# CITY AND COUNTRY

AURORA DIVISION, Searletown, intends holding its anniversary on the 21st.

Mr. A. S. WRIGHT has been appointed J. P. for Searletown in place of D. S. Wright the former J. P.

MR. CHARLES LORD, son of Mr. Curtis Lord, of Beleque has purchased from Mr. D. Matheson of Searletown his former residence at Carleton North.

Mr. Alfred McFarlane of Albany met with a serious accident last week. While cutting in the woods his axe slipped and gashed his foot quite seriously requiring some stitching by the doctor.

The chairman of the Baptist church Entertainment Committee at Kingstons desires to thank all those who aided in making the affair the success it was.

The illustrated number of the Toronto Globe contains an excellent photograph of W. A. Riggs of the Charlottetown Engineers, Co. Royal Canadians, killed in the attack on Cronje's Laager, February 27th.

THE Montrose Methodist Congregation held a social at the residence of Mr. Albert Weeks, South Kildare on Friday, March 16th. A large number of people assembled. During the evening an interesting program of appropriate pieces was given. The funds of the church were benefited to the extent of \$19.45.—COM.

At the meeting of Cavendish Literary Society on last Friday evening, Miss Lucy M. Montgomery read a very interesting paper on Tenneyson. In the course of the paper many choice selections were quoted from the different poems. The paper was discussed by Messrs. J. S. Clark, Walter Simpson, Geo. W. Simpson, Geo. R. McNeill and others.

THE state of the roads coupled with the bad ice and unfavorable weather has greatly impeded country trade. Trade generally has not been very active and there will not be any improvement until the breaking up of the ice and wheeling becomes good. The oat market remains about same as last quoted. Oats were in moderate demand at 3c for white and 2c for black. The egg market has kept very steady and yesterday witnessed an advance of two cents, 14 cents being paid. There is an unprecedented scarcity of butter and prices have gone up as high as 25 cents. The price of potatoes remains about the same as last quoted with very little stock offering. About 100 carcasses of pork exchanged hands and as high as 6¢ was paid. Only two loads of hay were offered which sold at 40 cents per cwt.

Considerable interest is being taken by the citizens of Toronto in the supplying of extra clothing to the Canadians now at the front. In referring to the matter a Toronto exchange says: The wet season in Africa has begun, and altho the days are very hot the nights are cold and wet. Our men have already felt the need of an extra supply of underclothing. England is sending out reinforcements with such rapidity that the supply of extra clothing for the men already on active service cannot possibly meet the demand. The danger of illness arising from exposure can be greatly lessened by proper flannel undergarments being provided, and the Toronto Ladies' Red Cross Committee are making every effort to supply this want on the principle that "prevention is better than cure."

No doubt the people of the Maritime Provinces and especially in P. E. Island will take their share of the responsibility.

Price Webber is playing in Houlton, Maine.

M. F. PLANT has been elected President of the New Haven Yacht Club.

MISS EVA BOOTH, commissioner of the Salvation Army in Canada, is expected to visit the west in May.

The dam at Bay View mills was partly carried away with the great freshet of Friday night the 16th. It has since been repaired and the mill is at work again.

THE Fisk Jubilee singers fully sustained their great reputation and Knox Church Sunday school netted a neat sum as its share of the proceeds.—Regina Standard.

REV. P. M. McDONALD, brother of E. M. McDonald, M. P. P., (now at Edinburgh), has received a hearty and unanimous call from St. Paul's church, Truro. Rev. A. L. Geggie was the former pastor.

MR. S. E. REID M. L. A. and Miss Reid of Summerside, P. E. Island, spent Sunday with the family of Mr. C. E. Stanfield, Dominion street, and left this morning for Boston.—Truro Sun.

REV. DR. HEARTZ, pastor of Brunswick Street Methodist church, preached Sunday morning, taking his text from Habakkuk iii. 2—"O Lord, revive Thy work." The press speaks in the high terms of his address.

REV. DR. CAMPBELL preached a most eloquent and impressive panegyric on St. Patrick at St. Mary's Halifax on Sunday evening. Dr. Campbell is well known in Charlottetown having spent some time in this province during the past summer.

MESSRS. WEEKS & WARREN have arranged with the insurance underwriters and a settlement has been effected. Today the store will be opened at 10 o'clock and a grand clearance sale will be conducted. The stock must be cleared out before the store is renovated. See advertisement on third page.

Mr. Watts, on behalf of the promoters of the St. George's day concert will request their assistance and will lay before them some drills for their selection.

STANLEY Bridge Dairying Co. will hold their adjourned annual meeting on Thursday evening the 22nd. The accounts of the Company which were not ready for the annual, will be discussed and disposed of at this meeting. This factory handled last season 2,315,755 pounds of milk and made 215,070 pounds of cheese. The total receipts for cheese was \$21,757.29c. The cost of manufacturing and milk drawing was \$3,238.81.

**IT'S THE OLD STORY.**

A Well-Known Toronto Gentleman tried all the Catarrh cures but in 10 years, a last Japanese Catarrh Cure removed every symptom of the disease. It cures permanently.

