SOCIAL ENJOYED.—A very enjoyable social was held in Prince Street School Hall on Friday evening, Feb. 25 when the girls of Grade 7, 8, 9, and 10, entertained the boys of Grade 7, 8, 9, and 10. The death at Souris on Feb. 19th of Mrs. Robert McKenzie at the early age of 37 leaves a home in a sad condition.

Although not in good health for a number of years yet with quiet patience and Christian faith she wrought and served with those whom she loved and she will be much missed. Besides her father—Mr. James Bernard—and several sisters and brothers she leaves a husband and six children to mourn the loss of a kind and devoted wife and mother. To the bereaved the sincere sympathy of the community is extended.

The remains were laid to rest in the cemetery at Souris, the services at the house and grave being conducted by Rev. E. Lockhart.

The many friends of Mr. and Mrs. William McLeod of Borden, formerly of Brookdale, learned with deep regret of the death of their baby boy Malcolm Stirling on February 15th.

The little fellow was recovering from measles when pneumonia developed and suddenly the little life that for two brief months had brightened his home was recalled to dwell in His Presence who says "Suffer the little children to come unto me and forbid them not, for of such is the Kingdom of Heaven."

The funeral service was conducted by the Rev. James McDougall.

Much sympathy is felt for the bereaved parents and for the little sister Margaret and brother Norman who with their mother have been very ill with measles but are now convalescent.

They are comforted with the assurance that their little one is not lost to them but taken to the immediate care of the Good Shepherd and awaits them in the Better Land.

COUGH REMEDY

LAI D TO REST.—A token of the high esteem in which the late Mr. Albert E. Sabine was held was the large number who attended the funeral on Saturday afternoon. There was a very large concourse of citizens, people of every station in life and all denominations. Rev. Mr. Glendinning pastor of the Methodist Church conducted the service. The Sons of England followed in a body and the fire bell was tolled, the deceased being a long-service member. The pall-bearers were Messrs. Silas J. Whitlock, Howard Ward, Harry Chandler, Walter N. Tanton, Ernest Foster, and George Brady. Interment was at People's cemetery.

SPLENDID ADDRESS.—Capt. Tom Best who is here in the interests of the Y. M. C. A. addressed two large congregations in this city yesterday, speaking in the morning in the Baptist Church on the subject of "God's Hand in the War," in the afternoon in the Hearz Memorial Hall, to men only, on war experiences and our duty generally to soldiers and in the evening in the Methodist Church, his subject being "Remember." In all these addresses he dealt mainly with the religious standpoint, with war experiences, particularly with soldiers in the field and on the way home, and also with the splendid work of the navy to which he paid a magnificent tribute. In conclusion said that Canada will not have done her full duty until every man who has bravely done his part is completely demobilized and receives every consideration to which his sacrifices have entitled him.

Mr. and Mrs. Ross Douglas and family Fortune Bridge have the sincere sympathy of the whole community in the bereavement they have suffered on account of the death on Friday last the 18th inst. of their oldest son Willie, aged 19 years.

The little fellow was just recovering from an attack of jaundice when meningitis set in and although everything possible was done for him, yet it was soon apparent that skill and attention could not save him. The cause seems to have been because in the same house the late's grand father, Mr. Joseph Douglas was lying in a similar condition suffering from a paralytic stroke which he had sustained only a short time previously. The funeral which took place to the Bay Fortune Presbyterian cemetery on Sunday p. m. was conducted by the Rev. E. Lockhart and was very largely attended.

She had a family of three girls and nine boys all of whom are living except one who predeceased her 17 years ago. Four of the boys are in the United States, one in Ontario and the others on Prince Edward Island. Besides the children she leaves an aged husband and three sisters and other relatives to mourn their loss.

The funeral which took place on Wednesday the 16th was one of the largest that went its way to St. John's Episcopal Church for a long time. Rev. Mr. Wood of Alberton officiated.

