Parmelee's Vegetable Pills will correct irregularities of the digestive organs and restore health and vigor. The most delicate woman can use them with safety, because their action, while effective, is mild and soothing.

# MANY PROMINENT MEN COME OUT FOR TANLAC

## Former Mayor of Birmingham, Ala. Recommends it

### Declares He Now Weighs More Than He Ever Did Before in His Life

One of the latest additions to the large and rapidly growing list of prominent men who have publicly endorsed Tanlac for the relief of indigestion is the name of Hon. Frank V. Evans, former mayor of Birmingham. Mr. Evans is one of the best known men in public life in Alabama today, being at one time editor of one of the south's greatest newspapers, the Birmingham Age-Herald. He was also examiner of public accounts in Alabama. In telling of the benefits he had derived from Tanlac, Mr. Evans said:

"For years I suffered with gastritis and indigestion in the worst form. I was habitually constipated and had pains in my shoulders and headache continually. My appetite left me almost entirely and every thing I would eat hurt me. Finally I got to having awful attacks of acute indigestion, palpitation of the heart and smothering sweats. For a long time I would have one or more of these spells every night and I would wake out of my restless sleep gasping for breath. I bought a bottle of Tanlac, and to my surprise and gratification, I began to feel relief after the first few doses. I kept taking the medicine and now weigh more than ever before, and my recovery is simply the talk of Birmingham."

## Mayors, Judges, State and County Officials, Bankers, Lawyers, Doctors, Editors and Ministers Endorse It.

It is seldom, indeed, that men of prominence, especially men holding high public office, willingly express their indebtedness publicly to a proprietary medicine. Many prominent men, however, including Supreme court judges, mayors of our leading cities, prominent state and county officials, bankers, lawyers, doctors, editors, leading educators, government officials and even ministers of the gospel have deemed it their duty to come forward and tell the people what Tanlac has done for them.

These well-known men of affairs have recognized in this medicine a new discovery and a scientific triumph in the medical world. It is a well-known fact that these splendid endorsements have been given Tanlac time and time again, and they will continue to be given just as often as new tests of its powers are made, and it also explains why numbers of the big drug firms of the country are ordering it exclusively in carload lots.

Appearing below are a few endorsements from the large numbers that are constantly being given to the public.

## Big Bankers of Southern States Endorse Tanlac

### Officials of Two Well Known Financial Institutions on Same Day Testify

Two of the best known bankers in the southern states recently on the same day in personal letters told of their remarkable experience with the use of Tanlac. Their letters follow exactly as written.

The first letter quoted comes through Ell W. Goode, druggist and local agent for Tanlac at Hawkinsville, Ga., containing the statement of E. J. Henry, president of the Hawkinsville Bank and Trust Company, which is one of the best known financial institutions in that part of the state. His letter follows, just as it was written: "Hawkinsville, Ga., March 5, 1917, "Mr. G. F. Willis, Atlanta, Ga. "Dear Sir—Mr. E. J. Henry, president of the Hawkinsville Bank and Trust company, came into my store a few days ago and said: 'Ell, sell me another bottle of Tanlac.' "I said, 'Mr. Henry, what do you really think of Tanlac?' His reply was so commendable to the virtues of the medicine that I asked him if he would give me a signed statement about it. He said: 'Yes, of course, I will,' and this is his statement: "Last spring I was all wrong some way or other and couldn't get right. I came to you and bought a bottle of Tanlac and began to improve. Two more bottles put me all right and I felt perfectly well. A few weeks ago I had the grippe and was beginning to get down and out again, and about a week ago, I bought another bottle and have taken it, and am perfectly well again. "I unhesitatingly recommend Tanlac to anyone who is sick and worn out, as I believe that if anybody will take Tanlac when they first begin to feel badly it will prevent and keep off sickness. It certainly is a great remedy. "Signed) 'E. J. Henry, president, "Hawkinsville Bank & Trust Co." "The other letter referred to comes from the cashier of the Hornbeck branch of the West Louisiana Bank, "Hornbeck, La., March 5, 1917, "Mr. G. F. Willis, Atlanta, Ga. "Dear Sir—I wish to say that I have taken five (5) bottles of Tanlac and have gained fifteen (15) pounds in three weeks. I think it is a great medicine. (Signed) "W. C. McELVEEN, Cashier, "Bank of Hornbeck, Hornbeck, La."

## High Sheriff's Are Convinced

## From Widely Separated Sections Comes Praise for the "Master Medicine"

From four of the best-known sheriffs in the south, in widely-separated states, have come enthusiastic endorsements as to the merits of Tanlac.

"Tanlac has certainly helped me, and I recommend it for the good it has done in my case," said Hon. C. W. Mangum, ex-sheriff of Fulton county, Georgia, who resides in Atlanta, and who has been one of the most popular officials in the state, having served three terms as sheriff. "Tanlac seemed to be just what I needed to put my system in shape, and it has toned me right up. Naturally, I would recommend it to my friends, and I know of fifteen or twenty families that are taking it now on my say-so."