Mr. W. E. Williams, 254 Church street, Toronto, writes: "I have used Japanese Catarrh Cure for catarrh, and believe it to be an article of superior merit. It has given me immediate relief, and cured me completely of acute catarrh, which had troubled me for years. I believe I have tried every other remedy known for catarrh, but in each instance my catarrh returned. It is now some time since being cured with Japanese Catarrh Cure, and I have since been free from every symptom of the disease. I can highly recommend this remedy." Price, 50 cents, by all druggists.

## Crowds Came for the Curtains

All last week there was a crush in our curtain room of eager buyers. Everyone that saw them have the same to say—Oh, how cheap. We had to buy 1000 pairs to buy them at the price we got them, at 60c. on the dollar. Some say it's a little early to buy. We only ask you to select your patterns, we will put them to one side for you until you call for them, don't have to pay for them until you want them.

But you must be quick as some of the patterns are sold out already.

P. S. Some of our new German Spring Jackets are here.

Successors to Beer Bros.

The second rehearsal of the chorus for St. George's day brought together some sixty voices. The full chorus is expected to total or exceed seventy-five. The Patriotic choruses will be in unison and with Kipling's "Recessional" will have orchestral accompaniment. In honor of the occasion Professor Vinnicombe's orchestra will play Suppes military overture, "Light Cavalry."

A correspondent in Cavendish writes: Mr. John C. Clark has the contract of rebuilding Bay View bridge. The contract price is somewhat under \$500.00. It is going to be a great inconvenience to the travelling public to have this bridge torn up so late in the season. The contract should have been let earlier so that the work could be completed before the ice breaks up.

THE Ladies of the W. C. T. U. at Alberton held a very successful social at the residence of Mrs. John Wilkinson on Friday, March 16. Mrs. Robert Bell presided. Prayer was offered by Rev. W. H. Whitman. Addresses were delivered by Revs. H. G. Gratz and John Goldsmith. An excellent paper was read by Mrs. Henry Matthews. Readings were given by Mrs. Gratz, Miss Wisner, Miss Maud Wisner, and Mrs. M. R. Leard. Recitations were given by Miss Dora Hart and Miss Bernice McMurdo. A duet was sung by Rev. and Mrs. Whitman and solos by Miss Muttart and Mr. M. R. Leard, accompanied by Miss Goldsmith. The President read an address in which the constitution, aims and claims of the W. C. T. U. were clearly set forth and Mrs. Thos. Wilkinson read the pledge. A collection was taken up in aid of the Missionary Department.—COM.

AS THE GUARDIAN was going to press yesterday morning a fire was raging in the three story building on the corner of Queen and Sydney Streets known as "Stevenson's Corner." The fire was a stubborn one and the building is badly damaged. At one time the whole block looked doomed. Five streams of water were kept playing on the fire. The wind was blowing and the rain was coming down in torrents. Mr. Stevenson had his tin shop on one of the upper floors, and his show room in the corner store. His stock was badly damaged. Mr. Stevenson says his loss will be about \$2,000. He has insurance for \$500. R. H. Jenkins' store adjoined Stevenson's, and his stock of groceries, etc., is badly damaged. His loss is several thousand dollars, \$1500 insurance. The barber shop on Sydney Street, was occupied by Traynor & James. Most of the chairs and other fixtures were removed in time. The firm, it is understood have some insurance. The building belonged to the McCraith estate, and is insured for \$1,200. The stock in the grocery store of Driscoll & Hornsby, adjoining Jenkins was also damaged by water and smoke, entailing a loss which is only partially covered by insurance.

WATER, slush, and snow, a foot deep, the people of Kingston waded through on Thursday evening, on their way to the social and entertainment in the Hall. People who knew nothing of the stuff that composed the committee, would never dream that the social would be a success, but to say it was a success is putting it mild. At 7.30 o'clock the hall was packed to the doors and soon the strains of the Highland Pibroch is heard as Piper Ferguson entered the hall sounding the Highlan' Call to Arms, which sent a wave of enthusiasm through the audience such as was never witnessed in Kingston before. Mr. Wm. F. Fraser took the chair and the following was the program:

Chorus—Choir.  
Graphophone—Selection.  
Pipe Music—Piper P. Ferguson.  
Stamp Speech—Paddey O. Raferty.  
Solo—Miss Blanche Fraser.  
Instrumental Music—Mr. Welsh.  
Trio—Miss Lola Barrett, Mr. R. Barrett, Miss Stevenson.  
Pipe Music—Piper Ferguson.  
Dialogue—Four Characters.  
Song, John Highlan' Man—Mr. Ruben Barrett.  
Pipe Music—Piper Ferguson.  
Chorus—The Choir.

At the conclusion of program the sale of baskets began. Mr. F. H. Home acting auctioneer, ably assisted by Mr. N. Colwill and Mr. John Stewart. It is needless to remark that the bidding was lively throughout. About \$80.00 was realized. The proceeds go toward defraying expenses on the new organ in Baptist Church. The successful social was closed by singing of National Anthem and cheers for Lord Roberts, and the Kingston ladies.
