

Conditions Of Bble Study Contest

1. Persons may join the club at any time during the year, but must, of course answer the questions to qualify for the prizes. It is however desirable that the questions be answered as the lessons are stated.

2. Each contestant, or his or her family, must be a subscriber to The Guardian during the continuance of the contest.

3. Each contestant in this Local Club, must answer each of the written questions, for 52 consecutive weeks, commencing for Sunday Aug. 23rd, 1908, and the answers must all be in the possession of The Guardian within two weeks of the close of this period, which allows two weeks grace after the close of the contest.

4. Each question must be answered separately, and the paper written on one side only. No answer must exceed two hundred words in length and may be less. It will be a convenient plan if students will write their answers on letter paper, about 22 by 34 cm.

5. Each answer must have the name and address of the writer at the bottom of the answer, so it can be identified, given a number registered and the name set off so the examiner may know it by number only.

6. Students should be careful to understand the question before answering. To do this, the lesson text must be read and especially the verse, or verses, upon which the question is based.

7. The answers from this Local Club must be delivered to this office, and they will be collected at the close of the contest, and for independent examination by competent examiners. The prizes will then be awarded according to the highest number of marks, won by members of The International Newspaper Bible Study Club, and prizes which may be awarded to members of this Local Club will be given out from this office.

"CAN I GET WELL?"

If Your Trouble comes from the Kidneys, or from Kidney Poisons in the Blood, **YES!**

And if you have been ailing a long time—take some constipation longer than others. But Doan's Kidney Pills will gradually drain the poisons out of your system; the pain in your back will stop; the sediment in the urine will cease; there will be no rheumatic pains; you will feel fresher and brighter, and when the last of the poisons have gone you will be well.

There is no way of getting the kidney poisons out of the system except through the kidneys, and no medicine so effective in taking them out as Doan's Kidney Pills.

Mr. W. Perkins, South Main St., N.S., writes: "I feel it my duty to let you know of the great cure I have obtained by using Doan's Kidney Pills. For six months I could not obtain a good night's rest, had to get up four or five times to urinate, and the urine was very thick and red. I commenced using Doan's Kidney Pills and in a very short time I was right and fit again. I am very thankful to have found so speedy a cure."

Price 50 cents per box, 3 boxes for \$1.25, at all dealers or mailed direct by The T. Milburn Co., Limited, Toronto, Ont.

Eczema, Salt Rheum.

Eczema or Salt Rheum, as it is often called, is one of the most agonizing of skin diseases. It manifests itself in little round blisters, which contain an extremely irritating fluid. These break and subsequently a crust or scale is formed.

The intense burning, itching and smarting, especially at night or when the part is exposed to any strong heat, are almost unbearable.

The pre-eminent success which Burdock Blood Bitters has met with in permanently curing a disease of such severity is due to its wonderful blood cleansing and purifying properties.

No other remedy has done, or can do, so much for those who are almost driven to distraction with the terrible torture, as our thousands of signed testimonials can testify to.

Mrs. John O'Connor, Burlington, N.S., writes:—"For years I suffered with Salt Rheum. I tried a dozen different medicines, but most of them only made it worse. I was advised to try Burdock Blood Bitters. I got a bottle and before I had taken half a dozen doses I could see a change so I continued its use and now I am completely cured. I cannot say too much for your wonderful medicine."

The publisher of the best Farmer's paper in the Maritime Provinces in writing to us states:
"I would say that I do not know of a medicine that has stood the test of time like MINARD'S LINIMENT. It has been an unfailing remedy in our household ever since I can remember, and has outlived dozens of would-be competitors and imitators."

MAGISTRATES ECZEMA CURED AFTER 20 YEARS OF SUFFERING.

So great are the healing powers of Zam-Buk that men of elevated rank all over the Dominion are glad to testify to its merits. One of the most recent converts to the Zam-Buk method of treating and curing disease is Mr. C. E. Sanford, of Weston, King's Co., N.S.

Mr. Sanford is a Justice of the Peace for the County, and a Member of the Board of School Commissioners. He is also deacon of the Baptist Church in Berwick. Indeed throughout the County it would be difficult to find a man more widely known and more highly respected. Some time back he had occasion to test Zam-Buk and here is his opinion of this great balm. He says:—

"I never used anything that gave me such satisfaction as Zam-Buk. I had a patch of Eczema on my ankle which had been there for over 20 years. Sometimes also the disease would break out on my shoulders. I had taken Sulfon of Arsenic, had applied various ointments, and tried all sorts of things to obtain a cure, but all in vain. I was advised to give Zam-Buk a trial, and as I am a firm believer in nature's remedies, I did so. From first applying it I saw it was altogether different from the ordinary ointments and embrocations, and it soon began to show signs of clearing away the eczema on my ankle. This was so gratifying that I persevered for some time with it, and I am glad to say it had the desired result. I am now cured of the disease which defied every other treatment for twenty years. This is not the only direction in which I have proved the merits of Zam-Buk. I suffered for a long time from piles, and I found a

perfect cure for this painful ailment in Zam-Buk. Zam-Buk soothes the pain, relieves the congested veins, and so restores the elasticity to the tissues that the piles gradually but surely disappear.

I take comfort in helping my brother man, and if the publication of my opinion of the healing value of Zam-Buk will lead other sufferers to try it, I should be glad. For the relief of suffering caused by piles or skin diseases, I know of nothing to equal Zam-Buk.

HOW WORKING PEOPLE BENEFIT FROM ZAM-BUK.
Every working man and woman occasionally sustains accidental injuries at business which give rise to great pain, and sometimes "take the wrong way." When Zam-Buk is kept handy, it gives speedy relief in such cases and ensures quick cures. The following cases are interesting in this connection:—

SEVERE BURN CURED.—Mr. J. Nixon, blacksmith, of 901, William Ave., Winnipeg, says:—"While working at the C.P.R. shops, about a week two pieces of iron together, some of the hot metal fell on my foot, burning a hole through the shoe, sock, and into the flesh deeply. I suffered terribly all that night with the burning pain, and the next morning my foot was badly inflamed and showed signs of blood-poisoning. I had now an angry sore which discharged freely, and for three weeks could not bring about a cure though various remedies were applied. I was then advised to use Zam-Buk, and from the first application the balm gave me relief. The inflammation was thoroughly checked, and the poisonous matter cleared away in a very short time after beginning with Zam-Buk. Healing then began, and in less than two weeks the wound was healed, and a new skin having formed."

SCALDS CURED.—Mrs. M. Mackell, of 210, Gladstone Street, Winnipeg, says:—"Last February I scalded my right arm with the boiling steam from a kettle of boiling water. Large blisters were formed, and the burning heat and pains were almost unbearable. Inflammation set in and I was aware of it. I had an angry sore on my arm, which was a month in being treated with the first one remedy and then another, but it was not until I had used Zam-Buk that the inflammation was banished, the sore thoroughly cleared, and healing began. In a week the Zam-Buk healed the sore nicely, new skin having formed."
