BOYS' SCHOOL SUITS

Is the subject of conversation by women just now, and where to buy them is more important still.

We have sold more Boys' Suits this season than ever before—there must be a cause for it. Our last season's suits must have given satisfaction.

Our new suits are now in to fit little lads of 4 to 10 years, only $1.50. Just think of it, the cloth alone would cost you that.

For lads from 10 to 16—we have 3 piece suist—Coat, vest and pants, made of good tweed, nice colors, will give good satisfaction—the price is only $3.25.

See them in our window to-day.

THE CAPITAL OF THE WEST

Freetown Man Interested in Big Gold Find

"Can Jab a Shovel Anywhere and Take Out a Pan Worth One Hundred Dollars."

J. D. Reeves, son of David Reeves, Freetown, after spending the past two months at his old home, left by the Northumberland on Monday on return to Nome, Alaska. Mr. Reeves leaves a little earlier than he had intended, having received a request from his partner, Mr Leonard, to go at once, they having important business to transact in connection with the sale of some valuable mining property.

Mr. Reeves may well be classed among the successful Islanders abroad. To all appearances he does strike the observer as a man of great means, his only display being a watch chain made of gold nuggets while a stickpin made of a large nugget is prominent on his necktie. He carries with him over $200 worth of the yellow nuggets which he kindly showed the Guardian representatives. These are but like "loose change" to him and only carried as souvenirs of his home in the west.

Mr Reeves left his native province in the year 1900 and has since been a very fortunate gold hunter. He and his partner Mr Leonard, a native of Ireland, have twenty acres of rich mining land leased for an indefinite period and are continually making big finds. The latest and largest of their successes was a recent "clean up," which is best described in the following taken from a late issue of The Nome Nugget:—

"You can jab a shovel anywhere into the face of the drift and take out a pan of dirt worth one hundred dollars."

"That is the statement made concerning the newest strike in Nome District. The owner of the claim is William Dettering, better known as 'Caribou Bill,' The claim is a bench on the east side of the Mattie, on Nakila gulch.

"Last Monday Louis L. Lane saw 12 pans taken from the drift that aggregated $1,285 Mr. Lane says, when this phenomenal dirt is found, it looks as if it were a 'pot hole,' and on the edge of the rim the big pans have been found. A hole was sunk on the claim last winter, 72 feet deep, but no bed rock was found. Now a cut is being run from the gulch and dirt like that chronicled above is abundant. It is probably the richest strike that has ever been made in this section.

"As everyone knows who is familiar with the topography of the country on or about Anvil and Dexter, scores of others are on the divide between Anvil and Dexter, and this strike is probably only the precursor of many more in the same neighborhood.

"Gus Boltz, who visited the claim on Sunday, says he saw a pan in which there was over a pound avoirdupois of gold. He offered $75 for the contents of the smallest pan, but his offer was refused.

"Eugene Chilberg of the Pioneer Mining Co. saw seven pans on Sunday, which netted $1,500; one was worth $125.

"Reeves & Leonard prospected the claim last winter to a limited extent. They sank the shaft referred to above, and this spring they cleaned up 510 ounces.

"A good strike is also reported on the Surprise bench, in the same vicinity. A good body of dirt has been located that will run, it is claimed, $2 to the pan."

REV. A N Simpson began his pastorate of Christian church on Sunday last preaching to large congregations at both services.

In the morning his subject was "The Personal Idea of Christ." Christ is the only satisfaction to the soul of man. He showed His personal relationship in the work He accomplished in teaching His disciples. The disciples showed His personal idea in the work that they did. And in proportion that we receive the personal idea of Christ, just in that degree we can be successful.

Mr Simpson's subject in the evening was, 'Repentance,' taking as his text II Cor 7-10. Godly sorrow worketh repentance unto salvation not to be repented of: but the sorrow of the world worketh death. Repentance is not godly sorrow, not worldly sorrow, but a change of will or purpose resulting in a reformation of life.

Both sermons were able and inspiring discourses and listened to attentively throughout. Rev. A. N. Simpson was born at Malpeque. He was educated at Prince of Wales College and afterward taught school at Hamilton. He graduated from Kentucky University in 1897. He began the Ministry in Kentucky and subsequently preached at East Point, Lot 43 and New Glasgow, P. E. I., being located at the last named place for the past four years. He comes to Summerside not as a stranger, but one who is most favorably known, and he will be heartily welcomed by all classes of citizens.

THERE were five horses among the shipments by the Northumberland yesterday morning, On the previous day there were four shipped.

D. M. Cousins, Marlboro, Mass., is spending a vacation at his home at Stanley Bridge. This is his first visit to his native province after an absence of fourteen years.

THE regular meeting of the Improvement and Tourist Association will be held this evening. A large attendance is requested as matters of great importance are to be dealt with.

HIS LIVER DIDN'T WORK

And Dreadful Headaches and Depression Followed—Cured by

FERROZONE

Mr. Lionel S. Lascelle of Strathcona had a trying time with liver complaint, but wisely used Ferrozone in time. He says: "My liver got sluggish and torpid and made me feel about half dead. When I got up in the morning I was as tired as if I hadn't slept at all. My head ached, and specks swam before my eyes incessantly. If I bent over or did any stooping work I would be in a perfect whirl in two minutes. I felt depressed and out of sorts, and only got relief from Ferrozone. It went right to work, and before long cured me. I feel ever so much improved in health since using Ferrozone, which I strongly recommend for the kidneys and liver."

Mr. Ed. D. Moncrief of Springfield says: "For years I was subject to frequent attacks of liver complaint, and no remedy ever cured like Ferrozone. When my head ached fit to split, and I felt drowsy and sick, Ferrozone relieved quickly. I used Ferrozone two months after being cured, and have'nt been bothered since."

When it comes to curing liver and kidney ills you can't beat Ferrozone. It has a specific action on these organs, and at once puts them in a strong healthy condition. Ferrozone isn't the kind that just relieves—it cures, and cures thoroughly. Ferrozone prevents a return of further trouble, and costs only 50c a box, or six boxes for $2.50. All druggists, or by mail from The Ferrozone Company, Kingston, Ont. Get a supply today.
