Rev. Patrick W. McQuaid, 55, died suddenly at the home of his brother Mr. Peter McQuaid, 267 Sydney Street about 9.20 yesterday morning. Father McQuaid had been doing parochial work in the Arch Diocese of Edmonton, Alberta before ill health forced him to return to the Island about two weeks ago. His brother Vincent (Lefty) McQuaid predeceased him by less than two months.

Father McQuaid had been suffering ill health since his return from the Second World War. He came home to convalesce in January 1948, but returned to Edmonton to resume his duties in May of the same year. His health failed again, however, and he spent the last six months in Ladysmith, Vancouver Island, B. C.

He is survived by five sisters and three brothers, they are: Rev. Sister St. Elizabeth of the Visitation, St. Joseph's Convent; Rev. Sr. St. Patrick of the Visitation, St. Joseph's Convent, Mrs. F. E. Murphy, Emerald Junction, Mrs. J. Roland Coady, St. Avard's, Agnes, Peter and Philip of Charlottetown and John of Vernon Bridge.

Sergeant Donald T. Thompson of the No. 60 Air Cadet Squadron, Charlottetown, has been selected as one of the 25 Air Cadets in the Dominion to fly the Atlantic for three weeks of sightseeing in the United Kingdom. The tour is expected to begin early in August.

This is the third year of an exchange scheme between Canada, United States and the United Kingdom designed to promote good will between the young airmen of the three countries. Sgt. Gay of Summerside was selected last year.

Sgt. Thompson is the son of Lt.-Col. and Mrs. C. C. Thompson. He has two brothers who served overrseas in the Canadian Army during the war, Capt. Stanley Thompson who is on the permanent force and W. A. (Bud) who graduated from Queen's University this year.

A total of 50 cadets have been selected and a fifty-first selection is expected shortly to represent Newfoundland. Twenty-six cadets will go to Texas and California. They will fly to Texas in late July, spend a week in California and visit west coast holiday centres, returning to their homes in mid-August.

Similar groups from the United States and the United Kingdom will be entertained in Canada.

Returning to Prince Edward Island again this year after a successful trip last summer, over thirty members of the Inverness County Farmers' Association arrived yesterday and are being escorted to various parts of the Island by Mr. H. W. Clay, senior livestock fieldman with the Dominion Department of Agriculture, who makes an annual visit to Inverness County himself.

Led by agricultural representative Donald Boyd, the Cape Bretoners are examining Island production methods—especially in hogs. Mr. Boyd hopes that seeing the real thing will inspire better production in Inverness County.

With some 20 breeders entering over 100 of the Island's best Shorthorns, the first Regional Shorthorn Prize Show, held yesterday at the Exhibition grounds, was acclaimed by all to be an outstanding success.

Believed to be the first all-breed cattle show of its kind on the Island, Shorthorn men hope that with yesterday's success, they have pioneered a new trend in cattle shows in Prince Edward Island.

Dominating the show were the 11 entries of John Dupasquier, Forest Hill, who made a spectacular win in the Senior Female Yearling class with the first three places with eleven competing. In a battle with R.R. Bell for honours in the Female Championships, the DuPasquiers won the Junior and Reserve; R.R. Bell the Senior and Reserve, and finally the Grand Female Championship, the Reserve going to John DuPasquier.

A coroner's jury empanelled to inquire into the circumstances surrounding the death of Mr. Peter Doiron, Toronto Road, on June 19 returned with the verdict that death was due to injuries received in an accident caused by a car driven by Elmer Costello leaving the road and turning over in the ditch. Place of accident was about 100 feet past curve on New Glasgow road about half way between Hunter River and New Glasgow as per drawings submitted to jury and attached.

The inquest which had been adjourned on June 22 was resumed last night in the Court House. The coroner was Dr. J.D. MacGuigan and Mr. John Nicholson represented the Crown. The jury was composed of P. R. McCormac, foreman, Emmet MacDonald, Gerald Nantes, Frank Currie, Munroe MacLeod, Louis McMahon and G. MacDonald.

Found empty bottle in car but would not say men were intoxicated.

Yesterday young men and women from Fort Augustus, Johnson's River, Mount Herbert and East Royalty participated in the first of four tours planned for the fifteen Junior Farmer groups of P. E. I.

Completing 26 years service as an illustration station operator, Mr. John L. Clark, M.B.E., presided yesterday over his last official field day on his farm at Rustico. During the day he was complimented for the "splendid service" he had rendered to his community and Province.

Organized by W.N. Black, supervisor of Illustration Stations for P.E. Island with his assistant, I.L. Tuplin, the day was an outstanding success. Over 100 farmers followed an interesting and instructive programme on the 114 acre farm that is producing some of the best timothy and crops in the Province.

Not the least enjoyable part of the programme was the unscheduled appearance of the Inverness County farmers who are visiting the Island and were introduced by Mr. Harold Clay, dominion Department of Agriculture. Gaelic songs, lively fiddlin', pipin' and stepdancin' added a little spice to the day's proceedings.

Premier J. Walter Jones, guest speaker, noted that Island farming showed more progress than that in other Provinces. He reviewed the early settlement of the Province and drew attention to the advantages of farmers co-operating to acquire the more expensive farm machinery. The premier complimented Mr. Black and the staff for their fine showing.

Belief that if a Maritime legislative union is not acceptable, other plans can be worked out for closer unity of action in political affairs was expressed to a Guardian representative last night by Hon. Joseph R. Smallwood, Premier of Newfoundland, who arrived here by plane on a brief tour which has already taken him to the Nova Scotia and New Brunswick capitals. He was accompanied by Mr. Chesley A. Crosbie, prominent Newfoundland industrialist.

Premier Smallwood and Mr. Crosbie conferred last evening with Premier J. Walter Jones, with whom they dined, and later met and conversed with a number of citizens in Premier Jones' company.

Queried on two-way trade possibilities between the two Maritime Island Provinces, Mr. Smallwood recalled that mutual trading was established over 100 years ago and said he knew of no reason why it should not develop and increase with Newfoundland's entry into Confederation.
