LADD, FITZGERALD STAR IN "O. S. S." - A new and exciting star combination came yesterday to the Capitol Theatre when Paramount's adventure-drama, "O. S. S." bowed into town with Alan Ladd and Geraldine Fitzgerald in stellar roles.

TRYON YOUNG PEOPLE'S UNION WINS - The final meeting of the Inter-Group Contest of the study of the Gospel of St. Mark was held in the Kensington United Church on Wednesday evening, June 4, when the contesting groups from Tryon and Cavendish were the guests of the Kensington Y. P. U. This study had been carried on during the winter months by the various groups in the Central Presbytery Young People's Union. In the semi-finals Tryon won from the Bedeque group and Cavendish won from the Kensington Group. The members from the winning Union are Doris Bell, Louise Foy, Fernie Howatt, Eleanor Toombs and Eva Bell. The members from the Cavendish Union are Jennie Moore, Helen Green, John MacNeill, John Stevenson, and John Toombs. The chairman for the evening was Mr. Harry Brown of Kensington, the judges were Rev. J. A. Jardine and Rev. Eric Coffin. The contest was conducted by the chairman selecting questions at random from a bowl and asking the teams alternately. Both teams had a thorough knowledge of the gospel text, two on either side making a perfect score. Tryon scored a total of 367 and Cavendish 352 out of a possible 400. Rev. L. M. Murray welcomed the visitors and conducted a brief service of worship at the beginning and close of the meeting.

LADD, FITZGERALD STAR IN "O. S. S." - A new and exciting star combination came yesterday to the Capitol Theatre when Paramount's adventure-drama, "O. S. S." bowed into town with Alan Ladd and Geraldine Fitzgerald in stellar roles.

Both Ladd and Miss Fitzgerald are seen as operators in the government's intelligence service, the Office of Strategic Services, and they complement each other in a way to establish them as one of the smoothest, most romantic acting teams in Hollywood.

"O. S. S." tells the dramatically thrilling story of an undercover operating team known as "Applejack" whose orders are to blow up a bridge in France in preparation for the D Day landing. The team, which includes Ladd and Miss Fitzgerald, is parachuted into France and proceeds to try to contact the French underground for assistance in executing their highly dangerous assignment.

The leader of the group, played by Don Beddoe, meets a violent end and the others must proceed without him. Ladd is given orders to take over, and while he worries that Miss Fitzgerald's sex will betray them, it is her clever handling of the Nazi Colonel Meister, which enables them to accomplish their purpose. The Colonel is portrayed by John Hoyt, known to Broadway theatre-goers as John Haysradt.

SUMMERSIDE

Burlington

Miss Sophia Wadman, Kensington is spending a few days at Burlington where she is the guest of Mr. and Mrs. Alfred Reeves and family.

Miss Emmeline MacLeod, Irish-town, is spending a few days at Fredericton with her niece and nephew, Mr. and Mrs. J. M. Hill. -Bur.

Her many friends will regret to learn that Mrs. James Campbell of Spring Valley was taken suddenly ill while visiting her brother and sister-in-law, Mr. and Mrs. John Duggan, Kensington and who is now a patient in the Prince County Hospital, Summerside.

Petty thieves broke the catch on the pantry window of the Hickox home at Burlington on Thursday evening and made off with considerable food, along with the containers, a missing tray on which the food had evidently been carried away was found next day beside the road a mile distant. The pilfering took place during a party arranged to welcome the Hickox family to the community. The incident was of a nature unheard of in this locality and was especially regrettable in the fact that it was perpetrated at the home of the new residents. Suspicion rests on certain individuals who were known to be about the premises but no action was taken. If this sort of thing is considered in the light of a joke, it was not so regarded by the victims and certainly would not be by those whose duty it is to preserve law and order.

Fifteen members and two visitors were present at the June meeting of Irish-town Women's Institute which was held at the home of Mrs. James D. MacLeod and Mrs. George MacLeod. With the president in the chair, routine business was transacted. Appointed to the new sick committee were Mrs. W.L. Campbell, Mrs. James Evans and Mrs. E.W. Johnstone. Some discussion took place regarding the

Victoria the Village by the Sea

Friends of Mrs. Charles Miller, Victoria, are pleased to learn that she is progressing favourably after her recent operation in the Prince Edward Island Hospital, Charlottetown.

