The Famous Coristine Coats

THESE coats were made up specially for us, of selected skins. The design, the style and fit are alike faultless. In addition to their other merits each coat is stayed and strengthened by the famous exclusive Coristine method, making them the most durable as well as the handsomest garments that money can buy.

We've marked each coat at a figure that does not permit one cent of discount—just the honest one price to everybody—and we think you'll approve.

\$35.00
\$7.50, 47.50, 52.50, 57.50.

The average fur department would charge you for poorer garments at least 20 per cent more. Just compare—comparison is our best salesman.

The Guardian has received further particulars regarding the marriage of Miss Vera E. Lea to C. E. Goulding of Calgary, which took place in the Methodist Church at Victoria on Wednesday evening. The bride who was charmingly dressed in white silk, carried a handsome bouquet of white roses, as did also her bridesmaid, the bouquets being especially imported for the occasion from Toronto.

The church which was artistically decorated, was crowded with spectators to witness the marriage of Miss Lea, who will be greatly missed as he was an accomplished and very popular young lady and a great favorite as the many costly gifts received testified. The groom's present to the bride was a valuable diamond brooch while the bridesmaid's groomsmen, four little flower girls and the ushers were each suitably remembered. The wedding march was superbly played by Miss Helen Smith of Hamilton. After the ceremony the happy couple held a reception at the bride's home, which was prettily decorated with flowers and foliage. A large number of charities were present, who caused much merriment, and to whom dainty refreshments were served. Mr. and Mrs. Goulding crossed yesterday by the steamer Empress, amid the best wishes of a large circle of friends, enroute to Toronto, where they will visit before proceeding to Calgary.

The annual meeting of the Victoria Amateur Athletic Association was held in the Y. M. C. A. last evening. There was a large number of members present. The report of the Secretary showed that the finances of the Association were in good shape. The following officers were elected for the ensuing year. Hon. President, Mayor Prowse; President, Dr. John Blake; Vice-President, James Brown; Executive Com. Brent Garnham; W. B. Prowse, P. C. Brown, Ivan Reddin and G. Arbing; Football Com., J. Brown, C. Duffy and V. Gay. The past year has been the most successful in the history of the Association, its hockey teams with both Senior and Intermediate championships. The senior team was admitted by all to have been one of the best that has ever played in the Island League. In their games with the Capitals of Fredericton for the Starr Trophy, they made one of the best shows that has been made by any Island team, and on the Arena they defeated the Sydney Hockey team, champions of Cape Breton, in the fastest and keenest exhibition of hockey ever witnessed in Charlottetown. In five games played in the Arena, they blanked their opponent in three and scored 24 goals to 3. In the Labor Day meet the track team won a majority of the events and secured the largest number of points. In the Maritime Championship held in Halifax, the team won three Championships and were second to the Wanderers in points, being defeated by Marathon Race, representatives of only five points. In the Patriot's Club, finished 2nd, 3rd and 4th, and in the Guardian's Bicycle Road Race, the wearers of the blue and white secured 1st and 2nd places for two years in succession. The outlook for the coming year is bright and all the members are enthusiastic and intend making it a more successful year than the past one.
