LARGEST DRY DOCK IN NORTH AMERICA

BOSTON, Dec. 24.—Three million dollars were appropriated to-day by the Directors of the port of Boston for the construction at South Boston of one of the largest drydocks in North America. The dry dock will accommodate a ship 1,000 feet in length and 120 feet in breadth. The directors' action followed the reading of a letter from P. A. S. Franklin, vice-president of the White Star Line. Mr. Franklin expressed the willingness of certain steamship companies to unite in paying $50,000 a year for twenty years to provide at this port a drydock capable of receiving a steamship of the largest size.

DOHERTY AND WALKER TO PLAY IN TORONTO

TORONTO, Dec. 24.—Toronto sprang a surprise to-day when they turned out to practice as Walker and Doherty who were supposed to have gone to the Maritime league at Sydney both appeared on the ice. Doherty will figure at left wing in the game against the Canadiens to-morrow night. Doherty said after the workout that he had given his word to remain here and the only players he sent east were Kyle, Landers and Carmichael, who were released by Manager Ridpath.

KILLED TRYING TO SAVE CHILDREN

DODGE CITY, Kan., Dec. 24.—In an attempt to save the lives of two children, whose horse had been frightened by his motor car, Dean Kirk, a wealthy resident of this city, was killed last night.

When the horse started to run, Kirk jumped from the car to stop the animal. As he struck the ground, his head was thrown back violently against the car, and he was killed instantly. The children were not injured.

FIND NO CLUE IN $50,000 ROBBERY

LONDON, Dec. 24.—The British police are as far as ever from a clue to the mystery of the theft of $50,000 in gold from a consignment of $1,000,000 sent from the Bank of England to the offices of the Credit Lyonais of India. It will be remembered that the boxes which contained the gold arrived at Alexandria, apparently the same as they had been sent from London and even the seals of the Bank of England were intact. On examination, however, of the consignment at Alexandria, it was found that two of the boxes, instead of containing gold, were filled with lead, and although the police of England, Egypt and the continental countries through which the gold had passed, made a thorough examination, nothing was discovered.

BROKERS MADE MERRY ON EXCHANGE

NEW YORK, Dec. 24.—Stocks and bonds were forgotten on the New York Stock Exchange to-day while brokers engaged in an old fashioned Xmas Eve snow ball fight. Great baskets of snow were brought in from the street and dumped upon the floor of the Exchange. Messenger boys were conscripted and became "powder monkeys" and for a time there was a battle royal.

A corporal's guard of wealthy brokers took up their position in the visitors' gallery and from their point of vantage bombarded the members on the floor.

The latter organized under half a dozen leaders attacked them from every side and forced the little band within a few minutes to retreat.

Meantime the attendants and messengers had been organized into an ammunition detail and working in relays brought in more snow from the street.

After the battle was over everybody joined in building a giant snow man in the centre of the floor. The creation was an object of wonderful and extravagant architecture. It stood until the water was forced out of it by the heat and it then tumbled down in a mass of slush.

NEGROES TO INVADE FASHIONABLE RESORTS

CHICAGO, Dec. 24.—Fashionable summer resorts in Illinois, Wisconsin, Michigan and even winter resorts in Florida, Alabama, and California are to be the subject of operations of a syndicate of Chicago negroes under the name of the "Lincoln Athletic and Social Club." This was brought out to-day by statements made by those interested in the sale of Lake Geneva, Wis., property which, it was reported, Jack Johnson, pugilist, had purchased as a present for Lucille Cameron Johnson, his white wife.

"To get property wherever it can be purchased in a fashionable district or resort is the purpose of the organization."

"The object of this club is to make money," one of the members said. "We intend to buy property wherever we think we can make money out of it. The members of the Club are all negroes of means and have capital enough to swing almost any kind of a real estate deal."

OLD FIRE HORSE HEARS ALARM AND CAN'T STAY AWAY.