SHIPPING A CENTURY AGO.

In referring to shipping from the port of North Sydney nearly a century ago "Occasional" tells in the Acadia Recorder that the first Prince Edward Island to the partridge country departed in the ship Adelaide on the 11th of June, 1821. Two other vessels were loading for the same destination, 205,000 bushels of wheat had been already shipped that season for Quebec. During the month of June, 7 brigades, 3 schooners and 23 coasters cleared from the port of North Sydney, C. E., with cargoes of coal. The use of coal in American steamboats had added considerably to the trade.

MRS. McLEOD HONORED.

At the close of the Annual Meeting of the St. John's Y. M. C. A., on Thursday last the Regent, Mrs. Nell McLeod, was given a surprise in the form of a beautiful bouquet of American Beauty roses, presented along with an address of appreciation by Mrs. R. T. Holman on behalf of the Chapter. A successful year's work has been carried out and the officers were all re-elected with the exception of Miss Constance Burrows and Mrs. Bradford Beer who has removed.

MEMORIAL RECEIVED.

Mr. and Mrs. Murdoch McKinnon of Headherdale recently received in behalf of their son, the late P. E. McKinnon two beautiful decorations emblematic of his military response to the call of his King and Country, and the supreme sacrifice he has made in this behalf. The Imperial Government with its immense state and financial obligations does not overlook the little things which after all count for so much, setting a fitting example to those of us who, from one cause or another, were destined to remain at home.

GOING FRUIT FARMING.

Mr. Fred M. Nash, teller of the Bank of Montreal here has resigned his position in order to take up fruit farming. He has bought an excellent farm in Berwick, N. S. one of the finest fruit areas of the Annapolis Valley, and intends leaving in a short time to enter upon his new occupation. Mr. Nash, like many of our returned boys feels that he must live the outdoor life if he is to preserve his wanted health and vigor. So many of the returned boys feel the same after their experience in the war. As a proof of this it may be stated that there are now about three hundred returned boys settled on farms under the Soldier Settlement Board, in Prince Edward Island, and about three hundred and fifty in Nova Scotia, and the percentage of successful ones is exceedingly high—at least seventy five per cent. Mr. Nash has had a very successful career in the banking profession and it is to be hoped that he will meet with gratifying prosperity in his new undertaking. Anyway he will have the advantage that so many of our boys are longing for, namely living the outdoor life.

AFTER THE THAW.

The sidewalks of Charlottetown in many places are in an almost impassable condition—not with snow this time out with deep water—and slush. Pedestrians in many cases are compelled to walk away up the side of the pathway on the piles of snow or try to balance on the dangerous icy surfaces. Something to improve this condition is very much needed just now.

Mr. McLeod comes from Choteau, Montana, where he was engaged in ranching and latterly as a contractor and building foreman. He reports that business has taken quite a decided slump in the west of late and owing to the exceedingly high cost of lumber and other building material work in the building trades is almost at a standstill. Mr. McLeod is not in the best of health and has come home to recuperate. He is a son of the late John James McLeod of Ulg and has one sister living at Montague.

THE NEW GLASGOW NEWS SAYS.

Pictou County hockey fans were given a genuine treat on Saturday night in the shape of a double header, the first game being between Thorburn and Pictou and the second between the colored West End Rangers from Charlottetown and the colored New Glasgow Rovers. Between eight and nine hundred people were present to witness these games and they were not disappointed.

THE GAME BETWEEN CHARLOTTETOWN AND NEW GLASGOW TEAMS WAS VERY CLOSELY CONTESTED.

