

An Edison Phonograph will surprise you

The first time you hear it you will be surprised at its goodness. Everybody is—particularly the first time you hear the Edison Phonograph play an Amberol Record. People who have heard Phonographs talked about, or who have heard them at a distance on the street, or who have heard some other make of sound-reproducing machine, do not realize the remarkable goodness of the Edison Phonograph.

This is partly due to the wonderful sapphire point which does not scratch or make any sound, and partly due to the wonderful Amberol Records which are so smooth and clear that they can reproduce the finest violin melody with all its natural sweetness.

This is the same instrument which plays and sings those musical comedy songs which everybody whistles. The Edison Phonograph does everything and does it well. Is there any reason why you should not have one?

COULDN'T FOOL THE FARMER.

During some manoeuvres of the English cavalry division an agriculturist was very angry to find a group of officers calmly sitting upon a half cut stack of hay that he was carting away for chaff cutting purposes. He expressed his indignation at the sight and ordered them off his land in language that was distinctly more vigorous than polite.

One of the officers tried to argue with him, and pointed out that one of those present happened to be Prince Arthur of Connaught and nephew of the King. The old farmer was frankly incredulous, and persisted in his orders. "Prince or no prince," he declared, "if he goes from my stack, judging from the look of you the next thing you will do with my stack will be to eat it!"

Prince Arthur hugely enjoyed the situation, and eventually led the retreat that took place. It was in vain for the officers to offer the irate farmer any monetary compensation. "I'll 'prince' the lot of you if I find you here again. Be off and get something useful done—you are paid enough for it!" was the parting shot as the officers rode away.—M. A. P.

FELL SHORT OF FLATTERY.

A gardener was employed by a friend of Mrs. Harriet Beecher Stowe. One day, when walking in the garden, Mrs. Stowe came upon him working among the roses. She watched him awhile and then entered into conversation. Curious, as all authors are to know the impression her work had made upon him, she suddenly said: "My man, did you ever read 'Uncle Tom's Cabin'?"

The old gardener did not want to hurt the famous novelist's feeling neither did he want to appear ignorant under further questioning. "Well, no, ma'am," he stammered, "not exact. Not as you might say 'read it,' but I've tried to ma'am."

LAW IN A NUTSHELL.

A note made by a minor is void. It is a fraud-tocentral fraud. A note dated on Sunday is void. A contract with a minor is void. It is illegal to compound a felony. Ignorance of the law excuses no one.

A contract made with a lunatic is void. Notes bear interest only when so stated. Signatures in lead pencil are good in law.

A receipt for money is legally conclusive. Principals are responsible for their agents.

The acts of one partner bind all the others. The law compels no one to do impossibilities.

An agreement without consideration is void. Contracts made on Sunday cannot be enforced.

Written contracts concerning land must be under seal. A note, obtained by fraud or from one intoxicated is void.

If a note be lost or stolen it does not release the maker. He must pay it.

Each individual in partnership is responsible for the whole amount of the debts of the firm.

An indorser of a note is exempt from liability if not served with a notice of its dishonor within twenty-four hours of its non-payment.

WHAT ASQUITH SEES.

(Detroit Journal.) Mr Asquith can look around him and see tens of thousands of his countrymen who are only one day removed from starvation; he can see the records which show that 125 die actually die of starvation during the last year, and on the other hand he will find landed aristocrats who have sold their wealth to fence in the commons that had belonged to the people even since the Angles and the Saxons first set foot in the country; he has used their power as hereditary legislators to exempt that land almost entirely from taxation, the burden of which is thrown on the toilers. He can see large blocks of land in towns and cities held back from improvement, waiting until the increased increment is big enough to satisfy the owner's cupidity, while the people around are being housed in slums. And while this land is lying idle it pays no local taxes whatever and only a nominal tax to the national government.

IF YOU'RE IN DOUBT WHILE COOKING

One cup of sugar will sweeten one quart of any mixture to be served chilled or frozen.

One tablespoonful of extract will flavor one quart of mixture to be frozen.

One level teaspoon of salt will season one quart of soup, sauce or vegetable.

