Interesting Address Before Local C. W. L.

The February meeting of the C. W. L. was held Monday, Feb. 6, at 8 P. M. in the K. of C. Home, with Mrs. Frank Murray president, in the chair.

The meeting opened with the recitation of the League prayer, by the chaplain, Rev. Wilfrid Keefe.

A musical programme followed consisting of "O Canada" by Miss Claire Hughes and two vocal solos by Miss Kathleen Hughes.

Mrs. Murray in a gracious manner introduced the speaker of the evening, Hon. Dr. W. J. P. MacMillan, who chose as the subject of his address, "Handicrafts in relation to education". This proved to be a very interesting and timely topic as this is education week.

At the outset the speaker said he was going to speak on some of the problems, confronting the thinking public of today.

Speaking of the Educational system, he said there exists in this province a sentiment which is growing stronger day by day that this system is not what it should be to meet the needs of the present times.

That is the system that served the older generation, although it produced men and women who stand out pre-eminently in every line of human endeavor and suited those times yet, owing to changing conditions we are living in a different world today, and a new system seems a growing necessity. This makes us ask the question:—Are we prepared for these changes?

The School Board in this City do their best in the interests of the children and referring to the home and school association, the speaker said it was a hopeful sign to see these organizations in connection with city schools.

He felt that in their discussions they may find means of remedying certain conditions, such as the child who cannot make its grade. Such a child leaves school discouraged and will such a one become a useful citizen?

In this utilitarian age our boys and girls should be fitted to take their place in life, and this brings us to the subject of Handicrafts. It does not do to take all our boys and girls and put them through the same mill. There is generally some line that appeals to one more than another.

For this reason manual training and domestic science should have an important part in the development of a student's education and in this connection it is pleasing to note that the School Board is making preparations to extend the manual training to our city boys.

The speaker said it was Col. Bovey of the Carnegie Library who first interested him in Handicrafts and he referred to the marvellous work that could be done and cited as an instance the exhibition of work done by the convent pupils each year. The Carnegie Library is a valuable asset to our province in this respect and it is gratifying to know and it is a compliment to the people of P. E. I. that the percentage of people who read the best books is very high.

The problem that all our reading and thinking people of today wish to find a solution for is to fit our young people to take their rightful place as good citizens.

The appreciation of the meeting was voiced by Mrs. L. J. Murphy who moved a vote of thanks. This was seconded by Mrs. I. E. Croken and tendered to the speaker by the president, Mrs. Murray.

Dr. MacMillan in acknowledging the vote of thanks said it was a pleasure to speak to the members of the C. W. L. and paid tribute to the part taken by our province in this great national organization.

Father Keefe said he had listened to this talk with a great deal of interest and saw the need of changing the educational system to meet the needs of changing times. He also added words of appreciation to the speaker and the work being done by the League members.

The business meeting followed. Minutes of last meeting were read and approved. Correspondence also was read and dealt with. The treasurer's report was presented and showed a satisfactory balance. The reports of different convenors were then given including study club, Social Service, Girl Guides, Education and Book Review.

Mrs. Murray referred feelingly to the loss the League has sustained in the death of Miss Eva Dillon, editor of our official magazine "The Canadian League."

There was a large attendance and several new members were introduced and welcomed by the president.

Discussions on other matters of business took place and the meeting adjourned.

Pythian Sisters Honor Fellow Temple Member

Sister Helen White, Past Chief of Charlottetown Pythian Temple No. 17, was presented with a silver-crystal rosebowl by sister members of the Temple at an enjoyable function Monday night. Presentation was made in honor of Sister White's forthcoming marriage to Mr. Pope Clark of this City.

Following was the address read: Sister Helen White, P. C.

Dear Helen:

Realizing that you are contemplating a momentous change in your state of life in a few weeks, and that in the meantime you will be absent from our midst for some time, we cannot let this auspicious occasion pass without in some slight measure expressing our regards for you personally as well as our appreciation of your untiring efforts for our Temple in all its varying ideals and activities.

Your enthusiasm and loyalty during your terms as Most Excellent Chief have been an inspiration to us all and we trust that you will continue to maintain the same interest in our Temple when you return.

In the meantime be assured that we all unite in wishing you and Mr. Clark very much happiness in your wedded life and we beg you to accept this gift as a very small token of our sincere friendship and hearty appreciation.

Yours in P. L. E. and F.
HILDA PICKARD, M. E. C.

In Memoriam

MISS FLORENCE McFARLANE

There passed away peacefully away on January 16th., at the home of her parents, Florence Jane, beloved daughter of R. D. and Agnes MacFarlane, at the early age of 23 years and nine months.

Although bedfast for over five months, she never murmured and had a cheerful smile for all who visited her bedside.

Beloved by all who knew her she will be greatly missed by not only the people of Hopefield, but also Guernsey Cove, where she made her home for some time.

She leaves to mourn besides her sorrowing parents, six brothers and six sisters, all on P. E. Island except one sister, Mrs. D. Avery, of Cambridge, Mass.

The funeral services at the home and grave were conducted by her pastor, Rev. W. I. Green, of Murray Harbor. Interment was in Little Sands Cemetery.

In her last hours she was sustained by her faith in Him who said, "In my father's house are many mansions."

Her chief delight was to read His word.

The pall bearers were six of her former schoolmates, James Munn, James Smith, Raymond Munn, Leon MacPhee, Stewart McKay and Andrew Fraser.

The sympathy of the whole community is extended to the family in their sad bereavement.
