At noon yesterday the longshoremen working at the Olivette went on strike as they claimed 35 cent rate during dinner hour from 12 till 1, while their regular day is 25 cents. There was about twenty minutes more work in loading lobsters and these as a consequence had to be left behind.

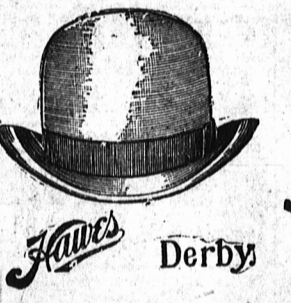

YESTERDAY Capt. Mellish had a search warrant issued to recover a cape that had been taken while the militia were in camp. The warrant was placed in the hands of Sgt. Doyle and Officer Walker. On searching the residence of J. Mahar the cape was recovered, and an action will be begun against the suspected party.

A BEvy of pretty girls was down to the Olivette to bid goodbye to Miss Mable Thompson, who left in the boat, en route for Haverhill Mass., where she will enter the Jeffery Hale private hospital to train for a nurse. The lady superintendent is Miss Annie Parker of Halifax an old family friend. Whilst all are sorry to see the youth and beauty of the Island leaving The Guardian wishes Miss Thompson success in her venture.

We Have Got Our Name Up For Low Prices

and not at the expense of quality either—the low price idea has been our policy, and seems to be exclusively ours—Of course you can get cheap stuff elsewhere—we don't doubt that. What we mean is this—for good, honest, well made and well designed furniture there is no store on this little Island, that can undersell us—You can prove this by taking a look through our store and examining carefully the splendid values you will find here.

STETSON'S \$5.00 HATS
HAWES' \$3.00 HATS

COMBINES STYLE AND QUALITY

When you buy a Hat, how do you know it is worth the price \$2.00, \$2.50 or \$3.00 you pay for it?

If you pay \$3.00 how do you know you get \$3.00 worth?

Nine men out of ten have to take the salesman's word for it. Not so with the celebrated Hawes. Wherever you go "Hawes" Hats are sold at the uniform \$3.00 price.

Then Hawes Hats combine style and quality, wear well and never fade.

All the stylish spring and summer blocks are ready your approval—sure of it.

Don't take the salesman's word for it, decide on a "Hawes"—the standard of quality, style and durability.

Our separate Hat and Cap Department makes Hat buying pleasant and easy. On the ground floor—no stairs to climb—entirely apart from the main store—its the best in the City. Ask the salesman to put your name in your hat—free.