Charlottetown scored the first goal but at the end of the second period the score stood 3-1 in favor of New Glasgow. The visitors however came back very strong in the last period and finally a score stood 4-1 in favor of Charlottetown. Only a splendid work of Shepherd in goal for New Glasgow saved the local boys from having a much larger score rolled up against them. The playing was mainly confined to the New Glasgow boys territory and the goal keeper was constantly being bombarded. The Charlottetown team played poor combination and showed a lack of practice but as skaters and stick handlers they could cut circles round New Glasgow. Every member of the team was good and some brilliant individual work was accomplished. End to end rushes was a feature of their work but some of the team were apt to over-erstrate themselves and used scoring on several occasions. Messrs Mills and States on the New Glasgow defense were stone-walls and put up a good game for the local boys. The best team won on Saturday night and now it is up to the New Glasgow boys to play the Charlottetown boys in their own home town.

MR. AND MRS. J. B. GREIG, OF REGINA, SASK.,

are registered as the Rev. Mr. Greig who was formerly Miss Lily Gordon, is a native of Roseneath and is visiting the province for the first time since her marriage five years ago. She is a sister of Mr. Ralph Gordon, of Roseneath, and has many friends and relatives on the Island. Mr. Greig, who is General Manager of the North West Investment Company, Ltd. Regina, falls originally from Edinburgh and is on his first visit here. Though still a young man he is in the front rank of his profession and has recently received the appointment of Insurance Inspector for Saskatchewan. The young couple have just returned from a trip to Scotland, arriving last week on the Cabard liner Casmania after a passage which was crammed full of excitement and human interest. Suicide, natural death, birth, romance, and finally, on the liner's arrival, quarrels, followed each other in rapid succession before the eyes of the steamer's 2000 passengers. Two days out one of the trimmers, went of the steering deck and coolly threw himself overboard into the track of the propeller before the astonished eyes of his companions. The day following the suicide a birth was announced from the steerage. Mr. and Mrs. Greig left this afternoon for Roseneath. They will remain on the Island for three weeks and will conclude their vacation with a visit to Toronto and the Western States.

THURSDAY

An enjoyable time was spent Tuesday night at the Curling Club rooms by local players and their Amherst guests. On account of the slushy ice it was impossible to play the scheduled game, and the evening was passed in card playing, followed by a splendid banquet put up by Mr. H. C. Brown of the Victoria Hotel, which was interspersed with brief addresses, toasts, songs etc. The affair which was entirely informal, was ably presided over by Mr. D. A. McKinnon, President of the Club. After "The King" a hearty toast was drunk to Mr. Brown, preceded by a few remarks from President McKinnon, who neatly expressed the opinion of all present that Charlottetown was to be congratulated upon the acquisition of so capable a citizen. Though a newcomer to the city, comparatively speaking, Mr. Brown has entered wholeheartedly into our social and business life. As the progressive and genial manager of

Charlottetown's biggest hotels he has won for himself a host of friends and well-wishers. A feature of the evening's entertainment was the impromptu singing of Mr. Charles Earle, who excelled even himself in his responses to enthusiastic encores. The remainder of the evening was taken up in brief addresses of a humorous and racy, racy character. The Amherst players left for home this morning, firmly resolved to make their visit here an annual affair.

SOCIAL IN Y. M. C. A.

An enjoyable Box Social was held in the Y. M. C. A. Tuesday night about fifty couples being present. A number of baskets were brought by the young ladies and auctioned off. The program included solos by Messrs Roy Quigley, G. H. Gorbell, and Leigh Dingwell; reading by Miss Edna Gordon and Mr. Lloyd Jenkins; a duet by Messrs Quigley and Gorbell; jazz orchestra led by Miss Helen Duchemin, with Miss L. Barle and Miss H. Smith as accompanists; a drawing contest, won by Mr. Barry Tait and Miss Alice McLaren, the booty-prize going to Miss Margaret Full; musical romance, won by Mr. Quigley, with the booty prize falling to the lot of Mr. Jack Johnson. The entertainment closed with a singing competition, the whole party taking opposing sides amid a great deal of merriment. The party was chaperoned by Mrs. Jack McNair, Mrs. Archibald McKinnon, Mrs. Crawford Aitken and Mrs. Harry Gorbell.