Friends of Mrs. Wilfred MacQuarrie, Victoria, are sorry to learn that she has had to enter the Prince Edward Island Hospital Charlottetown for treatment having contracted virus pneumonia while visiting relatives in the Eastern section of the Island. At latest reports we are pleased to know her condition has somewhat improved.

Ferguson Brothers, Hampton, are busily engaged making necessary alterations to and building on a neat kitchen and sun porch to the dwelling of Mrs. Walter M. Lea. When completed Mrs. Lea will have a cosy home which will add much to the attractiveness of our village.

Students from Victoria who have been attending the various colleges are back to their homes in The Village by the Sea for the summer holidays. These young people are very welcome back and citizens wish for them a happy season of enjoyment which doubt they will heartily enjoy after a term of arduous study.

Miss Fannie Rogerson, Victoria, has returned home after spending a few days very pleasantly with friends in Charlottetown.

Miss Eva MacLeod, Victoria, who recently completed her Laboratory Technician studies in The General Hospital, St. John, N. B., is visiting in Liverpool, N. S., guest of her aunt, Mrs. George Milford, Mr. Milford and family. Amongst those spending the weekend and King's birthday Monday at their respective homes in the adjoining district of Hampton were Miss Louise Rogerson, employee of Bruce Stewart & Co., Charlottetown and Mr. Stirling Inman of DeBlois Bros.

Recent visitors to Victoria were Mr. and Mrs. S. B. French, Charlottetown. They were accompanied by their winsome little granddaughters Barbara Anne and Flora May MacLeod and Mrs. French's sister, Miss Lucy Higgins.

Mrs. Everett Wotton and three bright young sons George, Ralph and Preston of Charlottetown were weekend visitors to Victoria, guests of Mrs. Wotton's parents, Mr. and Mrs. Harry Clark.

Mr. Thomas MacBeth, Moncton, N. B., accompanied by his daughter

Mr. Thomas MacBeth, Moncton, N. B., accompanied by his daughter

Mrs. Clifford Lea and charming young children Annabelle and Walter were recent visitors to Victoria. It is always a pleasure to welcome these genial folk and look forward to the summer months when they will be back to spend the holiday season here.

Mrs. (Dr.) A. Champion returned to her home in Charlottetown on Tuesday after spending the past week in Victoria at the home of her late brother-in-law, Mr. Louis Howatt staying with the family during their bereavement.

The many relatives and friends here of Miss Carrie Inman regret to learn of her death which occurred a few weeks ago in Roxbury, Mass., after being ill for some time the result of a fall in which she had her leg severely injured. The late Miss Inman was the eldest daughter of the late Mr. and Mrs. Henry Inman of this place and was well and favourably known here. As up until a few years ago she was an annual summer visitor to Victoria. To her many sorrowing relatives and friends sincere sympathy is extended.

Mr. George Cannon one of Hampton's most progressive farmers certainly has the tourist business at heart, as we understand he has erected a summer cottage at the sea shore and will soon be able to accommodate a few tourists.

Victoria lost one of its respected citizens recently in the person of Mr. Louis H. Howatt whose spirit winged its flight into the Great Beyond on Tuesday, June 3rd. The late Mr. Howatt was a hard working, industrious farmer, a man endowed with more than ordinary talents, being a gifted writer and public speaker so his place in the community will be hard to fill. He bore his long

and trying illness with patience and passed on surrounded by his loved ones who tenderly cared for him to the end. To his daughter Gertrude and son Charlie at home in Victoria as well as other members of his family and sorrowing relatives and friends the people of this community extend sincere sympathy.

Farmers these days are to be seen at work in the fields early and late making up for lost time due to heavy rains of the past week or so. Those with low-lying ground will be caused some concern the true but according to the press Prince Edward Island farmers are not alone in their difficulties as many other provinces are delayed in seeding on account of cold backward weather so here's hoping Providence may smile more favourably upon us and summer be extended somewhat at the other end of it and so make up for any anxiety caused at the present time.