Allow four eggs to each quart of milk in making cup custards.

Allow from four to six eggs to each quart of milk in making custard to be turned from the mould.

Rice will absorb three times its measure of water and a larger quantity of milk or stock.

One ounce of butter and one half ounce of flour are used to thicken one cup of liquid in making a sauce.

Allow two level teaspoons of baking powder to each cup of flour when no eggs are used.

The ordinary French dressing (three tablespoons oil, one and one-half tablespoons vinegar, one quart or level teaspoon salt, one-eighth level teaspoon pepper) will moisten one pint of salad.

A COURTEOUS CORPSE.

An East End family has enjoyed the services of an industrious colored man, familiarly known as Bam, who helped on certain days of the month with the heavier forms of the household work, beating the rugs, cleaning the windows, and keeping the walks and paths in order.

On a recent morning, a morning when this useful helper was due, the doorbell rang and the mistress of the house answered the summons. She found at the door an extremely polite colored man, who took off his hat and thus addressed her: "Mr. Benson is very sorry, ma'am, but you must excuse him 'cause he can't come to your house this morning 'ma'am."

"That's too bad," said the lady. "Is he sick?" "No, ma'am," replied the messenger, as he backed away. "He ain't sick—he's daid."

SUCH A POLITE YOUNGSTER.

A few days after a farmer had sold a pig to a neighbor, he chanced to pass the neighbor's place, where he saw their little boy sitting on the edge of the pig pen watching its new occupant.

"How'd'ya do, Johnny," said he; "is your pig today?" "Oh, pretty well, thank you," replied the boy. "How's all your folks?"—Cleveland Leader.

"FRUIT-A-TIVES" THE FAMOUS FRUIT MEDICINE

Performs Another Miraculous Cure in the City of Toronto.

Mrs. Lizzie Baxter was a helpless cripple from Rheumatism. She suffered tortures for a year in spite of the best medical treatment. Five boxes of "Fruit-a-tives" completely cured her.

4 HOME PLACE, TORONTO, ONT., December 15th, 1909.

"I was a terrible sufferer from Rheumatism for nearly a year, and my right arm was swollen and the pain was fearful. All down the right side, the pain was dreadful and I could hardly move for the agony. I was treated by two physicians but their medicine did me no good, and I tried numerous other remedies but received no benefit. I was simply a helpless cripple and suffered from Rheumatism all during last winter.

MRS. LIZZIE BAXTER

I saw "Fruit-a-tives" advertised in the "Telegram" and decided to try this remedy. After I had taken one box, I was much better and the pain much less, and I continued the treatment with good hopes. When I had taken three boxes, I was so well that I could use my arm again and the pain was practically gone, and after I had taken five boxes, I was entirely well again—no pain—no suffering—and now I am just as well as I ever was.

The cure of my case by "Fruit-a-tives" was indeed splendid because all the doctors failed to even relieve me of my suffering.

For the sake of others who may suffer from this terrible disease, Rheumatism, I voluntarily give you permission to publish this statement."

MRS. LIZZIE BAXTER.

It may be stated, without hesitation, that "Fruit-a-tives" is the only remedy that will actually cure Rheumatism, Sciatica and Lumbago. "Fruit-a-tives" is made from fruit juices and contains SALICIN obtained from Oranges. Owing to its marvellous action on the bowels, kidneys and skin—"Fruit-a-tives" prevents the formation of Uric Acid, which is the prime cause of Rheumatism. And with the stomach clean, the liver active, the bowels regular, the kidneys strong and the skin healthy, it is utterly impossible to have Rheumatism. "Fruit-a-tives" is the only medicine in the world that acts directly on all these organs and cures them. There is no other remedy "just the same" as "Fruit-a-tives" or "just as good as Fruit-a-tives". Insist on having "Fruit-a-tives" for

only by taking "Fruit-a-tives" can you cure yourself of Rheumatism. At all dealers, 50c. a box, 6 for \$2.50, or trial box 25c. or sent postpaid on receipt of price by Fruit-a-tives Limited, Ottawa.
