The Best Boots for Boys
OUTFIT the boy with Palmer-McLellan Patented Farm Boots and he will have footwear that will stand the most strenuous wear, in all kinds of weather, outlasting two pairs of ordinary boots, and will not rip or lose their shape.
We own exclusively the patents on these boots. They are made from heavy Palmer-McLellan Chromoiled tanned leather, shaped on right and left lasts, and fitted with strong counters to support the heels. The soles are nailed on by improved machine method. These boots have all the foot-fitting comforts of a real moccasin, but will hold their shape and outwear footwear of much heavier construction for they are all solid leather.

WEDDING BELLS. A pretty wedding was solemnized at St. Jacques, Regent Div. June 30th, when Miss Mary Hilda Gallant, daughter of Benoit Gallant and Francois Augustine Arsenault, son of Adolf Arsenault, both of St. Gilbert were united in the sacred bonds of matrimony. The impressive ceremony was performed by Father Boudreault. The bride was attended by her friend Miss Rose-Helene Arsenault while the groom was supported by his brother, Mr. Alben Arsenault. Mr. Arsenault is a returned soldier with 3 years service to his credit. The popularity which both these young people enjoy was evidenced by the large number who were present despite the rainy day as well as many valuable presents received. Mr. and Mrs. Arsenault will reside in St. Gilbert.

Why a Farm Needs a Milwaukee Air Power Water System
Combined in a few words the answer is: Because it is the best investment a farmer can make. Time spent in carrying water, in pumping water and in taking the stock to the watering trough is time that can be used to better advantage at other work.
The matter of home comfort also is important. Isn't the wife of the farmer just as good as the city woman?
What about the children? Is there any reason why they should not have a home equipped with a bath room and inside toilet just like their city relations?
And to think what it means in case of fire to have a hose handy and eighty pounds water pressure to fight it with.
Call in the next time you are in town and look over our demonstrating outfit.

City's Answer To Country Born
Continued From Page Four.
Alas! yes, "Country Born," you give yourself away. Wake up! Get down off your stilts and shake yourself! In this Garden of the Gulf a harvest is ripe in many a promising field; but weeds of more than one kind are sending poison odors to High Heaven, and flaunting lurid colors to every passing breeze.
Look you at home for nakedness of stained souls as well as neck and limbs. You need not search the city slums! And when you have made these right the "high heels" will take care of themselves.
The city girls within your gates, in some cases we know of, have not yet seen the "immodest dances." Marie Ellis "did not know how," we are told; and though she was given an opportunity to learn she did not grasp it. Away with your hypocritical cant over a dead woman!
We are bound to say we pity the neighbor, who sees in the husband of this City girl, "one of the finest men he can hope to meet," and the representatives of Law and Order, Righteousness and Justice appear to be quite as hopeless! What a slander on any country! But, if the clean-tongued, clean-living, chivalrous-hearted men of the province do not think it worth while to take up the gauntlet, the women—Country and City alike, must be ready to challenge them regarding the foul insinuation made against the dead—insinuations of nameless acts which must have originated in the evil minds of those at bay.
I am, Sir, etc.

QUEBEC, July 4.—The first assembly of the Province of Quebec Executive Council for the Canadian Air Force called by the Lieutenant-Governor, met in the Parliament Building here this week.

The force is to comprise 5,000 of all ranks, and will not be permanent owing to the short time in which an airman may carry on active work. At the beginning it will be largely composed of returned men, but it is hoped in time to enlist new recruits.

A second meeting of the executive was held in the office of Sir Charles Fitzpatrick when the officers were confirmed as follows: Hon. President, Lieut.-Gov. Sir Charles Fitzpatrick; hon. chairman, Col. J. A. Scott, Quebec; hon. vice-chairman, E. Greenwood, Montreal; executive committee, Capt. C. F. Falkenberg, Quebec, and Capt. C. G. Davidson, Capt.
