"MINESWEEPER" PAYS TRIBUTE TO NAVAL MEN

—Another phase of the hazardous undertakings of our fighting men is dramatized in a new Paramount action - thriller "Minesweeper," starring Richard Arlen, Jean Parker and Russell Hayden at the Capitol Theatre.

Produced under the supervision of Naval authorities, the picture is said to be full of excitement and high-powered moments as the principals go down to the sea in diving suits to look for enemy mines. Richard Arlen and Russell Hayden both appear as gunner's mates on minesweepers. They are rivals for the affections of Jean Parker and the development of the triangle keeps pace with the fast-moving action of the minesweeping.

In the picture, Arlen, a Naval lieutenant, deserts after becoming involved in a series of gambling debts. When the Japs bombard Pearl Harbor, however, Arlen can't resist the urge to get back into uniform. He joints a minesweeping unit but his astonishing knowledge about gunnery serves to reveal his true identity.

Members of Summerside Y's Men's Club and their ladies entertained their international secretary - treasurer, Mr. Henry Grimes of Lawrence, Mass., and Mrs. Grimes at a supper last evening served at the club house of the Sunmerside Golf Club.

Mr. Grimes is on a tour of all Y's Men's Clubs in the Maritime Provinces.

Mr. Edwin Estey, club president, was chairman and Mr. L. W. Hancock was in charge of the program. He paid tribute to the clubs in the Maritimes for their activities and referred in pleasing terms to the hospitality he and his wife had experienced during their Maritime tour.

A vote of thanks was tendered the distinguished guest by district governor Allison McLean. The singsong was lead by Mr. McLean with Albert Huestis at the piano. —S.

Air Cadets Back From N. C. O. Camp

Two Air Cadets representing No. 60 Charlottetown Squadron at the N. C. O.'s Camp held at Summerside returned yesterday after ten days "profitably spent." The cadets were Sgt Frank Strain and Cpl. Clifton Court. The camp (W. O. 1 Bumstead's pet ambition) was the first of its kind ever held in Canada and its purpose is to provide competent N. C. O.'s to increase the efficiency of the Air Cadets. Every Squadron in the Maritimes was represented

The boys were instructed in physical training drill, armament and discipline and leadership.

At 6.30 every morning Reveille brought the boys out of bed for twenty minutes of P. T. Then they washed up for breakfast and cleaned up the barracks for bunk inspection. This took them until 8.30. Rifle drill followed for an hour and a half and then two one-hour lectures finished their morning duties. At 1.30 p. m. after dinner another 1 1-2 hours of rifle drill followed by an hour each of lecture and P. T. brought the afternoon to a close. But that was far from the end of the day as after supper the lads still had organised sports to play at before their recreational period. Even then, instruction did not cease. Most of the boys went up with the night details and received a practical first-hand knowledge of what it's like on patrol operations. They flew between P. E. I. and New Brunswick. Shows were also provided for recreation. "Lights Out" at 10.30 ended a busy day of varied activities.

Starting Tuesday, July 4, the above procedure was continued until Tuesday, July 11. On the second last day of the camp the Cadets had practical examinations and on the last day written examinations. The camp was closed officially with a Ceremonial Parade before G. C. Lewis, Commanding Officer, who told the parade it was the "best cadet inspection he had ever seen", and he has seen many.

The regular Air Cadet camp for all of No. 60 Squadron is at Dartmouth, N. S. F. O. H. C. Burke, Commanding Officer of No. 60 Charlottetown Squadron, is at Dartmouth with the Cadets.
