CHURCH PICNIC.—The annual picnic of St. John's Anglican church, Crapaud, held last week was a great success both socially and financially breaking all previous records and realizing a substantial sum for the work of the church. The children were especially delighted with the big swing and the fish pond. The program rendered by visiting friends was greatly appreciated. The numbers included solo and violin selections rendered by Miss Crosby, Mrs. Crosby and Mrs. Strang all of Port Borden, and Miss Johnston of New York, Mr. Lea Victoria, and bagpipe selections by Mr. McKay, Desable, The Rector, Rev. Wm. F. Wrixon, thanking all who had helped to make the picnic a success, after which the proceedings closed with the national anthem.

Day, 26 Spring Park Road, on Wednesday, August 26th, 1920, a pretty wedding took place when their youngest daughter Eleanor May was married to Mr. Allan Elmer McAulay, one of Charlottetown's young business men. The ceremony was performed by Rev. (Cap.) Geo. C. Taylor in the presence of a number of friends and relatives. The bride entered the room on the arm of her father and was attired in a dress of blue silk with overdress of georgette and carried an exquisite bouquet of white carnations, sweet-peas and malden-hair fern. The bridesmaid, Miss Murial Brown of York, looked charming in a dress of blue silk poplin, while the groom was ably supported by Mr. Harry Day, brother of the bride. After the ceremony the happy couple motored to the groom's home where a reception was held.

Ostridge, Pisiquid, were united in the holy bonds of matrimony to Mr. James Hughes, son of Mr. and Mrs. Edward Hughes, Fort Augustus. The ceremony was performed by the pastor, Rev. A. J. McDonald. The happy couple left the church amid the strains of Lohengrin's wedding march beautifully rendered by Mr. David McDonald. The bride looked very charming in a suit of navy blue with a white picture hat and carried a beautiful prayer book being the gift of the groom. The bride was attended by Miss Eliza McDonald who wore a sage blue silk dress and a white hat. The groom was ably supported by his brother, Mr. Ernest Hughes. The bridal party drove to the Revere Hotel where a sumptuous dinner awaited them. In the evening they drove to the bride's home where the remainder of the night was spent in music, dancing, etc. The many presents received testify to the popularity of the young couple.

Minard's Liniment Co., Limited.

Gentlemen,—Ever since coming home from the Boer war, I have been bothered with running, fever sores on my legs. I tried many salves and liniments; also doctoring continually for the blood, but got no permanent relief, till last winter when my mother got me to try MINARD'S LINIMENT. The effect of which was almost magical. After two bottles the sores completely disappeared and I have worked every working day since.

Yours gratefully,  
JOHN WALSH.

### The Gamest of all Game Birds

Partridge in the east, willow grouse in the west—but correctly known as the ruffed grouse—this bird is found throughout the breadth of Canada. Three or four sub-species are found in various parts of the country—the Canada ruffed grouse in the east and Manitoba, as well as in the thickly wooded sections of Keewatin and British Columbia, the grey ruffed grouse in the drier wooded portions of the interior and the Oregon ruffed or willow grouse of the Pacific coast.

The ruffed grouse has many enemies—feathered, furred and human—yet it survives and is one of Canada's most splendid offerings to the sportsman. Grouse should always be shot on the wing and their wariness and cunning make it necessary to select ammunition that is fast and patterns well.

# DOMINION

## Shot Shells

with No. 6 or 7 shot, in all ranges, are considered by many sportsmen the best loads for grouse. The "King" Royal and Sovereign Shells are dropped in the number of shells, water, sealed, steel reinforced and positive as to pattern.

Many sportsmen prefer the 22 rifle for grouse when the cover is thick. In such cases Dominion 22's—short, longer long rifle, smokeless or "cream" are undoubtedly the best. Look for the "D" on all boxes.

Our new game book, "The Call of Canada," with illustrations of Canadian game birds, and animals reproduced in full colors, contains valuable information that will interest you. Every sportsman should have a copy of this beautiful book in his library.
