REDUCED TO A SHADOW.

A Fredericton Lady Tells of Her Sickness and Suffering and of Her Restoration to Health by Milburn's Heart and Nerve Pills.

Messrs. T. MILBURN & Co., Toronto, Ont.

GENTLEMEN.—A year ago last September my health became much impaired, and I suffered intensely from prostration of the nerves, neuralgic headaches and general debility. The pains would shoot up my neck and down my arms producing numbness and a sensation as if my arms were frozen, so that I almost lost the use of them. My heart would flutter and palpitate; and sometimes I awakened up out of my sleep with a smothering feeling as though I was suffocating!
"Before taking Milburn's Heart and Nerve Pills I was almost reduced to a shadow, and felt worn out, irritable, and melancholy. To add to my sufferings a partial paralysis set in, and though I doctored a great deal, and took many medicines, I received no benefit. However, on trying Milburn's Heart and Nerve Pills, which I got through Mr. Geo. C. Hunt, our well-known druggist here, their curative powers manifested themselves almost immediately. I could feel every dose doing me good. They seemed to act upon the heart, and stimulate the circulation so that every tissue of my body received its due share of vigor and strength.
"The intense headaches with which I was so frequently afflicted have disappeared, and instead of being weak, worn out and run down, I am now in my normal healthy condition.
"I give this testimony for the benefit of those suffering from similar troubles, so that they may know there is a remedy within their reach well worthy of a trial."
(Signed) MRS. GEORGE MARTIN, Fredericton, N.B.

Toronto, Nov. 28.—The vast majority of Torontonians know and esteem Mr R. Morrow, the able and popular general agent for the Toronto Auer Light Co. For this reason the following statement made in writing by Mr. Morrow, possesses unusual significance.

Lumbago is unusually prevalent this fall. All sufferers should know that Dodd's Kidney Pills are the only known cure for it. They never fail.

USES PLASTERS AS A BANK.

CHICAGO, Dec. 4.—Porous plasters saved part of James Wood's money Wednesday evening. Wood came to Chicago from Montana. He had heard of the daring thieves in the city, and he concealed a few \$20 gold pieces beneath plasters which he stuck to his back. He had \$120 more than he could hide, however, and soon after his arrival, he says, this was stolen by Emma Ford and John Hinch whom he met in State street. They were arrested, and yesterday Justice Martin held them to the grand jury.

PECULIAR POISONS.

GENERATED IN THE HUMAN BODY.

The Result of Imperfect Digestion of Food.

Every living thing, plant or animal, contains within itself the germs of certain decay and death.
In the human body these germs of disease and death (called by scientists Ptomaines), are usually the result of imperfect digestion of food; the result of indigestion or dyspepsia.
The stomach, from abuse or weakness, does not promptly and thoroughly digest the food. The result is a heavy, sodden mass which ferments (the first process of decay) poisoning the blood, making it thin, weak and lacking in red corpuscles; poisoning the brain causing headaches and pain in the eyes.
Bad digestion irritates the heart causing palpitation and finally bringing on disease of this very important organ.
Poor digestion poisons the kidneys, causing Bright's disease and diabetes.
And this is so because every organ, every nerve depends upon the stomach alone for nourishment and renewal, and weak digestion shows itself not only in loss of appetite and flesh, but in weak nerves and muddy complexion.
The great English scientist, Huxley, said the best start in life is a sound stomach. Weak stomachs fail to digest food properly, because they lack the proper quantity of digestive acid (lactic and hydrochloric) and peptogenic products; the most sensible remedy in all cases of indigestion, is to take after each meal, one or two of Stuart's Dyspepsia Tablets, because they supply in a pleasant, harmless form all the elements that weak stomachs lack.
The regular use of Stuart's Dyspepsia Tablets will cure every form of stomach trouble except cancer of the stomach.
They increase flesh, insure pure blood, strong nerves, a bright eye and clear complexion, because all these result only from wholesome food well digested.
Nearly all druggists sell Stuart's Dyspepsia Tablets at 50 cents full sized package or by mail by enclosing price to Stuart Co., Marshall, Mich., but ask your druggist first.
