# TO KNOW THE JOY OF LIVING

Use Dodd's Dyspepsia Tablets— They will Make You Eat Three Square Meals a Day and Enjoy Them—They Cure All Stomach Ills.

Can you eat three square meals a day and enjoy them? If you can you know the joy of living. If you can't your stomach is not right. If your stomach is not right your body is not getting the nourishment it needs. It must be weak and starved. You must feel depressed and useless even if you are not yet troubled with those pains and aches that make the Dyspeptic's days a burden and his nights a torment. Take Dodd's Dyspepsia Tablets and you will soon be able to eat your meals with enjoyment. They digest the food themselves, the body gets new energy while the rested stomach soon becomes able to do its full work itself. They have never failed to do this for others. They will not fail to do it for you. Alphonse Caron, of Montmagny, Que., says: "I know Dodd's Dyspepsia Tablets as the best thing for Dyspepsia. Every person suffering from this terrible malady ought to use them as I have and he would be satisfied."