BOSTON, Dec. 24—The clang of fire bells is music to the ears of Roger, an ex-fire horse in Malden. He likes to run to a blaze better than he likes to eat his oats. Roger endangered the lives of many Christmas shoppers in Malden square when, with his canvas oat bag over his head, he followed the apparatus for half a mile as it tore through the streets to respond to an alarm. The old horse was recently sold by the fire commissioner to a Malden business man.

OLDEST TWINS IN WORLD NEARLY 94.

NEW YORK, Dec. 24—Samuel and William Muncy of Babylon, L. I., known all over the world as the oldest twins, will celebrate their ninety-fourth birthday tomorrow. Both men are active, and expect to celebrate their 100th birthday, together. Both are total abstainers, and attribute their long life and excellent health to that fact.

BOSTON FIREMEN TO FORM UNION

BOSTON, Mass., Dec. 24.—Boston's firemen are considering a step that may earn for them the distinction of being the first of any city in the East to affiliate themselves with organized labor. The members of the department—the horsemen and laddermen—have agreed to meet the day after tomorrow to decide definitely whether or not they want to affiliate with the American Federation of Labor. It is believed the bulk of the firemen will favor such a step. The promoters of the movement explain that, while the proposed organization will be a regular labor union there will be no danger of its members moving arbitrary demands upon the city for increased pay or shorter hours, much less of a "walk-out" when called to fight a fire.

NO MONEY TO BUY GIFTS FOR CHILDREN

BOSTON, Dec. 24.—Because he faced the dreary prospect of a Christmas Day unable to make his four little ones happy with holiday gifts is the reason given by Mrs. George L. Brooks for the suicide of her husband, a carpenter, who came here last spring from his home in New Brunswick. Mrs. Brooks hopes to be able to return to her former home near Halifax, N. S., where she has relatives. Brooks was a member of a Masonic lodge in New Brunswick, it is said. Yesterday his dead body was found hanging in a house in process of construction.

WOMAN LEAPS FROM LINER

LONDON, Dec. 24.—The death of a woman first-class passenger, Mrs. Clarice Allport, by jumping overboard when the vessel was near Cape Verde, was reported on the arrival at Southampton yesterday of the liner Windhuk, of the German East African Line, homeward bound from East African ports.

Mrs. Allport is said to have asked a steward one night for a glass of water and while he was obtaining it to have run up the staircase in her nightdress, climbed the rail, and thrown herself into the sea. She was heard to cry out as she fell, and it is thought that she struck the side of the ship. The vessel cruised about for two hours without finding any trace of her.

It is believed that Mrs. Allport was travelling to Lancashire.

SEQUESTRATE CRANKS TRYING TO ABOLISH SANTA, URGES CLARK

WASHINGTON, Dec. 23.—"Sequestration of the cranks who are trying to abolish Santa Claus" was advocated to-day by Speaker Champ Clark. The movement which was begun this Christmas to uproot the old traditions about Santa Claus and his sleigh full of toys moved Mr. Clark to-day to the following announcement:

"I think old Santa Claus is a great institution and these cranks who are trying to abolish him ought to be sequestrated. The name of Santa Claus always calls up to me the most pleasant memories of my boyhood.

"In my day children were taught to believe in the patron saint of Christmas. To understand Christmas one must undertand the spirit of the occasion. Every one who has not read it ought to be furnished with a copy of Charles Dickens' Christmas Carol. "That would do a great deal of good."

HUNT NEGRO IN CHICAGO MYSTERY.

LHICAGO, Dec. 14—Search for a negro diamond "broker" and redoubled search for the blonde woman known as "Gertie," were today's developments in the mystery of the murder of Joseph H. Logue, jeweler, in his office in the McVicker Theatre building. The murdered man's wife, in an indignant interview, declared her husband had no affairs with women, "blonde or otherwise," to lead to a murder for revenge or jealousy. The negro diamond "broker" appeared in the McVicker building the morning Logue was killed.

The business of farming is in the most critical period of its developments.
