**MALARIAL FEVER**

After Effects Leave the Victim Weak and Depressed.

Miss Emma Huskinson, a Captain in the Salvation Army, Tall; How She Regained Health Through the Use of Dr. Williams' Pink Pills.

From the Sun, Orangeville, Ont.

Among the oldest and most highly respected residents of Orangeville is Mrs. John Huskinson, whose daughter, Emma, has for a number of years been an acute sufferer from the after effects of malarial fever. A reporter of the Sun hearing of the wonderful effects which Dr. Williams' Pink Pills have had on Miss Huskinson, called at her home to enquire into the truth of the rumor. After stating the reason of his visit, he was kindly received by Mrs. Huskinson, who gave him the following facts of the cure: "Some years ago," said Mrs. Huskinson, "my daughter Emma, who is now captain of the Newmarket corps of the Salvation Army, was attacked by malarial fever. She was under a doctor's care for a long time and although she recovered sufficiently to go about, the after effects of the fever left her very weak and the doctor did not seem able to put any life into her. She had frequent headaches, was very pale, and the least exertion would greatly fatigue her. We thought a change might do her good and consequently she went on a visit to Toronto. While there she was advised to try Dr. Williams' Pink Pills and at once purchased a supply. Before she had finished the second box she noted a marked change for the better; her appetite improved, her color returned, the feeling of exhaustion had disappeared, and by the time she had taken half a dozen boxes she was enjoying the best of health, and all her old-time vigor had returned. Although her work in the Salvation Army is hard and exposes her to all kinds of weather, she has since been able to do it without the least inconvenience.

"Some time since my daughter's cure I was myself completely run down, and to add to my trouble was seized with a severe attack of rheumatism. Remembering the benefit my daughter had received from Dr. Williams' Pink Pills, I decided to use them, and before I had taken half a dozen boxes I felt fully recovered and have been in the best of health ever since. My advice to all ailing is to use Dr. Williams' Pink Pills for pale people."

Dr. Williams' Pink Pills have restored more weak and ailing women and girls to robust health than any other medicine ever discovered, which in part accounts for their popularity throughout the world. These pills are sold by all dealers or may be had by mail at 50 cents a box, or six boxes for \$2.50, by addressing the Dr. Williams' Medicine Co., Brookville, Ont.

**Eczema on the Scalp**

Would Itch and Burn until the Child Screamed with Agony—A Wonderful Cure Effected by Dr. Chase's Ointment.

The case recorded here is one of the worst ever brought to the attention of Toronto's best physicians, and which Dr. Chase's Ointment was successful in producing a perfect cure.

Mr. James Scott, 136 Wright avenue, Toronto, states:—"My boy, Tom, aged ten, was for nearly three years afflicted with a bad form of Eczema of the scalp, which was very unsightly and resisted all kinds of remedies and doctor's treatment. His head was in a terrible state. We had to keep him from school, and at times his head would bleed, and the child would scream with agony. For two and a half years we battled with it in vain, but at last found a cure in Dr. Chase's Ointment. About five boxes were used. The original sores dried up, leaving the skin in its normal condition. To say it is a pleasure to testify to the wonderful merits of Dr. Chase's Ointment is dealing it very mildly."

Take up any newspaper and read the ads and particularly those of the clothing and Fur Concerns, and it seems as if some merchants nowadays are in business solely for the benefit of the people.
