ROSENEATH W.L.

The annual meeting of the Roseneath W.L. was held at the home of Mrs. Charles MacQuarrie on Friday, October 31st. As both the president and vice-president were absent, Mrs. Louis Yorston was appointed to act for the evening. The meeting opened by repeating the Institute Ode in unison. Ten members answered the roll call. Five visitors were present. The minutes of the previous meeting were read and approved. The school and sick committees gave their reports. The following officers were appointed for the coming year: President, Mrs. Harold Gordon; vice-president, Mrs. Ralph Gordon; secretary, Mrs. Alex MacLeod; directors, Mrs. Alex MacLeod, Mrs. James MacDonald, Mrs. Moody MacDonald; auditors, Mrs. Charles MacQuarrie, Mrs. Edward Bulpitt. A letter from the Salvation Army was presented by the secretary and Margaret Rattray and Alice Gordon were appointed to canvass the district. New committees appointed were—Sick, Mrs. Alex MacLeod and Mrs. James MacDonald; school, Mrs. Louis Yorston; program, Mrs. Moody MacDonald. Twelve members joined for the coming year. Eight members paid their dues. There was a long discussion on the condition of the school and how money could be raised for repairs. The sixth prize won by the school in the rural beautification contest was discussed but the prize money had not been received. Note: Since the meeting the prize of \$80.00 has been received by Mrs. Ralph Gordon. It was finally decided that a dance be held in the school, each member to send a dozen lunches. The night of meeting is to be the first Tuesday in every month instead of the first Thursday. The next meeting will be held at the home of Mrs. Edward Bulpitt. The meeting was then adjourned. After the meeting an auction of home cooking was held with Mrs. Ralph Gordon as auctioneer. The gentlemen joined the ladies for the auction and \$4.05 was added to the Institute funds. Lunch was served by the ladies and after some friendly chatter the guests thanked their hostess and wended their way homeward wondering how many pranks the little witches and ghosts had played while they weren't looking.

SAVED BY SHOELACE

AUCKLAND, N. Z. —(CP)—A motorist here owes his life to the strength of his shoelace. He collided with a tramcar and his shoelace, caught in a bolt in the front of the car. He was dragged 30 feet with his head only two inches from the wheels.

Even Grandma Might Giggle SANTA MONICA, Calif., Nov. 3.—(CP)—The newest item among California stylists' showings for resort wear for next summer is an exact replica of Grandma's below-the-knee pantalette. Made of bright red and white polka-dotted crepe it is worn right out in the open, accompanied by an abbreviated halter of the same fabric. The first one shown has a covered costume, a white waif's piquet skirt and bolero jacket edged in red ric-rac and matching garden hat. Combined, the costume could go as far as a quite formal garden party. Confirming the tendency toward lower lines in sport wear as well as more formal attire, Hollywood designer Joseph Ztign also showed pedal-pushers and shorts two inches longer than any shown to date. Designer Irene Saltern also showed bare-backed sun dresses with jackets so covering that the wearer could wear them to business all day with the jacket and to the beach without. The showing emphasized the use of unpressed pleats and voluminous pockets to add fullness to skirts; high necklines and dropped shoulder lines to emphasize the demure early American look which most California stylists are emphasizing. Wing collars, often called post-collars, and matching pointed French cuffs featured blouses and dresses. Capes are important and caplets are shown with suits, coats and some dresses. Mauve is a new colour in sports wear; heretofore reserved to evening wear, if any, and if used mostly combined with black. Catalina of California showed bathing suits, highlights being the use of knitted fabrics which fitted like latex, and latex, which allows the freedom of fabrics. SAYS CHINESE ART QUIET AND SERENE VICTORIA, Nov. 4 —(CP)—Theodore D.S. Lee, Chinese painter whose works now are on exhibition here, said he believes Chinese art to be "the spirit of China and her people." "In Chinese painting," he said, "there is a quietness, peace of mind, absence of restlessness, delicate serenity and above all happiness — all characteristics of the Chinese people." "Brushwork would better describe Chinese pictorial arts than painting," Mr. Lee said. "Paint is more characteristic of the Western world and the brush and mastery of the brush is of the Orient." CAN'T GAS TURTLE SAINT JOHN, N.B.—(CP)—The caretaker at the Animal Rescue League shelter here wants nothing more to do with turtles. He picked up a vicious snapper, put it into the tubal chamber with some sick animals and turned on the gas. It didn't even give the turtle a hangover, so it was released in a pond.

YOU CAN'T KID ME, MOM. Sure, Crown Brand Corn Syrup is good for me. Sure, the doctor recommends Crown Brand Corn Syrup as part of my diet. BUT—why tie it down to me? How about the way you use Crown Brand for wonderful baking? For a sweetener? And why not mention how delicious it is with pancakes, cereals and hot waffles? You can't kid me, mom. Crown Brand Corn Syrup is good for all of us! For years doctors have recommended the use of Crown Brand Corn Syrup as a satisfactory carbohydrate acting as a milk substitute for bottle-fed infants.
