On Saturday night, Jan. 8th, Mr. and Mrs. Jos T. Gallant of Upper Howlan, who had gone to spend the Christmas holidays with their daughters in St. John, returned to their home on Saturday, Jan. 8th. They also spent a few days in Kensington with Mr. and Mrs. Tom Dunphy and their family. They report a very wonderful trip.

Jas T. Gallant and Mrs. Fermin Perry are extended the sympathy of their friends and neighbors in the death of their uncle, John Pineau, which took place in Royal Oak, Michigan, U. S. A., on Dec. 10th, at the good old age of 80 years. May his soul rest in peace.

On Sunday afternoon a large crowd of skaters and promenaders gathered on the mill pond where due to the mild weather the ice was somewhat sticky but all in all the skaters seemed to enjoy themselves, when so many folks were out to enjoy the very beautiful and unusual weather for this time of the year.

The January meeting of St. Anne's Club of Howlan and Woodstock was held at the home of Mrs. Ben Gallant on Tuesday evening, the 11th, with an attendance of 19 old members with 2 new members who joined that night. The business part of the meeting was carried out by the president and secretary as usual. Two beautifully worded letters were read from Rev. Pius Finnan and Ferdinand Arsenault, our students, in recognition of gifts received from the club for Christmas. Mrs. Robert Arsenault very kindly invited the members to her home for the February meeting. It was decided to again hold bingo for members at this meeting. After an election of new committees for the sick and lunch, meeting was adjourned as usual by prayer. After which a game of bingo, which realized over $7, was very much enjoyed as was also the delicious lunch served by hostess assisted by ladies on lunch committee.

Able Seaman Bill Bryce of Toronto was credited with saving two of his shipmates from drowning when the Canadian freighter Cumberland County was caught in a fierce North Atlantic gale, Bryce said a big wave "about half the height of the mast" roared over the freighter's side, during a North Atlantic gale which reached a peak of intensity 400 miles off Malin Head, County Donegal, Bryce and two other Canadians, David White, messman from Cape Breton Island, and Don Harrett of Fruitvale, B. C., were swept like toys toward the ship's rail. "We lay on our stomachs clinging to anything we could get hold of," Bryce said. "We were all in danger of being swept overboard. White caught hold of my legs and Harrett managed to grab one of my arms. With the other arm I held on to a hatch." The 10,000-ton freighter was en route to Philadelphia from Narvik, Norway, with 5,000 tons of iron ore.