## ARKANSAS OFFICIAL TESTIFIES

Hon. Charles L. Lewis, ex-sheriff of Crittenden county, a merchant and a large plantation owner of Marion, Ark., said: "I am convinced from the fact that my wife and myself and many of our friends have received from Tanlac that it is without an equal."

## EX-SHERIFF ANDERSON'S STATEMENT

"Money couldn't buy the good Tanlac has done me, and I gladly recommend it to others for what it has done in my case," said Hon. Archie R. Anderson, ex-sheriff of Harris county, Texas, who was re-elected to this high office seven times and served the people of his county for fifteen years as sheriff. Mr. Anderson was chief of police of the city of Houston, where he resided for several years, and there is not a better known man in Harris county.

## TEXAS SHERIFF'S ENDORSEMENT

"I needed a general all-rounded building-up for the last seven months, and Tanlac has done that very thing for me," said Hon. S. A. Kelly, who resides at Odessa, Texas, and who is one of the most popular officials in that section of the state. "I have taken only two bottles, but I feel like a different man already. My appetite is fine and what I eat gives me nourishment and strength. The rheumatism is much better and my liver is in good condition. I am relieved of the headaches and feel more active and energetic than I have in months."

## President Tennessee Protestant Home For Girls Talks

Dr. W. H. Brown, 4322 Charlotte avenue, Nashville, Tenn., founder and president of the Tennessee Protestant Home for Girls, and a man whose charitable work has won for him the friendship and admiration of thousands, said: "My friends have all noticed the great improvement in me since I took Tanlac, and I am boosting it every chance I get. From my own personal experience with the medicine, and from what I have observed where others have been using it, I am convinced that it is the best medicine of the world." (Signed) "W. H. Brown, President, Tennessee Protestant Home for Girls."

## Rev. A. H. Sykes Much Gratified

### Believes it is His Duty to Let Everyone Know the Facts in Wife's Case.

The Rev. A. H. Sykes, pastor of the Watkins Park Presbyterian Church, Nashville, Tenn., prominent not only as a minister of the gospel, but popular as a man and citizen who has been true to his friends and every trust reposed in him, said recently: "For the last ten months Mrs. Sykes has been in very delicate health, suffering from bad stomach, and kidney troubles, which gradually developed into a general nervous breakdown. At times her condition became alarming and frequently sought medical advice, but nothing we could do for her seemed to bring relief. "In fact she suffered so long and so much that I felt it my duty to let everyone know what this medicine has done for her. For several months her condition was such that she had to remain in bed, and as a last resort I decided to let her try Tanlac. "I am a conservative man and have always been skeptical regarding the use of proprietary medicines, but this has certainly proved an exception. I am now firmly convinced that Tanlac is a medicine of great power and extraordinary merit. I do not think I have ever seen anything to give such prompt results. Mrs. Sykes had taken only two-thirds of a bottle of this medicine when we began to notice a marked improvement in her condition. In less than a week from the time she began taking it she was able to sit up, and is today able to help with the household duties. She sleeps better and is gaining strength and flesh rapidly. I think it only a question of a short time until her health is fully restored. "Tanlac has certainly proven a remarkable remedy in her case, and will do all you claim for it. I cheerfully recommend it to my friends."

## Dr. J. T. Edwards Prescribes it

### Prominent Physician Gives His Unqualified Endorsement to Tanlac.

Dr. J. T. Edwards, of Fayetteville, Ga., one of the best known members of the medical profession in the State of Georgia, makes a statement that will undoubtedly produce a profound impression throughout the country. "In my thirty years of active practice as a licensed physician in the State of Georgia," says Dr. Edwards, "I have never seen anything to equal Tanlac as a medicine to produce real results. I hear people on all sides talking of the benefits they have derived from its use. "Tanlac is simply the talk of the town. I have no hesitancy in recommending the medicine, and as a matter of fact I am prescribing it for my patients almost every day. "People in all walks of life are all around our little city are giving similar endorsements to the medicine. Scarcely a day passes that someone does not come to me and say something about the good results they are getting from the use of Tanlac."

## Pastor of Wesley Memorial Testifies

The Rev. W. C. Norton, pastor of the Wesley Memorial Church, 523 Estell street, Jacksonville, Fla., which large charge he has held for many years, is not only a leader of the church, but is exceedingly popular and widely recognized as a leading citizen, and a man of thought and action. The Rev. Mr. Norton said: "I suffered from chronic indigestion for eight or ten years. The benefits I derived from this medicine are nothing short of wonderful. I really feel as well as I ever did in my life." (Signed) "W. C. Norton, Pastor, Wesley Memorial Church, Jacksonville, Fla."
