**MAKES FOOD TASTE**

GOOD—HOOD'S SARSAPARILLA CREATES AN APPETITE

Aids digestion and promotes assimilation so that the body secures full nutritive value, thus naturally making the weak strong and giving the vitality of health. This great medicine enables the digestive organs to perform their functions easily, keeps the stomach sweet and relieves or prevents indigestion and other digestive troubles.

When your food does taste good it is a sign of good or returning health; shows that the blood is becoming richer, routing scrofula, eczema, rheumatism and other diseases, and that the system is being built up to overcome that tired feeling, and the prostration after influenza and fevers. The one medicine that can legitimately claim to do all this is Hood's Sarsaparilla. If a mild laxative is needed take Hood's Pills; an active cathartic, more Hood's Pills.

**FEEL THE SURGE OF ABOUNDING YOUTH**

Age is sickness—gradual disintegration of the tissues which comprise your vital organs—your nerves, heart, liver, kidneys, brain. Each of these organs depends on the internal secreting fluids of certain glands. When such glands become lax in their functioning, through under or over-secretion, you are sick. Unless these glands are added to resume proper functioning, the tissues of the vital organs gradually wear and crumble away. You are old in health, if not in years, and old-fashioned methods of treating sickness are admittedly helpless. Your days are numbered unless you get at the seat of the trouble by direct action, and that is by revitalizing and restoring the glands to their proper functioning.

**A Popular Young Man Remembered**

One of Charlottetown's best known and most popular young men leaves for Vancouver this morning in the person of Mr. Sam Murphy. "Sammy" was for many years (avant la guerre) prominent in hockey and baseball circles being a member of the celebrated Victoria hockey team which won the amateur championship of the Maritime Provinces. He also took a great interest in baseball and no game was complete without the presence of the genial "Sammy" in some capacity or other.

"Murphy" went overseas with the 11th Howitzer battery under Major D. A. McKinnon and was one of the live wires of that outfit. Possessed of an exceptionally generous share of true Irish wit radiated sunshine, cheerfulness and optimism and his very presence chased gloom and left no room for pessimism.

Needless to say his hosts of friends are very sorry to see him go, and as a slight mark of the high esteem in which he was held, a few of them waited on him last evening and presented him with a wallet containing a substantial sum of money and the following address:

Charlottetown, P.E.I.  
March 24th, 1920

Dear old "Murphy"—

We are gathered together, only a few of your many, many friends, to say good bye and to try, in a few simple words, to tell you how much we hate to see you go.

As we look back over the many good times we've had together, real times they were—all of them, but none complete without "Old Murphy". We'll all miss you, "Sam". We'll never forget you and we can't help hoping that you will miss us also—we want you to.

We feel sure that in your new field of endeavor you'll still continue to make friends, true friends, real friends, but in doing so we trust they won't eliminate the ones you've left behind.

In conclusion please accept this small gift, as a loving remembrance of the friends you are leaving behind, and always remember, wherever you are, that your successes and endeavors will always be followed with the greatest interest. And may your future activities be as profitable as they have been in the past.

Col. W. B. Prowse, Major D. A. McKinnon, Jack McAleer, Joe Dougan, Frank Fraser, Clifford Chandler, Chick Williams, Bennett Doyle, Alban MacDonald, Larry Trainor, Leo Doucette, Charlie Livingstone, Phillip Coyle, Eddie Duffy, Guy Scott, Spurge Diamond, Pope Clark, Angus Weir, Jack Murnaghan, Billy Hughes, Jack Percival, Russell Chandler, Billy Gillespie, Wanda Worth, Henry Fitzgerald, Buller Murley, Manning Bagnall, Jimmy Gallant, George Prowse, Tom Rogers, Elmer Bayver, Ivan Reddin, Eugene Kelly, George McLellan, Wilfred Corie, Lattie MacDonald, Pat Walsh, Karl Kelly, Clarence Whalen, Jim McNeill, Julian Keoughan, Alf Coady, Matt McCarron.
