will include Digby and Yarmouth. Springhill Mines, Pugwash and Parrsboro will be added to the Halifax division and Bermuda will be taken over by the Toronto division. This will leave New Brunswick and Prince Edward Island under the St. John division in command of Brigadier Moore with seventeen companies instead of twenty-two as previously. The brigadier leaves today for Parrsboro to assist in organization work there, and Adjutant Best will assist at Digby. Lieutenant Wheeler of the Charlottetown company left last night for Parrsboro where she will be stationed for the time being. A farewell service at Charlottetown was conducted by Adjutant Hurd for Captain Fennell before her departure for New-castle after fifteen months of service with the Main street company. Brigadier Moore and Adjutant and Mrs. Best conducted a special service at No. 3 station in memory of the late Mrs. Wells.

The St. John district is sending six cadets to the officers' training college at Toronto and hopes to welcome them back in June. Mrs. Darby, who has been a patient at the D. S. C. R. hospital in Lancaster is the only St. John member of the party. Plans are being made for the St. John division officers to attend the meetings in Halifax from October 22 to 26, when Commissioner Richard will address the officers of New Brunswick, Prince Edward Island and Nova Scotia.

EGG 1,000,000 YEARS OLD IS FOUND

AMHERST, Oct. 1.—Prof. F. B. Loomis of Amherst College has returned from his geological trip to Nebraska and Colorado with a valuable collection of fossils for the museum. His most valuable find is a complete skeleton of the miocene horse, the fossils of which has never been found. His collection includes also 140 skulls two other complete skeletons and 179 lots of bone.

In a sand pocket three feet wide and six feet deep filled with fossils, he found an egg 1,000,000 years old, the complete skeleton of an early camel with long legs and neck standing 16 feet high. Specimens of deer fossils were secured.

The professor was accompanied by J. W. Harlow and left June 30, making the tour in an automobile and camping out each night.

FORMER GERMAN SHIPS TO BE RETAINED BY U. S. SHIPPING BOARD

NEW YORK, Sept. 30.—Sent here from England by the White Star Line to take over and operate the former German liner Prinz Friedrich Wilhelm, a crew of 235 British officers and men arrived here today on the steamer Baltic. The Prinz Friedrich Wilhelm, one of the eight German ships originally allotted to Great Britain by the inter-allied commission, was rented to the United States as a troop transport.

Last Saturday, however, it was announced from Washington that the ships would be retained by the United States shipping board. This announcement came but a short time prior to the hour when it was expected that the Imperator would be turned over to the Cunard Line.

The Soldier's Wants

OTTAWA, Oct. 1.—Testifying before the parliamentary committee of Soldiers Civil Re-Establishment today J. Harry Flynn, Toronto, President of the United Veterans League, said that organization was formed on September 20. He was also a delegate of the veterans council composed of four organizations in Toronto. The United Veterans League was fast in increasing its membership and a branch had been formed in Ottawa last night. There were about 55,000 veterans in Toronto and his organization had 5,000 members so far. Flynn said he was appearing for 15,000 to 20,000 veterans.

In accordance with a request from a veterans meeting Flynn, asked to state his views on the gratuity question, submitted that the Government should pay \$2,000 bonus to all men who served in France, \$1,500 to those who served in England and \$1,000 for service in Canada, regardless of length of service. The gratuity, he added, should also be paid to dependents of soldiers. "We don't ask this bonus for payment for services rendered. If so we would ask to be paid according to the length of service. We ask for it simply to enable men to take up their position in life and to cope with soldiers, munition workers and others who remained behind and saved up sufficient money to carry on business or resume their ordinary mode of life.

Gas in the Stomach is Dangerous

RECOMMENDS DAILY USE OF MAGNESIA TO OVERCOME TROUBLE CAUSED BY FERMENTING FOOD AND ACID INDIGESTION

Gas and wind in the stomach accompanied by that full, bloated feeling after eating are almost certain evidence of the presence of excessive hydrochloric acid in the stomach, creating so-called "acid indigestion." Acid stomachs are dangerous because too much acid irritates the delicate lining of the stomach, often leading to gastritis accompanied by serious stomach ulcers. Food ferments and sours, creating the distressing gas which distends the stomach and hampers the normal functions of the vital internal organs, often affecting the heart. It is the worst of folly to neglect such a serious condition or to treat with ordinary digestive aids which have no neutralizing effect on the stomach acids. Instead get from any druggist a few ounces of Bisurated Magnesia and take a teaspoonful in a quarter glass of water right after eating. This will drive the gas, wind and bloot right out of the body, sweeten the stomach, neutralize the excess acid and prevent its formation and there is no sourness or pain. Bisurated Magnesia (in powder or tablet form—never liquid or milk) is harmless to the stomach, inexpensive to take and the best form of magnesia for stomach purposes. It is used by thousands of people who enjoy their meals with no more fear of indigestion.
