Why pay $1.25 for Shirts

Inferior To The MOORMAC Dollar Shirt

If you have money to throw to the little birds, you will not be interested in the MOORMAC DOLLAR SHIRT. If you care to have 1.25 quality for one dollar, you will buy MOORMACS every time, because the Moormac is really a dollar twenty five shirt, most dealers would think it worth 1.35 to 1.50.

We have thought of every good point that a dollar shirt could have, and we've had them embodied in the MOORMAC which is made specially for us, to our specification,

That is why there are more MOORMACS sold than any other one style in P. E. I. If you've a dollar, and you want 1.25 shirt value buy a MOORMAC.

STARTLING STATEMENT.

It's Statements Like That of H. Heyman, Kingston, Ont., That is Making Mi-o-na World Famous For Obstinate Stomach Complaints.

Mr. H. Heyman, 132 Colborne Street, Kingston, Ont., says: "Mi-o-na is worth its weight in gold as a remedy to quickly cure long-standing cases of dyspepsia. For years I had suffered with my stomach and could find no cure nor even relief. I could not eat anything, as it would sour and form gas on my stomach that had a pressure on the heart. Heavy pains would come around my sides and pit of my stomach. I was unable to sleep for this and there was nothing to relieve my miserable condition. I was weak and languid and would feel as tired in the morning as on going to bed and perspiration would break out all over my body. I would be so weak from vomiting that I would fall to my knees. My head would ache and spells of dizziness would leave me unable to see. Doctors had termed the trouble gastrits, but failed to benefit me. I tried Mi-o-na, on advice of a friend, which has cured me when all else failed. I am sound and well and feel grateful to Mi-o-na for my present health.

It's the known results obtained by Mi-o-na that places it far and away above all other remedies and confirms Geo. E. Hughes in offering to refund the money if Mi-o-na fails to cure stomach trouble. 50 cents a box. Relief in twenty-four hours.

"It whistled itself." That was the little boy's excuse when he accidentally whistled in school. Just so with the wash goods. See our 14c. linen we told you about—they're selling themselves. Jas. Paton & Co.
