VICTORIA THE VILLAGE BY THE SEA

Miss Christine MacLeod, teacher at Victoria, spent the week-end very pleasantly at her home in Bonshaw.

Miss Edith Inman, R.N., Provincial Sanatorium, Charlottetown, was a week-end visitor to her home in Victoria.

Mrs. Mayla Boswell, assistant supervisor of Women's Institutes, Charlottetown, and whose home is in Victoria, spent the past week-end in Seakville, N.B.

Mrs. Eddie Morrison, Victoria, left last week to visit her sister, Miss Sadie MacPhail, Haverhill, Mass. Friends here of Miss MacPhail are pleased to learn she is recovering from her recent serious illness.

The motor vessel O. K. Service 8, loaded with farm produce at this port by L. D. MacLeod and Sons for Canada Packers, left here last Saturday enroute to Newfoundland. This happens for Prince Edward Island a very mild winter and here's hoping it may continue mild and with the Christmas appearance all over the beautiful countryside should gladden the hearts of children and grown-ups as well.

An item which should have appeared in last week's column in connection with the Evening Auxiliary report, was that Mrs. A. D. MacLeod who has been a resident for the past three or four months only, very kindly invited the members taking part in the candle lighting service to her home for Monday evening's practice. A dainty and very delicious lunch was served during the evening by Mrs. MacLeod assisted by Mrs. H. R. Profit. The kindness of Mrs. MacLeod was much appreciated by the members and before leaving a hearty vote of thanks was tendered her for her hospitality.

Friends in Victoria were saddened when they learned of the death of Mrs. John Angus MacDougall of Argyle House, who passed away recently. The late Mrs. MacDougall, whose maiden name was Maria MacDonald, was born at Hampton, a daughter of the late Mr. and Mrs. Neil MacDonald, and whose lovely home at the time called The Highlands, was just a short distance from the city. She being almost the last of a large family of sisters and brothers, was of a kind and gentle nature, highly respected by her neighbors and friends for her many fine qualities. For her many years of pleasant life she was the greatest hospitality was found there, and amid all the trials of this changing life here below she was able to maintain a calm and serene disposition, and in a trying illness which she passed through a few years ago was allowed to behold visions of that beautiful land to which her gentle spirit wings its flight but a short time ago. She not only enjoyed good health since that time and her last illness was of short duration. However, through it all she manifested patience and the true Christian spirit. To her sorrowing husband and family, and relatives near and far the sympathy of the people of Victoria is extended, but they sorrow not as those without hope, for she has been resting there to await the glorious resurrection morn when the dead in Christ shall rise first.

On Sunday evening, Dec. 14th, the members of the Evening Auxiliary of the Victoria W.M.S. held a Canadian friendship carol and candle lighting service in the church. The president and leader, Mrs. Keith Myers, had charge of the devotional with Mrs. Allison Lee as organist and choir director. Other members taking part with Mrs. Myers in the candle lighting ceremony were: Mrs. Fred Inman, Mrs. Bertha MacQuarrie, Mrs. Norman Boulter, Mrs. Harry Clark, Miss Anus MacDougall, Mrs. Dan MacLeod, Mrs. Emmerson MacDonald. The Christmas Story, Luke 2:4-20, was read by Miss Frederic Howitt, and Mrs. Keith Boswell read the Magnificat, Luke 1:46-55. Mrs. Ewan Wright gave a splendid address, her theme being "Love At Christmas Time." Mrs. (Rev.) T.C. Head sang very sweetly as a solo "O Little One Holy," and the choir rendered beautiful Christmas carols. The members of the Auxiliary were assisted at this service by the following Mission Band members in lovely motion song: Away In A Manger, Joan Boulter, Sylvia Boulter, Joyce MacDonald, Roma Sherrin, Phyllis

—RINK OPENING—Preparations are almost complete for the opening of the Crystal Rink on Christmas day. In fact if the weather remains cold it might open a few days earlier. Due to the destruction that was wrought on the property during the summer extensive repairs had to be

Bruce, Edith Bruce, and Kathleen Keough. The church was beautifully decorated with candles, greenery and red berries and presented a very pleasing appearance in keeping with the festive season of Christmas, when hearts and minds of people everywhere turn to the birth of the infant Jesus whose coming at this time of the year was, and is still looked upon as the greatest event the world has ever known, and until His coming again which all true Christians herds watching their flocks by night, the Three Kings, the Shepherds watched their flocks by night, the lowly birth of the Babe in the manger, and all the other soul-stirring stories and legends of that wonderful time shall be told, and the beautiful carols sung as fresh each year as on that wonderful night the angels, hosts of heaven broke the stillness of the night, and upon harps of gold proclaimed the birth of a Saviour and King. And lo! a Star appeared in the East and when they followed it there to await the manger where the Christ Child lay.

made at considerable cost to the owner. The wilful damage caused with apparently no reason would have to be seen to be believed and it is unfortunate that it will apparently go unpunished. Not a light bulb or shade remained in the whole building. Window panes were broken, the boards on the promenade were bashed in and the wall of one side of the rink was removed to a considerable extent board by board. All this damage has been repaired and the sides of the promenade have been painted. The caulk is very attractively finished in white, black and red and the dressing rooms have been painted. A section of one dressing room has been partitioned off as a dressing room for hockey teams. There are now two dressing rooms, both of them opening off the promenade at the back of the players' bench. Flooding has been going on for several days and there is now a good sheet of ice and only finishing touches on the repairs remain to be done and the rink will be ready to open for a new season. It might be mentioned that the roof has been patched as well and should not leak. Mr. Arthur Clow is managing the rink this season for the owner, Mr. Earle McDonald. S
