HYMNEAL.—A quiet but pretty marriage took place at St. Ann's Church, Hope River, on the morning of Nov. 12, when Miss Margaret J. Doyle, daughter of Mr. and Mrs. Patrick Doyle became the wife of Mr. William J. Roberts, of Kinkora. The bride was attired in a suit of navy blue serge with hat to match. The bridesmaid was Miss Viola Greenan, of Kinkora, while the groom was ably supported by his brother Mr. David W. Roberts. Immediately after the ceremony the happy couple left by train for Charlottetown returning in the evening to the bride's home, where a very pleasant evening was spent in dancing and amusements. The presents received were costly and numerous, which goes to show the high esteem in which the young couple were held by their many friends.

MAHAR-DOYLE.—A pretty wedding took place at St. Dunstan's Cathedral at 5 o'clock yesterday morning that of Miss Josephine Doyle, daughter of the late Sgt. Doyle, of the Charlottetown Police Force, to Mr. Wallace Mahar, son of Mr. and Mrs. Martin Mahar, of the Victoria Hotel, proprietor of the Hotel Victoria barber shop. The marriage was performed by Rev. Father Maurics McDonald. The bridesmaid was Miss Ida McNally, who wore a navy blue suit and fox furs, while the groom was ably supported by his brother Harold. The presents including champagne and some handsome silverware received by the young couple testify to their popularity. The groom's present to the bride was a set of wolf furs, and to the bridesmaid a set of rosary and to the groomsmen a set of cuff links. The bride was attired in a blue travelling suit with black picture hat and wolf furs. A dainty breakfast was served at 5 a. m. assisted by Mr. F. P. Duffy, head waiter of the Victoria Hotel. The dining room was attractively decorated in orange for the occasion and the table was beautifully laid being decorated with pink and white carnations. The happy couple left by the early train taking with them the best wishes of a host of friends.

YOU cannot understand the AutoStrop Safety Razor by looking at it in a store window or show case. There it looks like any ordinary safety razor, with its leather case, its silver plating, its dozen blades. Only when you get it in your hands, when you see the strop put through the razor, when you realize it cannot strop the blade wrongly, that the blade must stay sharp—then and then only will you realize the value of the little \$5.00 set marketed under the simple name AutoStrop Safety Razor.

It is on sale throughout the world. Wherever you are located you will find a dealer who will gladly give you this demonstration and you can see with your own eyes that this razor must give you efficient and economical razor satisfaction. In addition you have our guarantees of 30 days' trial and 500 perfect shaves from each dozen blades, but the demonstration offered you will show you how needless are these guarantees.
