BAREFOOTED FAD.

Dublin Freeman: The latest sensation in Dublin is the adoption by a number of society people of the barefoot fad for their children. Considerable attention is aroused now and then in the streets about the fashionable squares by the appearance of smartly clad children, walking barelegged and barefoot all but a sight sandal. The idea is that the children are made hardier and less likely to take cold by this exposure.

ON TRIAL FOR TREASON.

LONDON, October 8.—(Special.)—Dr. Kranz, former Governor of Johannesburg, was put on trial today, charged with high treason and incitement to murder.

DR. KRANZ'S ALLEGED OFFENCES.

The claim is that when Johannesburg surrendered Kranz got twenty-four hours armistice and utilized that period to get all the Boer fighters out of town and sending 180,000 pounds to Pretoria and later in Europe applied to Dr. Leyds for money on account of these services.

WANTED AN ENGLISH OFFICER SHOT.

The prosecution also contend that Kranz secretly urged the shooting of Douglas-Foster, a young English officer on Lord Roberts' staff.
