Doctor Gives Hint to Lucky Salesman

IT'S a wise man that knows when he is slipping. Mr. R. F. Myers of 711 Rosedale Street, Baltimore, had the good fortune to get his tip straight from one of his doctor customers (he was selling for a pharmaceutical house) and since that lucky visit he has increased his business 50 per cent.

asked the home office, "your business has increased 50 per cent!"

That's the great thing about Nujol. As soon as it begins to clean the poisons out of your system it makes you feel so well that you can almost always do a much better job. Nujol is not a medicine and contains no drugs. It is perfectly harmless, forms no habit. It is simply bodily lubrication, which everybody needs. You, like everybody else!

Why put off good health any longer? Go into any good drug store and get a bottle of Nujol in a sealed package. Costs so little and means so much! Maybe you can increase your efficiency 50 per cent too!

IN MEMORIAM

MRS. ASHFORD ANDREWS

The announcement of the death of Mrs. Ashford Andrews, of North Milton, came as a painful surprise to her many friends on Saturday, November 2nd. She had been a patient in the Prince Edward Island Hospital, Charlottetown, where a son was born to her a fortnight previous. Her condition appeared to be all that could be desired, and on the date mentioned, she was about to return to her home, when she passed away almost before those present realized that she was not in a normal state.

The funeral services were conducted at her home on the afternoon of November 4th. Rev. Wallace MacWalker, of the Baptist Church, officiated, assisted by Rev. Mr. Johnson, of the Anglican Church. Mr. MacWalker, in the course of his address, made mention of the consistent Christian life of the departed, her devotion to duty, the consecration of her talents to God's service, her desire that her children should live upright lives and of her unflinching good cheer, which gave the impression that she believed "God's in His heaven. All's right with the world." She will be missed in the life of the community, as she was much loved by her neighbors for her many excellent qualities. As organist of the Baptist Church, her musical talent will be missed by the choir and the congregation.

In the home, her husband and four children miss a devoted wife and mother from her accustomed place. "Her children arise up and call her blessed, her husband also ard he praiseth her." Her departure from the activities of this life at the early age of thirty-nine years is one of the Mysteries of Providence that we do not attempt to explain, but "He doeth all things well."

A very large crowd of relatives and friends followed the body to Fairview Cemetery, where all that is mortal of this dear one was laid to rest "until the day break and the shadows flee away."

Stubborn Coughs Ended by Recipe, Mixed at Home

Here is the famous old recipe which millions of housewives have found to be the most dependable means of breaking up a stubborn, lingering cough. It takes but a moment to prepare and costs little, but it gives real relief even for those dreaded coughs that follow severe cold epidemics. From any drugist, get 2 1/2 ounces of Pinex, pour it into a 16 oz. bottle and fill the bottle with plain granulated sugar syrup or strained honey. Thus you make 16 ounces of better remedy than you could buy ready-made for three times the cost. It never spoils and tastes so good that even children like it.

Not only does this simple mixture soothe and heal the inflamed throat membranes with surprising ease, but also it is absorbed into the blood, and acts directly upon the bronchial tubes, thus aiding the whole system in throwing off the cough. It loosens the germ-laden phlegm and eases chest soreness in a way that is really astonishing. Pinex is a highly concentrated compound of genuine Norway Pine, containing the active agent of creosote, in a refined, palatable form. Nothing known in medicine is more helpful in cases of distressing coughs, chest colds, and bronchial troubles. Do not accept a substitute for Pinex. It is guaranteed to give prompt relief or money refunded.
