

Miss Alice M. Smith, of Minneapolis, Minn., tells how woman's monthly suffering may be permanently relieved by Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—I have never before given my endorsement for any medicine, but Lydia E. Pinkham's Vegetable Compound has added so much to my life and happiness that I feel like making an exception in this case. For two years every month I would have two days of severe pain, and could find no relief, but one day when visiting a friend I ran across Lydia E. Pinkham's Vegetable Compound,—she had used it with the best results and advised me to try it. I found that it worked wonders with me. I now experience no pain, and only had to use a few bottles to bring about this wonderful change. I use it occasionally now when I am exceptionally tired or worn out."—Miss ALICE M. SMITH, 804 Third Ave., South Minneapolis, Minn., Chairman Executive Committee, Minneapolis Study Club.—\$5000 for best original of above letter-writing genuine cannot be produced.

Lydia E. Pinkham's Vegetable Compound carries women safely through the various natural crises and is the safe-guard of woman's health.

The truth about this great medicine is told in the letters from women being published in this paper constantly.

SUFFERED FOR THREE YEARS.

HEADACHES AND RUSHING OF BLOOD TO THE HEAD.

APPETITE WAS GONE.

TRIED MANY DIFFERENT REMEDIES BUT

BURDOCK BLOOD BITTERS CURED

MRS. WALTER WANTHORNE, BROOKLYN, N.S.

She says: "I suffered for three years with terrible headaches and rushing of blood to my head. I lost my appetite and became very thin and weak. I tried many different remedies and consulted doctors, but all in vain until I started to use Burdock Blood Bitters. I had not taken more than two bottles when I began to feel better, my appetite improved wonderfully and I increased rapidly in weight. I took altogether four bottles and am now as well as can be, for which I owe my thanks to Burdock Blood Bitters. I can recommend it to all those suffering as I did."
