

Investor VS Speculator

The difference between an investor and a speculator strictly speaking is that the former buys securities—other people's debts—carrying a fixed rate of interest and generally a definite date of repayment, such as debentures, first mortgages, etc. The latter usually buys securities giving no fixed income, from which he hopes to profit by an increase in selling price of the security such as real estate, etc.

One of the investments which finds most favor in the eyes of the former is the **FIRST MORTGAGE INVESTMENT CERTIFICATE** guaranteed by a strong financial institution bearing interest at 5 per cent per annum and paid semi-annually.

We would like to tell you about the certificates guaranteed by this Company, whose paid up capital and reserve is \$2,800,000.

A call would be appreciated.

IN MEMORIAM

MRS. HIRAM D. THOMPSON

The death occurred at Margate on the morning of April 16th, of Fanny beloved wife of Hiram D. Thompson after a weeks illness of pneumonia. Besides the husband and a family of ten children, there are left to mourn an aged mother Mrs. Wm. Frost, Long River, five brothers, David of Margate, John R. Seattle, George and William, Long River, and James B., Kensington. Also two sisters—Mrs. Andrew McLeod, Irishtown and Mrs. Chester Tuplin, New Annan. Mrs. Thompson was a woman whom know was to love; beautiful in every way but most so in her unassuming Christian character.

Apart from the immediate family many who were privileged to call her friend will mourn her death at the early age of 41 years. The funeral on Friday afternoon to the Margate cemetery was unusually large. The pall-bearers were her brothers and brothers-in-law. The services at house and church were conducted by Rev. Mr. Morris who took for his theme Death and the resurrection. Only by the former can we attain the latter. To enter the larger life everyone must pass through the portals of death. May this sure and certain hope sustain and strengthen the bereaved ones in their time of deep sorrow.
