Rosy Cheeks The Ambition of Every Woman

Hollow cheeks with dark lines, sallow complexion—how a woman hates them!

But rosy cheeks, clear skin, bright eyes—give them to a woman and she is happy.

In the blood is found the first sign of trouble.

It grows thin and watery, its color fades, and increasing pallor and sallowness give the outward evidence of the change within.

Soon the nerves weaken, the heart easily tires and palpitates, strength declines.

The delicate mechanism of the womanly functions is interfered with, and pleasures, activities and even duties are loaded down with the burden of declining health.

Why is it that woman neglects the first warnings?

Usually she waits till she is ready to drop—often then it's too late.

These conditions are easily checked, easily cured at the beginning, but even when long established Ferrozone will remove the cause and cure the trouble.

Ferrozone's action aids the three principal functions of the body—digestion, assimilation, elimination.

By strengthening digestion it forms an abundance of rich, red blood—this gives good color.

By perfecting assimilation, Ferrozone supplies nutrition—this gives strength, vim, stability.

Elimination is assured because Ferrozone quickens the actions of the liver, kidneys and bowels—this guarantees the maintenance of vigorous health.

Ferrozone puts you on the right road—the one that leads to health.

Not a man, woman or child needing blood, vigor, endurance—not a person who is weak, nervous or sickly, not a person in ill health who won't receive immediate help from Ferrozone.

As a tonic and restorative, as a health-bringer and body-builder, Ferrozone is unrivalled. It cures because it feeds and nourishes, because it contains the elements that build up and strengthen. Try it yourself—sold everywhere in 50c. boxes.

AN EATING ULCER.

Ulcers are a skin disease, and are more or less directly occasioned by a bad state of the blood, which produces acrid humors and corrupts the secretions.

No one can expect to have a skin free from disease when the blood is in a diseased condition and the stomach and bowels acting feebly in consequence.

Through its wonderful cleaning, purifying powers on the blood, and its renovating action on the entire system, Burdock Blood Bitters has made thousands of cures of different skin diseases during the past thirty years it has been on the market.

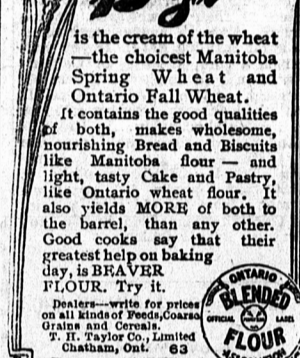

Mrs. Joseph Robinson, Hallorton, Que., writes: "I had an eating ulcer on my ankle. I took two bottles of Burdock Blood Bitters and it worked like a charm, cleaning out all the impurities from my system and improving my appetite. While taking the B.B.B. internally I used it externally to cleanse the sore, and it helped a lot."

is the cream of the wheat—the choicest Manitoba Spring Wheat and Ontario Fall Wheat.

It contains the good qualities of both, makes wholesome, nourishing Bread and Biscuits like Manitoba flour—and light, tasty Cake and Pastry, like Ontario wheat flour. It also yields MORE of both to the barrel, than any other.

Good cooks say that their greatest help on baking day, is BRAVER FLOUR. Try it.

To the Electors of the City of Charlottetown

Ladies and Gentlemen. The annual report of the Commissioners of Sewers and Water Supply is now before you.

In offering myself as a candidate for reelection as a commissioner, I solicit again the generous and hearty support so freely given me in the past.

In the eight years that I have had the honor to serve upon the board, The Charlottetown Water Supply has become the greatest and most important public work of the city.

During that time there has been added to the plant—the following: The sewerage system, also a first class concrete reservoir; second water supply, and second main pipe line, with a most encouraging financial year increase in revenue.

Should you again elect me I shall endeavor to discharge the duties of a commissioner as best as to the best of my ability.

Your Obedt. Servant J. H. BELL

Card

January 31, 1908 To the Electors of Ward Four.

At the request of a large number of the Electors of Ward Four I have presented to you as a candidate at the coming election. I wish to take this opportunity of again asking for support, as it will be impossible to make a personal canvass of the ward.

If again elected I will endeavor to do my best in the interest of the City generally and especially for ward four.

Signed, D. STEWART

Cleanliness is Next to Godliness

If you want your home thoroughly clean and healthy, have it done scientifically. Ordinary disinfectants give only a false sense of security. Microbes and bacteria lurk beyond the reach of the most particular housewife. I use only the latest approved method which is a perfect germicide and endorsed by a Board of Health and Health officers.

Charges moderate. G. D. Wright Funeral Director and Embalmer. dtfd.
