

FROM CORNER TO CORNER, FROM END TO END OF THE BIG STORE!

... OUR ... SECOND BIG CLEARING SALE TAKES PLACE FRIDAY MORNING AT 9 O'CLOCK.

This will be a Clean Sweep Sale. Every Corner will be Swept, if Generous Discounts Will Sweep the Best Stock

Into our customers homes We want \$15,000.00, before the first day of February 1903, and we have to get it even if every cent of pro has to be sacrificed. It will be an event that will make history for us. There are times in the life of every business when it pays to sell goods at a loss. Our judgment tells us that the present occasion is one of the times that our business needs a good clearing out, so we believe, the wisest thing for us to do is to sacrifice now. If our discount don't sell the goods and bring us the \$15,000.00 we shall call in the auctioneer. There are goods that you want and want badly at the price, for which we are offering them. We would rather have the money than the goods. The prices asked shall be lower than AUCTION PRICES.

Mr. Paton took over this big Dry Goods business in 1893. He placed the stock on the market at a sacrifice to pay off his late partners. The people patronize this sale and benefited thereby. Many will remember the big bargains given. The present management thinks it is time for another house cleaning, so we will commence our sale on Friday morning and will continue until they realise \$15,000.00 cash. Come early and participate in the bargains. The stock is offered at about 67 1/2 cents on the dollar. Our customers know the low price at which our goods are always marked, and know many of our prices, so will be able to recognise the generous discounts offered. Each article will be marked in plain figures; nothing will be returnable; there will be nothing given out on approval, and no samples cut and everything will be sold or spot cash. Our books will be closed until the Sale is called off. Respectfully yours

JAMES PATON & CO.
