We wish to lay emphasis on this department of our business, in which we are exceptionally strong. Like our patrons, we are satisfied with nothing but the best.

The superiority of the quality of the metal itself, and designing that shows the highest achievements of the silversmith's craft, make our selection one that is unexcelled. Future generations will prize the designs we are featuring this season.

PURE, RICH BLOOD MADE BY HOOD'S

Pure blood enables the stomach, liver and other digestive organs to do their work properly. Without it they are sluggish; there is loss of appetite, sometimes faintness, a deranged state of the intestines, and, in general, all the symptoms of dyspepsia. Hood's Sarsaparilla makes pure blood, and this is why it is so very successful in the treatment of so many ailments. Get it today.

Failure to pay any instalment when due will render previous payments liable to forfeiture and the allotment to cancellation.

Applications, accompanied by a deposit of ten per cent of the amount subscribed, must be forwarded through the medium of a chartered bank. The bank will issue a provisional receipt.

This loan is authorized under Act of the Parliament of Canada and both principal and interest will be a charge upon the Consolidated Revenue Fund.

Forms of application may be obtained from any branch of any chartered bank in Canada, and at the office of any Assistant Receiver General in Canada.

Subscriptions must be for even hundreds of dollars. In case of partial allotments the surplus deposit will be applied towards payment of the amount due on the January instalment.
