...IMPORTANT MEETING.—The farmers will hold a meeting in St. Mary's Hall, Souris, next Saturday March 28, at 6.30, to consider the advisability of holding an Exhibition in Souris next fall.

...TALENTED ISLANDER.—The many friends of J. E. Baker, North Lake are pleased to see him home again this winter. Mr. Baker enjoys an enviable reputation as an artist. He has on several occasions competed at the Provincial exhibition and despite the fact that he is self-taught has won prizes from others who had the advantage of professional training. During the stormy days of the past winter he has been engaged on "Crayon Portraits" of friends and relatives. His work will be cheerfully shown to all who call. One of his prize pictures was taken from a Post Card, a snap of a little girl. Mr. Baker also does picture framing.

...ENJOYABLE EVENING.—On the eve of the departure of Mr. Ches. Vickerson and his son, Hector, for Regina, the Christian Endeavor of Caedigan Presbyterian Church, gave a farewell social to Hector at the Maune, Monday evening, March 23rd, sixty young persons attending. During the evening the members, through their pastor, Rev. J. C. Martin presented Hector with a suitably engraved Bible. The evening was occupied in enjoyable games requiring ready wit and skill. After which a dainty luncheon was served by the ladies of the Social Committee. Miss Muriel Morson presided at the organ and accompanied solos, trios and choruses, after spending a delightful evening, they all, reluctant to part, arose and sang God Save the King.

James Dingwell and Hudson Dunn with some visitors from Kingsboro visited the Red Point Lodge at the last meeting.—His many Souris friends are pleased to have a visit from Theodore Stewart a few days ago. His name is used in connection with the management of the Lot 57 Egg Circle.

...ROLLO DAY.—Mr. Russel Keefe, has about completed sawing the season's wood for the farmers of Rollo Bay East. The many friends of Mr. John W. Peters Rollo Bay East will regret to learn of his continued, serious illness. Mr. Henry Peters, Tignish, spent last week in Rollo Bay East the guest of Mr. Peter Vintian. While here he succeeded in interesting several of the local capitalists in the fox industry. The roads in this section have kept very good thus far; there have been no really bad pitches. The thanks of the travelling public are due to our energetic and painstaking overseer, Mr. Gabriel Deagle to whose unremitting care and vigilance during the freshet when he had a gang of men constructing drains, etc., and thus preserving the roads in their entirety. Some of the neighboring overseers whose neglect this season has been most culpable ought at least to make an effort to emulate his example. Miss Esther Deagle and Mrs. John Bourgeois, Rollo Bay, Centre paid a flying visit to Souris Monday. Mr. Johnson Dingwell and his sister Miss Ruby, Bay Fortune, were visiting in Rollo Bay Centre, recently, the guests of W. H. Keefe.
