BIG STORE ADVERTISING-Proposing a motion to abrogate Montreal's early closing by-laws, Alderman Belanger, owner of three chain hardware stores, had this to say: "Those who talk about the big stores having been put on their feet by the early closing by-laws can take this for granted: Nothing in this world can stop a big store from advertising. And all the while they publish every day big advertisements, they will lure business to their stores. Late closing would merely intensify their advertising, make their prices more alluring."

CHRIST CHURCH, CHERRY VALLEY-At a meeting of the ladies of the congregation of Christ Church, Cherry Valley, held on Monday evening, February 11th, with the Rector of the parish, the Rev. J. T. Payne presiding, it was decided to form a Ladies' Guild for the purpose of assisting in any possible way in the general work of the parish. The following ladies were elected as officers: President, Mrs. Louise Nelson; vice-president, Mrs. John Carrier; secretary-treasurer, Miss Lillian Irving.

HOLY NAME SOCIETY ENTERTAIN-The Holy Name men of Kelly's Cross parish met in the school hall Tuesday evening for a good old game of auction. The big number present were several old veterans with many years of experience and several championships tucked away under their belts. The younger element was there too, striving most eagerly to defeat if possible the old hands. It was a mighty struggle; all vying for honors, keeping in mind the much coveted prizes of the evening. Great interest was in evidence throughout the contest and the scoring was high. The prize-winners were: 1st, Maurice McCloskey; 2nd, Wallace McGulgan. The consolation prize was awarded to Louis McQuaid. After all this strenuous work, a very dainty lunch served by the women was relished by the players. Home-made candy and smokes were also passed around. All this gave the men renewed vigor or to withstand the sudden change of temperature caused by the subsequent freeze-out. Oh! How cold and bitter was the atmosphere. Two by two the veterans fell exhausted and frozen. It was indeed a pitiful sight. Verily it was just another case of Survival of the Fittest. Ear-tabs were pulled down, collars rolled up, waistcoats tightly buttoned against the cold, bitter winds, but of no avail. All succumbed but one hardy midshipman who was left to relate the woeful tale. His name is Maurice McCloskey.

PERSONALS: The many friends of Miss Margaret MacEachern will regret to learn that she has entered the P. E. I. Hospital for a few days treatment of an infection in the arm.

Among those attending the Bruno Hauptmann Trial at Flemington Hudson County New Jersey Friday Feb. 8, 1935 were Miss Irene MacLeod North Wiltshire P. E. I. and her sister Mrs. A. Altuire, Princeton, N. J.
