WEDNESDAY

In the death of the City Hospital on the 4th of December of Anthony Flynn, Charlottetown loses one of its most beloved and respected citizens. Widely known throughout the Province, his passing is mourned by those who learned to revere him for the many endearing traits that made up his cheerful personality and unblemished character.

ARRIVE FOR HOLIDAYS - The following are among the Island students arriving here last night from St. Francis Xavier University: Miss Francis Kerwin, Miss Alice McGuigan, Pictou Brown and Miss Ellen McQuaid, of Charlottetown; Miss Norma McQuarrie, of Summerside, and Messrs. Kenneth Fraser, Vernon Fraser and Irving Fraser, all of Souris.

CLEARING THE LINE - A snow plough was despatched to Tignish yesterday to clear the railway line of snow, which was particularly heavy west of Summerside. The snow occasioned no delay in the service.

ELECTED PUBLICITY SECRETARY - At the regular monthly meeting of the Revenue Men's Club held in Butler Hall, Revere, Mass., recently Mr. Weldon L. Crossman was elected publicity secretary. Mr. Crossman is well known in this province where he spends his annual vacation.

FIELD WORK COMPLETED - Mr. Frickle of the Canadian Appraisal Company has completed the field work in connection with the appraisal of the Maritime Electric Company's property in the province. He expects that the office work in connection with the appraisal will be completed in a month or six weeks.

TRAIN ARRIVED - The train from the mainland arrived in the city last evening at 8.30. The delay was caused by heavy traffic on the mainland. The train reached Tormentine about an hour and a half behind schedule. The ferry now requires a slightly longer time to cross the Straits than formerly due to the increasing heaviness of the ice.

Princess Edward Islanders and others as well in these parts, regret very much the passing away of the late Premier Stewart; and now of Lieut. Governor Dalton, not forgetting Sir Arthur Currie, each of whom have left the impress of their lives to a laudable and useful public life of the Dominion. Such able and consistently patriotic men are a valuable asset in the national life and will be much missed in the political and educational spheres.

TRANSFERRED - Mr. James Burden, employee of the Bank of Nova Scotia at Montague, has been transferred to Charlottetown. Mr. Burden is one of Montague's most popular young men and although rejoicing in his promotion, his friends will regret to see him leave. He will be greatly missed from the United Church Hockey team, being one of the best stick-handlers on that team. He has the best wishes of his home town for his future success. Mr. Stewart Vickers has been taken on the staff at the Bank at Montague, having successfully passed the required examinations.

SAD FATALITY - A very sad accident which proved fatal, occurred at Mt. Stewart Tuesday, Dec. 19th. Mr. D. W. Affleck while engaged in lumbering was struck on the head by a falling tree. After receiving the full force of the blow, Mr. Affleck succeeded in walking to the residence of Mr. Joseph McMullen, where he lapsed into unconsciousness shortly afterwards. Dr. A. B. Martin was on the scene almost immediately and waited on the patient until he passed away at 4 a. m. Thursday without ever regaining consciousness. The funeral service was held from the house on Friday, Rev. Mr. Boyce officiating. The pall bearers being six nephews of the deceased. Interment was in the People's Cemetery, Mt. Stewart.

NEW BARN DESTROYED - A new barn, 75x35 feet owned by Mr. John Doyle, Lot 7, just completed, was destroyed in every respect which replaced the one destroyed by fire in July last, and which contained the entire season's crop of 1,700 bushels of oats, 200 bushels of wheat, a large quantity of hay, etc. was entirely destroyed by fire last week. The work of thrashing the wheat was just completed and the gasoline engine was being stopped to prepare for the oats when the engine backfired, exploded the gas tank, and shot fire without a moment's warning to the barn where the draught quickly carried it through the straw. The thrashing crew had barely time to escape from the barn and free the stock. So quickly was the spread of the flames that it was impossible to save anything. In less than fifteen minutes the beautiful structure was a glowing mass of flames. Mr. Doyle's loss is a heavy one, especially at this season of the year. The new barn carried insurance of \$1,000.00 but the crop was not insured.
