

BEGIN HOT WATER DRINKING IF YOU DON'T FEEL RIGHT

Says glass of hot water with phosphate before breakfast washes out poisons.

If you wake up with a bad taste, bad breath and tongue is coated; if you head is dull or aching; if what you eat sours and forms gas and acid in stomach, or you are bilious, constipated, nervous, sallow and can't get feeling just right, begin inside bathing. Drink before breakfast, a glass of real hot water with a teaspoon full of limestone phosphate in it. This will flush the kidneys and bowels and cleanse, sweeten and purify the entire alimentary tract. Do your inside bathing immediately upon rising in the morning to wash out of the system all the previous day's poisonous waste, gases and sour bile before putting more food into the stomach.

To feel like young folks feel; like you felt before your blood, nerves and muscles became loaded with body impurities get from your pharmacist a quarter pound of limestone phosphate which is inexpensive and almost tasteless, except for a sourish twinge which is not unpleasant.

Men and women who are usually constipated, bilious, headachy or have any stomach disorder should begin this inside bathing before breakfast.

MRS. ISABELLA McLEOD

In memory of Isabella McLeod, daughter of the late S. J. McLeod, Kinross, who was born Sept. 6th, 1879. Died Sept. 25th, 1918. She was married Oct. 25th, 1904 to Malcolm R. McLeod, Kinross, 5 children were born to this union. The first-born Mildred died at the age of two years, John Blair, Hazel, Alexander and Wilfred with the husband and father survive to mourn the loss of a loving wife and devoted mother. Her aged mother, one sister and two brothers also survive the deceased—Mary A. A. J. at the old home and John W. in Vancouver, B. C.

Mrs. McLeod was a woman of qualities that endeared her to all her acquaintances, and her passing away in her young womanhood is deeply lamented.

She has been ailing for three years and at the last suffered so severely that she longed for rest. She knew the end was near and had no dread as years before she committed herself to her Saviour and she was fully resigned to the will of her God. She was concerned only for the welfare of those who remained.

The funeral services which were largely attended were held at the home

MRS. JANE CAMERON

The death occurred at her home in Georgetown on Tuesday October 8, 1918 of Mrs. Jane Cameron at the ripe old age of eighty one years.

The late Mrs. Cameron who was widow of the late Thomas Cameron of Georgetown was taken ill with a stroke of paralysis over five years ago from which she never fully recovered and this fall her malady suddenly took a turn for the worse and death came as a relief to her great suffering. She was always of a sweet and gentle disposition and bore her suffering with true Christian patience and gentle faith. She was ever a true Christian lady and a member of St. Davids Presbyterian Church, Georgetown. Her maiden name was Jane Ferguson of a highly respected family well known and remembered by all the older residents of Georgetown. Her death means the passing of another of the many of Georgetown's old residents who have lately parted from this life, but let her many sorrowing friends be consoled with the thought that her long suffering has ceased. She leaves to mourn two sons Wallace and Ambrose both abroad and one daughter Miss Lizzie at home.—"G"

DR. D. A. STEWART

By the death of Dr. D. A. Stewart, of Georgetown who passed away at his home on Tuesday evening, after an illness of ten days of pneumonia that town has lost one of its foremost citizens. Dr. Stewart, who was 54 years of age had been in rather delicate health for several months and was not in the best condition to meet the attack of influenza, which was followed by pneumonia. For about 30 years he had been practising in Georgetown, having located there after graduating from the University of New York. He was a skilled physician, with a most agreeable personality, his kindly, sympathetic manner making him beloved by all. He was a son of the late Peter Stewart of Brudenell, who died about two years ago.

Dr. Stewart was a man of powerful physique and in his younger days was one of the best athletes in the province. He took a prominent part in the Caledonia games, and was champion hammer thrower of the Island. In the running and jumping events he was a frequent prize winner, and he has also won the all round championship.

A lover of many sports, he took a keen interest in rifle shooting, and was one of the best shots in the province, being among the leaders at the County, provincial and Ottawa meets. His death in the full prime of manhood will be deeply regretted by many friends throughout the Island.

He leaves to mourn a widow, one daughter Helen, his mother, three brothers and two sisters. The brothers are Benjamin F., in Boston (who has also been one of the Island's best athletes); Robert W., in Brudenell and Wallace C., in Calgary. The sisters are Mrs. Edward Munn in Roseneath and Mrs. Russell McLaren in New Perth.

An employer who is charged with having a defaulter in his employ must be able to prove THAT THE MILITARY SERVICE PAPERS ISSUED BY THE REGISTRAR OR MILITARY AUTHORITIES TO THE EMPLOYEE IN QUESTION WERE PRODUCED FOR HIS INSPECTION at the time when the employee was taken into his employment, and that it was reasonably established to his satisfaction that the man was not in default under the Military Service Act.
