Women's Hair Made Glorious

PARISIAN SAGE STOPS FALLING HAIR AND DANDRUFF. Nothing so detracts from the attractiveness of women as dull, faded, lusterless hair.

There is no excuse for this condition nowadays because notice is hereby given to the readers of The Guardian, that Parisian Sage, the quick acting hair restorer, is sold with a money back guarantee at 50 cents a large bottle.

Since its introduction into Canada, Parisian Sage has had an immense sale, and here are the reasons: It is safe and harmless. Contains no dye or poisonous lead.

It cures dandruff in two weeks, by killing the dandruff germ. It stops falling hair. It promptly stops itching of the scalp.

It makes the hair soft and luxuriant. It gives life and beauty to the hair. It is not sticky or greasy. It is the daintiest perfumed hair tonic.

It is the best, the most pleasant and invigorating hair dressing made. Fight with the druggist who offers you a substitute, he is unworthy of your confidence.

Made only in Canada by the R. T. Booth Co., Ltd., Fort Erie Ont. The girl with the Auburn hair is on every package.

All reliable druggists, department stores and toilet goods counters have Parisian Sage Hair Tonic. The girl with the Auburn hair is on every package. Geo. B. Hughes guarantees it.

"WOMAN makes the home. It is a woman and only a woman—a woman all by herself, if she likes, and without any man to help her who can turn a house into a home." True but there is no store in this land that can be of such help to her as Jas. Paton & Co., when it comes to furnishing it. Jas. Paton & Co. 4-7ME11.

DAILY SELECTIONS FOR GUARDIAN READER

Furnished by W. S. Louson

"LOOK NOT AT THE THINGS WHICH ARE SEEN"

The fairest of this world's fair flowers must wither; Thick clouds will overcast her clear-cut sky;

The landscapes glowing in her radiant noontide Must colorless beneath night's shadow lie

Earth's sweetest music hath its wailing minors; Full oft her dearest joys are kin to pain;

Her tenderest words are farewells, closest hand-clasps Those which, once loosed, she may not join again.

But there's a wondrous sphere of light and beauty— Of fadeless flowers and skies unchanging bright—

Whose glorious scenes shall never be overshadowed By the dark canopy of sombre night.

And there sweet sound is heard of heavenly harpers, Harping on harps that no sad cadence know;

There friend meets long-missed friend, no more to sunder, And joy unmixed hath its perennial flow.

Then, ye who for a while are bowed with sorrow, Look forward to the glad, eternal years!

Be comforted! God will give back your treasures, And dry with His own hand your blinding tears.
